(3) Assess a just compensation to each owner and tenant for the land required and sought to be appropriated for the establishment of the levee, and the damages to the residue of the tracts beyond the consequential benefits which will be derived to such residue from the levee. If a person has only an estate for

life or years in the land and the remainder in fee belongs to another, the commissioners shall apportion the damages between them.

(4) Make a signed written report to the court, setting forth the information obtained under subsections (1), (2) and (3) of this section, with a map or diagram of the proposed route of the levee, and stating whether or not the proposed levee will be conducive to the public health, convenience or welfare, or whether it will be of public benefit or utility. Section 80. KRS 268.070 is amended to read as follows:

(1) The viewers shall examine the property in the territory described in the petition, and any other property that may be affected by the establishment of the district or that may be necessary to locate any of the work that in their judgment may become necessary. They may make any survey necessary to determine the boundaries and elevations of parts of the district, and the course of all drains and levees therein.

(2) They shall file with the clerk of the court in which the proceedings are pending, within thirty (30) days from the date of their qualification unless the time is extended by order of the court, a written report and two (2) copies thereof, covering the following matters:

(a) Whether the proposed improvement will result in public benefit or utility, or whether the public health, convenience or welfare will be promoted.

(b) Whether the proposed improvement will benefit the cities or property sought to be benefited.

(c) Whether all of the property that will be benefited is included in the proposed district, as described in the petition.

(3) If the viewers find that any of the property described in the petition will not be benefited, they shall specifically describe that property, giving the name of the owner if known, so that the court may know definitely what property will not be benefited. If the viewers find any property not included in the petition that will be benefited or affected by the proposed improvement they shall so report, giving the name of the owner, and the description of the property. If any city will, in their opinion, be affected they shall so state in their report.

(4) Their report shall describe with accuracy the property which shall, in their opinion, be embraced in the proposed district by giving a boundary description thereof by metes and bounds, courses and distances. This report shall be accompanied by a map, showing in the same way the property proposed by them to be embraced in the district. They shall also state the names of all persons and cities owning property in the proposed district, giving the post office address of each person if known, if not, the last known post office address, or if this fact cannot be ascertained they shall so state. They shall also state the approximate quantity of property each owns.

(5) They shall state in their report whether the owner of any property that will be affected by the establishment of the district is an infant or whether he is under any other disability except coverture, and if an infant, whether he is under or over the age of fourteen (14) years. This report may be amended by viewers any time before final hearing.

Section 81. KRS 271A.165 is amended to read as follows:

(1) Each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders, except as may be otherwise provided in the articles of incorporation. If the articles of incorporation provide for more or less than one vote for any share, on any matter, every reference in this chapter to a majority or other proportion of shares shall refer to such a majority or other proportion of votes entitled to be cast.

(2) Neither treasury shares, nor shares held by another corporation if a majority of the shares entitled to vote for the election of directors of such other corporation is held by the corporation, shall be voted at any meeting or counted in determining the total number of outstanding shares at any given time.

(3) A shareholder may vote either in person or by proxy executed in writing by the shareholder or by his duly authorized attorney-in-fact. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy, but in no event shall a proxy, unless coupled with an interest, be voted on after three years from the date of its execution. The revocation of a proxy shall not be effective until the secretary of the corporation has received written notice of the revocation.

(4) At each election for directors each shareholder entitled to vote at such election shall have the right to cast, in person or by proxy, as many votes in the aggregate as he shall be entitled to vote under the corporation's articles of incorporation, multiplied by the number of directors to be elected at such election; and each shareholder may cast the whole number of votes for one candidate, or distribute such votes among two or more candidates. Such directors shall not be elected in any other manner.

(5) Shares standing in the name of another corporation, domestic or foreign, may be voted by either the president of such corporation or by proxy appointed by him unless some other person produces a certified copy of a resolution of the board of directors of such other corporation authorizing such other person to vote such shares.

(6) Shares held by an administrator, executor, guardian, *or* conservator [~~or committee~~] may be voted by him, either in person or by proxy, without a transfer of such shares into his name. Shares standing in the name of a trustee may be voted by him, either in person or by proxy, but no trustee shall be entitled to vote shares held by him without a transfer of such shares into his name.

(7) Where shares are held jointly by three or more fiduciaries acting under an instrument becoming effective after June 30, 1946, the will of the majority of such fiduciaries shall control the manner of voting or the giving of a proxy unless the instrument or order appointing the fiduciaries otherwise directs. Where, in any case, fiduciaries are equally divided upon the manner of voting shares jointly held by them, any court of competent jurisdiction may, upon petition filed by any of the fiduciaries, or by any beneficiary, appoint an additional person to act with the fiduciaries in determining the manner in which the shares shall be voted upon the particular questions as to which the fiduciaries are divided.

(8) Shares standing in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.

(9) A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares so transferred.

(10) On and after the date on which written notice of redemption of redeemable shares has been mailed to the holders thereof and a sum sufficient to redeem such shares has been deposited with a bank or trust company with irrevocable instruction and authority to pay the redemption price to the holders thereof upon surrender of certificates therefor, such shares shall not be entitled to vote on any matter and shall not be deemed to be outstanding shares.

Section 82. KRS 287.210 is amended to read as follows:

Any trust company organized under the laws of this state may:

(1) Be appointed and act as guardian of infants, executors, administrator or curator of estates of decedents, *guardian or conservators* [~~committee~~] of persons *adjudged mentally disabled* [~~of unsound mind~~], receiver or trustee for persons or estates;

(2) Act as agent for the transaction of any business or the management of estates, the collection of rents, accounts, interest, dividends, notes, bonds, securities for money and debts, and demands of every character;

(3) Receive on deposit and for safekeeping, gold, silver, jewelry, money and other personal property of every kind, and shall have a lien upon all personal property deposited with it for its charge.

Section 83. KRS 287.212 is amended to read as follows:

(1) Notwithstanding any other provision of law, any bank or trust company, when acting as a fiduciary or when holding securities as custodian for a fiduciary, is authorized to deposit, or arrange for the deposit, with the federal reserve bank in its district of any securities, the principal and interest of which the United States or any department, agency or instrumentality thereof has agreed to pay, or has guaranteed payment, to be credited to one or more accounts on the books of said federal reserve bank in the name of such bank or trust company, to be designated fiduciary or safekeeping accounts, to which account other similar securities may be credited. A bank or trust company so depositing securities with a federal reserve bank shall be subject to such rules and regulations with respect to the making and maintenance of such deposit as, in the case of a bank or trust company organized under the laws of this state, the commissioner of banking and securities, and, in the case of the national banking associations, the comptroller of the currency, may from time to time issue. The records of such bank or trust company shall at all times show the ownership of the securities held in such account. Ownership of, and other interests in, the securities credited to such account may be transferred by entries on the books of said federal reserve bank without physical delivery of any securities. A bank or trust company acting as custodian for a fiduciary shall, on demand by the fiduciary, certify in writing to the fiduciary the securities so deposited by such bank or trust company with such federal reserve bank for the account of such fiduciary. A fiduciary shall, on demand by any party, to its accounting or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary with such federal reserve bank for its account as such fiduciary.

(2) This section shall apply to any fiduciary, and any custodian for fiduciaries, acting on June 21, 1974, or who thereafter may act regardless of the date of the agreement, instrument or court order by which it is appointed.

(3) As used in this section, "fiduciary" includes an executor, administrator, trustee under any trust, express, implied, resulting or constructive, guardian, conservator, [~~committee,~~] receiver, trustee in bankruptcy, assignee for the benefit of creditors, partner, agent, officer of a corporation, public or private, public officer or any other person acting in a fiduciary capacity for any person, trust or estate.

Section 84. KRS 287.225 is amended to read as follows:

(1) Any bank or trust company when acting as executor, administrator, guardian, *conservator* [~~committee~~], agent, or trustee, whether alone or jointly with an individual or individuals, may with the consent of the individual fiduciary or fiduciaries, if any (who are hereby authorized to give such consent), cause any stock or other securities held in any such capacity to be registered and held in the name of a nominee or nominees of such bank or trust company, or in its own name.

(2) Any such bank or trust company shall be absolutely liable for any loss occasioned by the acts of any nominees of such bank or trust company with respect to such stock or other securities so registered. But no liability for any loss occasioned by the acts of any such bank or trust company, or the nominee of either of them with respect to such stock or securities so registered, shall be imposed upon the corporation, its transfer agent or registrar, which registers its stock or other securities in the name of such bank or trust company, or the nominee of either of them, in accordance with the provisions of this section.

(3) The records of such bank or trust company shall at all times show the ownership of any such stock or other securities. Such stock or other securities shall at all times be kept separate and apart from the assets of such bank or trust company.

Section 85. KRS 292.330 is amended to read as follows:

(1) It is unlawful for any person to transact business in this state as a broker-dealer or agent, unless he is registered under this chapter. It is unlawful for any broker-dealer or issuer to employ an agent unless the agent is registered. It is unlawful for any person to transact business in this state as an investment adviser unless:

(a) he is so registered under this chapter, or

(b) he is registered as a broker-dealer under this chapter, or

(c) his only clients in this state are investment companies as defined in the Investment Company Act of 1940 or insurance companies.

(2) A broker-dealer, agent, or investment adviser may apply for registration by filing with the director an application together with a consent to service of process pursuant to KRS 292.430 and payment of the fee prescribed in subsection (10). Registration of a broker-dealer automatically constitutes registration of any agent who is a partner, officer or director or a person occupying a similar status or performing similar functions (except any partner, officer or director or other such person whose registration as an agent is denied, suspended or revoked under subsection (12)) without the filing of applications for registration as agents or the payment of fees for registration as agents. The application shall contain whatever information the director requires concerning such matters as:

(a) The applicant's form and place of organization;

(b) The applicant's proposed method of doing business;

(c) The qualifications and business history of the applicant and in the case of a broker-dealer or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser; and in the case of an investment adviser, the qualifications and business history of an employe;

(d) Any injunction or administrative order or conviction of a misdemeanor involving a security or any aspect of the securities business and any conviction of a felony; and

(e) The applicant's financial condition and history.

(3) If no denial order is in effect and no proceeding is pending under subsection (12), registration becomes effective at noon of the thirtieth day after an application is filed. The director may specify an earlier effective date and he may by order defer the effective date until noon of the thirtieth day after the filing of any amendment.

(4) The director may require as a condition of registration that the applicant (and, in the case of a corporation or partnership, the officers, directors or partners) pass a written examination as evidence of knowledge of the securities business.

(5) The director may by rule require the existence and maintenance of a minimum liquid net capital for registered broker-dealers and investment advisers and a minimum ratio between net capital and aggregate indebtedness, or both.

(6) The director may by rule require registered broker-dealers, agents and investment advisers to post surety bonds in an amount up to $25,000, and may determine their conditions, except under this subsection that no such bond may be required of any registrant whose net capital exceeds $100,000. An appropriate deposit of cash or securities shall be accepted in lieu of any required surety bond. Every surety bond shall provide for suit thereon by any person who has a cause of action under KRS 292.480, and every such bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within two (2) years after the sale or other act upon which it is based.

(7) The director may by rule require registered broker-dealers to carry fidelity bonds, covering its agents, general partners, and officers, in such form, covering such risks, and in such amounts (not exceeding $250,000) as he deems necessary for the protection of the public; and he may by rule require registered broker-dealers to furnish satisfactory evidence that they have such bonds.

(8) Every registration of a broker-dealer, agent or investment adviser shall be effective until March 1 of the following year and may be renewed as hereinafter provided. The registration of an agent is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application or a notice filed with the director. When an agent begins or terminates a connection with an issuer or registered broker-dealer, the agent and the issuer or broker-dealer shall promptly notify the director.

(9) Registration of a broker-dealer, agent or investment adviser may be renewed by filing with the director prior to the expiration thereof an application containing such information as the director may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, agent or investment adviser filed with the director by the applicant, payment of the prescribed fee and, in the case of a broker-dealer, a financial statement showing the financial condition of such broker-dealer as of a date within ninety (90) days. A registered broker-dealer or investment adviser may file an application for registration of a successor, whether or not the successor is then in existence, for the unexpired portion of the year without payment of any fee.

(10) The fee for initial or renewal registration shall be one hundred dollars ($100) for a broker-dealer, fifty dollars ($50.00) for an investment adviser, fifteen dollars ($15.00) for an agent, and five dollars ($5.00) for transfer of an agent, none of which fees shall be refundable.

(11) (a) Every registered broker-dealer and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books, and other records which the director by rule prescribes. All records required shall be preserved for three (3) years unless the director by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the director, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state.

(b) Every registered broker-dealer and investment adviser shall file such reports as the director by rule prescribes.

(c) If the information contained in any document filed with the director is or becomes inaccurate or incomplete in any material respect, the broker-dealer shall promptly file a correcting amendment.

(d) The director may make periodic examinations, within or without this state, of each broker-dealer and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the director by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the director, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

(e) The director may by rule prohibit unreasonable charges, profits, commissions or other compensation of broker-dealers and investment advisers.

(f) The director may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.

(12) (a) The director may by order deny, suspend or revoke registration of any broker-dealer, agent or investment adviser if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:

1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

2. Has wilfully violated or wilfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;

3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony;

4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

5. Is the subject of an order of the director denying, suspending, or revoking registration as a broker-dealer, agent, or investment adviser;

6. Is the subject of an order entered within the past five (5) years by the securities administrator of any other state or by the securities and exchange commission denying or revoking registration as a broker-dealer or agent, or the substantial equivalent of those terms as defined in this chapter, or is the subject of an order of the securities and exchange commission suspending or expelling him from a national securities exchange or national securities association registered under the Securities Exchange Act of 1934, or is the

subject of a United States post-office fraud order; but a. the director may not institute a revocation or suspension proceeding under this paragraph more than one (1) year from the date of the order relied on, and b. he may not enter any order under this paragraph on the basis of an order unless that order was based on facts which would currently constitute a ground for an order under this section;

7. Has engaged in dishonest or unethical practices in the securities business;

8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the director may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser; or

9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the director may by order, deny, suspend or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:

a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employes if he is an investment adviser; or

b. Has failed to pay the proper filing fee; but the director may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected. The director may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days.

(b) The following provisions govern the application of subparagraph 9 of paragraph (a) of this subsection:

1. The director may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;

2. The director may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;

3. The director may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;

4. The director shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

5. The director shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser;

6. The director may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.

(c) The director may by order summarily postpone or suspend registration pending final determination of any proceeding under this section. Upon the entry of the order, the director shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the director, the order will remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

(d) If the director finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, or investment adviser, or is subject to an adjudication of mental *disability* [~~incompetence~~] or to the control of a [~~committee~~] conservator[~~,~~] or guardian, or cannot be located after reasonable search, the director may by order cancel the registration or application.

(e) Withdrawal from registration as a broker-dealer, agent, or investment adviser becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the director may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the director by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the director may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective.

(f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent), opportunity for hearing, and written findings of fact and conclusions of law.

Section 86. KRS 304.18-090 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, all benefits under any blanket health policy or contract shall be payable to the person insured, or to his designated beneficiary or beneficiaries, or to his estate, except that if the person insured is a minor or otherwise not competent to give a valid release, such benefits may be made payable to his parent, guardian, *conservator* or other person actually supporting him.

(2) The policy may provide that all or a portion of any indemnities provided by any such policy on account of hospital, nursing, medical or surgical services may, at the option of the insurer and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but the policy may not require that the service be rendered by a particular hospital or person. Payment so made shall discharge the obligation of the insurer with respect to the amount of insurance so paid.

Section 87. KRS 322.050 is amended to read as follows:

No person shall be eligible for a license unless he is of good character and reputation, nor shall any person be eligible if he has been convicted of any felony involving moral turpitude or is adjudged by a court of competent jurisdiction mentally *disabled* [~~incompetent~~].

Section 88. KRS 327.070 is amended to read as follows:

The board, after due notice and hearing may refuse to license any applicant, and may refuse to renew the license of any licensed person, and may suspend or revoke the license of any licensed person:

(1) Who indulges in excessive use of alcoholic beverages or who is addicted to the use of narcotic drugs;

(2) Who has been convicted of violating any state or federal narcotic law;

(6) Who is guilty, in the judgment of the board, of gross negligence in his practice of physical therapy;

(7) Who has been declared mentally *disabled* [~~incompetent~~] by a court of competent jurisdiction and has not thereafter *had his rights restored* [~~been declared lawfully sane~~];

(8) Who has treated or undertaken to treat human ailments otherwise than by physical therapy as defined in this chapter, or who has undertaken to practice independent of the prescription, direction or supervision of a licensed medical doctor or dentist.

(9) Who has failed or refused to obey any lawful order or regulation of the board.

Section 89. KRS 353.270 is amended to read as follows:

A *guardian or conservator* [~~committee~~] of a *mentally disabled* person [~~of unsound mind~~] may enter into a consolidation agreement, as defined in KRS 353.280, subject to approval by the circuit judge as provided in KRS 353.290. The detailed provisions of such agreement may be such as the court approves, consistently with the provisions of KRS 353.280.

Section 90. KRS 353.290 is amended to read as follows:

(1) Upon the execution of such a consolidation agreement, the *guardian or conservator* [~~committee~~] shall file with the clerk of the circuit court in the county in which the land covered by the lease to be consolidated hereunder, or the greater portion thereof, lies, a petition for an order approving such consolidation agreement setting forth a copy of the consolidation agreement and a statement of facts constituting the grounds relied upon to secure the approval of such agreement, and shall submit with the petition the affidavits of not less than three (3) disinterested owners of real estate in the county wherein the proceedings hereunder are brought, as to whether such agreement will be advantageous or beneficial to the *mentally disabled* person or persons [~~of unsound mind~~] for whom such *guardian or conservator* [~~committee~~] is acting, which affidavits shall be filed and preserved as records of the circuit court.

(2) No agreement permitted by KRS 353.270 to 353.290 shall be valid or effective until the judge of said court appoints a guardian ad litem to represent the *mentally disabled* person or persons [~~of unsound mind~~] whose interests are sought to be consolidated hereunder. The guardian ad litem shall file an answer and the affidavits of at least three (3) witnesses, proving the advantages or disadvantages of such agreement, and shall make such recommendation to the judge relating to the agreement as he believes to be most beneficial to the persons on whose behalf he is acting. He shall receive for his services a reasonable compensation, to be allowed by the judge and taxed as costs.

(3) The judge shall proceed in a summary manner to approve or disapprove the consolidation agreement, and if he approves it he shall indorse his approval thereon. The order of the judge approving such agreement shall be entered on the civil order book of the circuit clerk's office of the county in which the proceedings hereunder are brought.

Section 91. KRS 342.160 is amended to read as follows:

(1) The benefits in case of death shall be paid to such one or more dependents of the deceased employe for the benefit of all the dependents entitled thereto, as are determined by the board. The dependents to whom

(2) If the dependents are a widow, widower or other head of a family of minor children and one or more minor children, it shall be sufficient for the widow, widower or head of the family to make application for compensation on behalf of all. All of the persons in being who have any present or contingent interest in the lands or estate or interest sought to be leased shall be made parties to the proceedings authorized in KRS 353.300 to 353.380, with any infant or infants being represented either by next friend or statutory guardian or guardian ad litem, or in the case of constructive service of summons by a warning order attorney appointed as in other cases. Any person *adjudged mentally disabled* [~~of unsound mind~~] shall be represented by his *guardian or conservator* [~~committee~~] or by guardian ad litem, or, in the case of constructive service of summons as in civil actions generally, by a warning order attorney appointed as in other cases. If the court specifically finds that the welfare or interest of any person or persons not in being requires special representation, the court may appoint a trustee ad litem to represent such unknown parties not in being or each separate class thereof, and such trustee ad litem shall file such pleadings or answer and take such steps as he deems proper, and such unknown persons will be fully bound by the proceedings hereunder. Otherwise, and in the absence of such finding by the court, it shall not be necessary to make parties any persons not in being, either as "unknown defendants" or otherwise, but the persons in being who are parties shall stand for and represent the full title and whole interest in said lands or estate or interest therein, and all parties not in being who might have some contingent or future interest therein, and all persons, whether in being or not in being, having any interest, present, future or contingent, in the property sought to be leased, will be fully bound by the proceedings hereunder. It shall be permissible, however, to make defendants any unknown persons who might have any interest in the land sought to be leased, under the style of "unknown defendants."

Section 93. KRS 353.370 is amended to read as follows:

If a trustee's lease is granted hereunder, even though one (1) of the parties who has an interest or possible interest in the property covered by such lease is a minor or a person *adjudged mentally disabled* [~~of unsound mind~~], no separate guardian's lease or *conservator's* [~~committee's~~] lease shall be necessary.

(2) On the application of the purchaser of a partner's interest under KRS 362.280 or 362.285:

(a) After the termination of the specified term or particular undertaking,

(b) At any time if the partnership was a partnership at will when the interest was assigned or when the charging order was issued.

Section 95. KRS 379.010 is amended to read as follows:

(1) Every voluntary assignment made by a debtor to any person in trust for his creditors shall be for the benefit of all his creditors, except as provided in subsections (2) and (3) of this section, in proportion to their respective claims after the payment of the expenses of the trust.

(2) Any property conveyed by the deed of assignment upon which there is a valid lien shall be first applied to the discharge of the lien debt, and if the property is not sufficient to satisfy the lien debt, the lien creditor may present the unsatisfied remainder as a claim against the estate and receive thereon his pro rata share of the assets in the same manner as general creditors.

(3) Debts due by the assignor as guardian, *conservator* [~~committee~~], trustee of an express trust created by deed or will or as personal representative shall be paid in full before the general creditors receive anything.

Section 96. KRS 381.135 is amended to read as follows:

(1) A person desiring a division of land held jointly with others, or an allotment of dower or curtesy, may file in the circuit court of the county in which the land or the greater part thereof lies a petition containing a description of the land, a statement of the names of those having an interest in it, and the amount

of such interest, with a prayer for the division or allotment; and, thereupon, all persons interested in the property who have not united in the petition shall be summoned to answer not more than twenty (20) days after service of the summons. The written evidences of the title to the land, or copies thereof, if there be any, must be filed with the petition.

(2) The statutory guardian of an infant, or *guardian or conservator* [~~committee~~] of *a* [~~an incompetent~~] person *adjudged mentally disabled* may file or unite in the petition, in the names of, and in conjunction with such infant, or *mentally disabled* [~~incompetent~~] person; and, if the petition be against an infant, or *mentally disabled* [~~incompetent~~] person the guardian, or *conservator* [~~committee~~] may appear and defend for them; if they fail to do so, the court shall appoint a discreet person for that purpose.

(3) Upon such a petition by all interested in the property, or upon the expiration of twenty (20) days after the service of a summons on all who have an interest in the property and have not united in the petition, the court may order the division, or allotment of dower or curtesy, according to the rights of the parties.

(5) The order of appointment shall fix a time and place for the meeting of the commissioners who shall meet accordingly; but, if prevented from meeting at the time and place so fixed, they may meet as soon thereafter as convenient, and may adjourn to such other time and place as they may agree upon, until their duty shall be performed.

(6) They shall survey and allot to the parties their respective interests in the land, and make report thereof to the court, which may either confirm, set aside or remand the report to the commissioners for correction.

(7) If the report be confirmed, a commissioner to be appointed for the purpose shall, by deed, convey to each party the land allotted to him.

(8) If the report be confirmed by the circuit court, it and the deed shall be certified by the clerk of that court to the county clerk, for record.

(9) Two of the commissioners may act, if one refuse or fail to do so.

(10) A party summoned may, by answer, controvert the allegations of the petition or contest the rights claimed therein; and, thereupon, the case shall be tried and decided as an ordinary action, but without the intervention of a jury.

(11) The costs of the action shall be apportioned among the parties in the ratio of their interests, except that the costs arising from a contest of fact or law shall be adjudged against the unsuccessful party.

(12) No verification of the pleadings shall be required.

(13) The commissioners shall be paid a reasonable compensation, to be taxed as costs.

When such securities are so deposited, certificates representing securities of the same class of the same issuer may be merged and held in bulk in the name of the nominee of such clearing corporation with any other such securities deposited in such clearing corporation by any person regardless of the ownership of such securities, and certificates of small denomination may be merged into one of more certificates of larger denomination. The records of such fiduciary and the records of such bank or trust company acting as custodian, as managing agent or as custodian for a fiduciary shall at all times show the name of the party for whose account the securities are so deposited. Title to such securities may be transferred by bookkeeping entry on the books of such clearing corporation without physical delivery or certificates representing such securities. A bank or trust company depositing securities pursuant to this section shall be subject to such rules and regulations with respect to the making and maintenance of such deposit as, in the case of a bank or trust company organized under the laws of this state, the commissioner of banking and securities and, in the case of national banking associations, the comptroller of the currency may from time to time issue. A fiduciary shall, on demand by any party to its accounting or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary in such clearing corporation for its account as such fiduciary.

(2) This section shall apply to any fiduciary holding securities in a fiduciary capacity, and to any bank or trust company holding securities as a custodian, managing agent or custodian for a fiduciary, acting on June 21, 1974, or who thereafter may act regardless of the date of the agreement, instrument or court order by which it is appointed and regardless of whether or not such fiduciary, custodian, managing agent or custodian for a fiduciary owns capital stock of such clearing corporation.

A duplicate copy of said application shall be mailed by the clerk to the commissioner of revenue of the state of Kentucky. The court shall thereupon appoint a time for hearing such application. Notice thereof shall be given to the minor if more than fourteen years of age; to the person having custody of the ward; to the husband or wife and each parent of the ward, or if none, to the next of kin residing in the state in the manner provided in KRS 395.016.

Section 102. KRS 392.130 is amended to read as follows:

The spouse of an infant spouse, or of a spouse judicially declared *mentally disabled* [~~incompetent~~], if the spouse not under disability is of the age of eighteen years, or if not, with the approval of the circuit court, on such terms as it may deem equitable, may unite with his guardian or *conservator* [~~committee~~], or with the commissioner of the court, in the conveyance of the real estate of the spouse under disability, so as to release the inchoate right of dower or curtesy of the spouse not under disability, when a sale and conveyance of the real estate are ordered to be made by the guardian or *conservator* [~~committee~~], or by the commissioner or other officer of the court. An infant spouse may also be permitted by the circuit court to unite with his adult spouse in the conveyance of the adult spouse's real estate without terms, or on such terms as may be deemed equitable, so as to release the inchoate right of dower or curtesy of the infant spouse. If, in judicial proceedings to sell the real estate of an infant spouse, or of a spouse judicially declared *mentally disabled* [~~incompetent~~], his spouse is made a party defendant, and by answer, and on privy examination in open court or by a judge of a court in which such proceedings are pending, or by a commissioner appointed by the court to take the case, the spouse not under disability consents to a sale of the property, free from the inchoate right of dower or curtesy of the spouse not under disability, either without terms or on terms designated by the spouse not under disability, the court may, if it deems the terms of such consent equitable, order the sale of such property, free from the inchoate right of dower or curtesy, upon the terms of consent proposed by that spouse.

Section 103. KRS 392.140 is amended to read as follows:

Whenever a married person has become a confirmed *mentally disabled* [~~incompetent~~] person, the circuit court of the county in which is situated land belonging to the spouse of such *disabled* [~~incompetent~~] person may, upon the petition of the spouse of the *mentally disabled* [~~incompetent~~] person, adjudge the sale and conveyance, or the mortgage, of the inchoate right of dower or curtesy of the person under disability. The *mentally disabled* [~~incompetent~~] person and his *guardian or conservator* [~~committee~~], if he has one, shall be made defendants to the action; if he has no *guardian or conservator* [~~committee~~], the court shall appoint an attorney to defend for him, to whom the court shall make a reasonable allowance to be paid by the spouse of the *mentally disabled* [~~incompetent~~] person. A description of the land shall be given in the petition and the evidence of title of the spouse of the *mentally disabled* [~~incompetent~~] person filed therewith. If the court is satisfied by the proof that the *mentally disabled* [~~incompetent~~] spouse is a confirmed *mentally disabled* [~~incompetent~~] person, it may adjudge the sale and conveyance, or mortgage, of her inchoate right of dower or his inchoate right to curtesy in said land, and if the *mentally disabled* [~~incompetent~~] spouse has a *guardian or conservator* [~~committee~~], the court may direct that he unite with the spouse of the *mentally disabled* [~~incompetent~~] person in the deed or mortgage; if the *mentally disabled* [~~incompetent~~] spouse has no *guardian or conservator* [~~committee~~], the court shall appoint a commissioner who shall unite with the spouse of the *mentally disabled* [~~incompetent~~] person in the deed or mortgage. Before any judgment pursuant to this section shall be rendered, the spouse of the *mentally disabled* [~~incompetent~~] person, with at least two good sureties, shall execute before the court a covenant to the commonwealth for the benefit of the *mentally disabled* [~~incompetent~~] spouse, to be approved by the court, that the *mentally disabled* [~~incompetent~~] spouse will be paid the value of his right of dower or curtesy in the land should such right thereafter become complete.

Section 106. KRS 395.016 is amended to read as follows:

When notice of hearing of an application for the appointment of an administrator, administrator with will annexed *or* [~~,~~] guardian[~~, or committee~~] is required hereunder, it shall be given by mailing written notice of the time, place and purpose of such hearing at least five (5) days before said hearing. Proof of such notice shall be by certified mail, return receipt requested or by registered mail receipt or by applicant's affidavit that the same was mailed to each of the parties entitled thereto in a sealed envelope, postage prepaid, and the date when posted, which proof shall be filed at the time of hearing. If all parties entitled to notice are under no disability and waive notice in writing, the court may hear such application as if notice had been given. A minor over fourteen years of age may waive notice if present in person at the time of hearing of application for appointment of his guardian; provided, however in any estate where the gross amount involved is less than one thousand dollars the court in its discretion may dispense with the requirements of this section relating to notice.

Section 107. KRS 395.130 is amended to read as follows:

(1) Every fiduciary, except as provided in KRS 287.220, shall provide surety on his bond unless, on the petition of any interested party, the court upon being satisfied that all interests are adequately protected excuses the requirement of a surety, or unless, by the terms of the will or trust, surety is not required. Subsequent to the qualification of a fiduciary and on motion of any interested party the court may reduce the amount of the bond, release the surety, or permit the substitution of another bond with the same or different sureties. If an executor does not give bond when required to do so, he shall not be permitted to qualify, and, if he has already qualified, he shall be removed.

(2) Whenever any personal representative, guardian, *conservator* [~~committee~~] or other trustee or fiduciary who is required by law to execute a bond for the faithful discharge of his duties or fulfillment of his trust, procures as surety on his bond an incorporated surety company authorized to do business in this state, the necessary and reasonable cost incident to the bond shall be a lawful charge against the estate in the hands of the fiduciary, as other expenses of administration, and in his settlement the fiduciary shall be entitled to credit by the amount actually paid by him for that purpose, subject to the approval of the court which has approved the bond.

Section 108. KRS 395.155 is amended to read as follows:

For the purpose of computing commissions whenever any portion of the dividends, interests, rents or other amounts payable to an executor, administrator, trustee, guardian, *conservator* [~~committee~~], curator or other personal representative or fiduciary is required by any law of the United States or other governmental unit to be withheld for income tax purposes by the person, corporation, organization or governmental unit paying the same, the amount so withheld shall be deemed to have been collected.

Section 109. KRS 395.325 is amended to read as follows:

(1) If any fiduciary resigns or is removed, he shall upon the appointment of his successor settle his accounts.

(2) If any fiduciary becomes *mentally disabled* [~~incompetent~~] or dies, the personal representative of his estate shall upon the appointment of a successor fiduciary for the *mentally disabled fiduciary* [~~incompetent~~] or decedent settle for his decedent the accounts of the first decedent.

(3) In appointing a successor trustee of a trust created by will, the court shall give preference to that person, or those persons, designated in the will as successor trustee. If there be no such designation or if the court finds the person or persons so designated are not best qualified to protect the interests of the beneficiaries, then the court shall give preference to the persons who apply for appointment, preferring the surviving husband or wife, and then such others as are next entitled to distribution or one or more of them whom the court deems best qualified.

Section 110. KRS 395.480 is amended to read as follows:

If any person beneficially interested in an estate is not sui juris, consent for that person to the written agreement provided by subsection (1) of KRS 395.470 may be given by his guardian, curator or *conservator* [~~committee~~]. In the case of a prisoner otherwise sui juris, consent may be given by him personally instead of by his curator if it is acknowledged before the superintendent or keeper of the prison and the superintendent or keeper certifies that, in his opinion, the prisoner gave his consent freely. If any person not sui juris is beneficially interested, a trustee appointed under subsection (2) of KRS 395.470 to collect claims and demands shall not act until he has given bond to account for the share of that person and the bond has been approved by the district court.

Section 111. KRS 395.600 is amended to read as follows:

The district court shall make settlements with personal representatives, trustees, assignees, *conservators* [~~committees~~], curators and guardians in his county.

Section 112. KRS 395.610 is amended to read as follows:

(1) Two (2) years after appointment and annually thereafter, unless otherwise provided by law, every fiduciary as defined in KRS 395.001, other than a testamentary trustee *or a guardian or conservator of a mentally disabled person*, must render an account of the execution of his trust to the court by which he was

appointed, including in such account an itemized statement of receipts and disbursements supported by vouchers accompanying the same and a statement of all investments on hand and changes in investments since the filing of his last account. Provided, however, that guardians [~~and committees~~], after their first accounting, shall render their accounts thereafter biennially, or at shorter intervals if the court shall require it. Such settlements, when approved and confirmed by the court, shall be recorded and indexed by the clerk, and the original and the vouchers carefully kept by him in his office. An account shall be rendered by the fiduciary at any other time upon order of the court upon its own motion or that of any person interested in the trust, for good cause shown on affidavit. At the expiration of his trust such fiduciary must fully account for and pay over the trust estate to the person or persons entitled thereto. Every such account shall list all unpaid creditors whose claims have been allowed and all creditors whose claims have been disallowed. No account of a fiduciary except of corporate fiduciaries under the supervision of state or federal banking authorities shall be approved until there are exhibited to the court, for its examination, the security or securities shown in said account as being in the hands of the fiduciary, or the certificate of a bank having possession thereof or in which they have been deposited for safekeeping, and a certified bank statement showing the funds to the credit of the trust.

(2) Testamentary trustees *and guardians and conservators of mentally disabled persons* shall not be required to render accountings to the court under the provisions of this section. However, trustees may be required to file accounts pursuant to judicial proceedings under KRS 386.675. *Guardians and conservators of mentally disabled persons shall comply with the reporting requirements of KRS Chapter 387.*

Section 113. KRS 402.020 is amended to read as follows:

Marriage is prohibited and void:

(4) When at the time of marriage, the person is under eighteen (18) years of age, if the marriage is without the consent of the father, mother, guardian, or other person lawfully having charge of his or her person, provided, however, that in case of pregnancy the male and female, or either of them, under the ages herein specified may apply to a district court judge for permission to marry, which application may be granted, in the discretion of the judge. There shall be a fee of five dollars ($5.00) for hearing each such application.

Section 114. KRS 402.990 is amended to read as follows:

(1) Any party to a marriage prohibited by KRS 402.010 shall be fined not less than five hundred dollars ($500) nor more than five thousand dollars ($5,000). (6) Any unauthorized person who solemnizes a marriage under pretense of having authority, and any person who falsely personates the father, mother or guardian of an applicant in obtaining a license shall be imprisoned in the penitentiary for not more than three (3) years.

(7) Any person who falsely and fraudulently represents or personates another, and in such assumed character marries that person, shall be imprisoned in the penitentiary for not less than one (1) nor more than five (5) years. Indictment under this subsection shall be found only upon complaint of the injured party and within two (2) years after the commission of the offense.

(3) It shall be the duty of the guardian ad litem to attend properly to the preparation of the case; and in an ordinary action he may cause as many witnesses to be subpoenaed as he may think proper, subject to the control of the court; and in an equitable action he may take depositions, not, however, exceeding three, without leave of the court.

(4) The court shall allow to the guardian ad litem a reasonable fee for his services, to be paid by the plaintiff and taxed in the costs. The affidavit of such guardian, or of another person, or other competent evidence, is admissible to prove the services rendered, but not to prove their value. The court must decide concerning such value, without reference to the opinions of parties or other witnesses.

Thereafter, such person, upon admission to any such facility, shall be subject to the rules and regulations of the veterans administration or other agency of the United States government. The chief officer of any such facility or institution to which such person is committed under the provisions of this section shall be vested with the same powers as are exercised by superintendents of state hospitals for mental diseases within this state with respect to the retention, transfer, parole or discharge of the person so committed. Notice of such pending commitment proceedings shall be furnished the person whose commitment is sought and his right to appear and defend shall not be denied. The judgment or order of commitment by a court of competent jurisdiction of another state committing a person to the veterans administration or other agency of the United States government, for care or treatment, shall have the same force and effect as to such person while in this state as in the state in which is situated the court entering such judgment or making such order.

(2) Upon receipt of a certificate of the veterans administration or such other agency of the United States government that facilities are available for the care or treatment of any person heretofore committed to any hospital for the *mentally ill* [~~insane~~] or other institution in this state for the care of persons similarly *disabled* [~~afflicted~~] and that such person is eligible for such care or treatment, the superintendent of any such hospital or institution in this state is hereby authorized to cause the transfer of any such person to the veterans administration or other agency of the United States government for care or treatment. Upon effecting any such transfer, the committing court shall be notified thereof by the transferring agency; provided, however, that no person shall be transferred if he be confined pursuant to conviction of any crime or misdemeanor, or if he shall have been acquitted of any such charge solely on the ground of insanity, unless prior to such transfer the court originally committing such person shall enter an order for such transfer after appropriate motion and hearing.

(3) Any person transferred as provided in this section shall be deemed to be committed to the veterans administration or other agency of the United States government pursuant to the original commitment the same as if he had been originally so committed.

(b) The district court may enter an order granting the fiduciary the power to sell or mortgage any real estate or any interest therein possessed by the ward, [~~incompetent,~~] decedent or trust.

(2) The motion shall include an adequate description of the property, a summary of the grounds for the motion, and a request that the bond of the fiduciary be increased in an adequate amount in accordance with KRS 395.130.

(3) Unless waived in writing, written notice of the hearing with a copy of the motion shall be given in a manner authorized by the rules of civil procedure to all persons in being who, but for the sale of the property, have a vested or contingent interest therein.

(1) In lieu of a sentence to a fine or imprisonment or both for a misdemeanor or a violation, a court, with the consent of the victim of the crime (or all victims of the crime, if there is more than one (1)) may sentence the person convicted of the crime to:

(a) Working for or on behalf of the victim of the crime for a time specified by the court, which shall be determined by the total amount of monetary damage caused by or incidental to the commission of the crime and applying thereto the number of hours necessary to satisfy that amount at the then prevailing federal minimum wage; or

(b) Payment of the amount of money damage caused by or incidental to the commission of the crime to the victim in specified installments or in a lump sum; or

(c) Working upon a public project for a public agency of the Commonwealth, the county, or a city for a period of time equal to that specified in paragraph (a) of this subsection; or

(d) Any combination of the above.

(2) Any work ordered pursuant to this section shall not be deemed employment for any purpose nor shall the person performing the work be deemed an employe for any purpose.

(3) Any sentence pursuant to this section shall specify in detail the type and nature of the work, the hours to be worked, moneys to be paid and the method of payment, and such other terms and conditions, including reporting to the court on the progress of work, as the court may deem necessary.

(4) Should a person sentenced pursuant to this section fail to perform any condition required of his sentence, the court shall order the person to a hearing at which he shall show cause why the alternative sentence imposed pursuant to this section should not be revoked and a normal sentence of fine or imprisonment, or both, be inflicted.

(5) A person sentenced pursuant to this section who cannot show good cause for his failure to comply with a sentence imposed pursuant to this section shall be sentenced to a fine or imprisonment, or both, as may be authorized by the statute he was convicted of violating. Probation or other form of conditional release shall not be permitted in such instances.

Committee Substitute to **HB 450** is as follows:

HB 450, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

[~~(d) Make reparation or restitution, in an amount to be determined by the court, to an aggrieved party for damage or loss caused by his offense;~~]

(d)[~~(e)~~] Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

(e)[~~(f)~~] Post a bond, without surety, conditioned on performance of any of the prescribed conditions;

(f)[~~(g)~~] Support his dependents and meet other family responsibilities;

(g)[~~(h)~~] Pay the cost of the proceeding as set by the court;

(h)[~~(i)~~] Remain within a specified area;

(i)[~~(j)~~] Report to the probation officer as directed;

(j)[~~(k)~~] Permit the probation officer to visit him at his home or elsewhere; and

(k)[~~(l)~~] Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment.

(3) *When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out of pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the department for human resources, the crime victim compensation board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two amounts shall be awarded. The court may order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may order the defendant to work for a public agency of the Commonwealth, a county, or a city for a period of time equal to that determined in the case of working for a victim. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employe for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:*

(a) Restitution by payment may be ordered in a lump sum or in specified payments;

(b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the monies as ordered by the court;

(c) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;

(e) The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the state treasury;

(f) When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation;

(g) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out of pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(5)[~~(4)~~] When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement pursuant to this provision shall not exceed six months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in custody under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment.

Any act of doing an insurance business in this state by any unauthorized person or insurer shall be signification of its agreement that any such legal process in such court action, suit, or proceeding and any such notice, order, pleading, or process in such administrative proceeding before the commissioner so served shall be of the same legal force and validity as personal service of process in this state upon such person or insurer.

(7) Service of process in such action shall be made by delivering to and leaving with the secretary of state or some person in apparent charge of his office two (2) copies thereof. Service upon the secretary of state as such attorney shall be service upon the principal.

(11) The attorney general upon request of the commissioner may proceed in the courts of this state or any other state or in any federal court or agency to enforce an order or decision in any court proceeding or in any administrative proceeding before the commissioner.

(12) Before any unauthorized person or insurer files or causes to be filed in any pleading in any court action, suit or proceeding or in any notice, order, pleading, or process in such administrative proceeding before the commissioner instituted against such person or insurer, by services made as provided in subsections (1) to (11), inclusive, of this section such person or insurer shall either:

(a) Deposit with the clerk of the court in which such action, suit, or proceeding is pending, or with the commissioner in administrative proceedings before the commissioner, cash or securities, or file with such clerk or commissioner a bond with good and sufficient sureties, to be approved by the clerk or commissioner in an amount to be fixed by the court or commissioner sufficient to secure the payment of any final judgment which may be rendered in such action or administrative proceeding.

(14) Nothing in subsection (12) of this section shall be construed to prevent an unauthorized person or foreign or alien insurer from filing a motion to quash a writ or to set aside service thereof made in the manner provided in subsections (1) to (11), inclusive, of this section on the ground that such unauthorized person or insurer has not done any of the acts enumerated in subsections (1) to (3), inclusive, of KRS 304.11-030.

(15) In an action against an authorized person or insurer upon a contract of insurance issued or delivered in this state to a resident thereof or to a corporation authorized to do business therein, if the person or insurer has failed for thirty (30) days after demand prior to the commencement of the action to make payment in accordance with the terms of the contract, and it appears to the court that such refusal was without reasonable cause, the court may allow to the plaintiff a reasonable attorney fee and include such fee in any judgment that may be rendered in such action. Failure of the person or insurer to defend any such action shall be deemed prima-facie evidence that its failure to make payment was without reasonable cause.

(16) Whenever the commissioner has reason to believe that insurance has been effectuated by or for any person in this state with an unauthorized insurer the commissioner shall in writing order such person to produce for examination all insurance contracts and other documents evidencing insurance with both authorized and unauthorized insurers and to disclose to the commissioner the amount of insurance, name and address of each insurer, gross amount of premium paid or to be paid and the name and address of the person or persons assisting or aiding in the solicitation, negotiation, or effectuation of such insurance.

(2) The commissioner shall on *or before* the first *day* [~~days~~] of March [~~and October~~] of each year forward to each county court clerk a list containing the names of all surety insurers, foreign and domestic, which are then authorized to transact business in the state.

If the applicant, within thirty (30) days after which such notice is given, notifies the commissioner in writing of his request for a hearing on such refusal, the commissioner shall, within a reasonable time after receipt of such notice, grant such hearing, and he may, in his discretion, re-instate such license.~~

Notwithstanding the filing of such application, the commissioner may, after reasonable notice of any such society, require that any or all agents of such society to be named as licensees in renewal licenses execute and file separate applications for the renewal of such licenses and he may also require that each such application be accompanied by the certificate specified in paragraph (b) of subsection (2) of KRS 304.29-360.

Copies of such appointment, certified by such commissioner, shall be deemed sufficient evidence thereof and shall be admitted in evidence with the same force and effect as the original thereof might be admitted.

(2) Service shall only be made upon the commissioner, or if absent, upon the person in charge of his office, it shall be made in duplicate and shall constitute sufficient service upon the society. When legal process against a society is served upon the commissioner, he shall forthwith forward one (1) of the duplicate copies by certified mail, return receipt requested directed to the secretary or corresponding officer. No such service shall require a society to file its answer, pleading or defense in less than thirty (30) days from the date of mailing the copy of the service to a society. (3) As a part of the annual statement herein required, each society shall, on or before the first day of March, file with the commissioner a valuation of its certificates in force on December 31 last preceding, provided the commissioner may, in his discretion for cause shown, extend the time for filing such valuation for not more than two (2) calendar months. Such report of valuation shall show, as reserve liabilities, the difference between the present midyear value of the promised benefits provided in the certificates of such society in force and the present midyear value of the future net premiums as the same are in practice actually collected, not including therein any value for the right to make extra assessments and not including any amount by which the present midyear value of future net premiums exceeds the present midyear value of promised benefits on individual certificates. At the option of any society, in lieu of the above, the valuation may show the net tabular value. Such net tabular value as to certificates issued prior to one (1) year after June 18, 1970, shall be determined in accordance with the provisions of law applicable prior to June 18, 1970, and as to certificates issued on or after one (1) year from June 18, 1970, shall not be less than the reserves determined according to the commissioner's reserve valuation method as hereinafter defined. If the premium charged is less than the tabular net premium according to the basis of valuation used, an additional reserve equal to the present value of the deficiency in such premiums shall be set up and maintained as a liability. The reserve liabilities shall be properly adjusted in the event that the midyear or tabular values are not appropriate.

Section 30. KRS 304.29-530 is amended to read as follows:

(b) Any false or misleading estimate or statement concerning the dividends or shares of surplus paid or to be paid by any society on any insurance contract; or

(c) Any incomplete comparison of an insurance contract of one society with an insurance contract of another society or insurer for the purpose of inducing the lapse, forfeiture or surrender of any insurance contract.

(2) A comparison of insurance contracts is incomplete if it does not compare in detail:

(a) The gross rates, and the gross rates less any dividend or other deduction allowed at the date of the comparison; and

(b) Any increase in cash values, and all the benefits provided by each contract for the possible duration thereof as determined by the life expectancy of the insured.

(3) A comparison of insurance contracts is incomplete if it omits from consideration:

(a) Any benefit or value provided in the contract;

(b) Any differences as to amount or period of rates; or

(c) Any differences in limitations or conditions or provisions which directly or indirectly affect the benefits.

(4) In any determination of the incompleteness or misleading character of any comparison or statement, it shall be presumed that the insured had no knowledge of any of the contents of the contract involved.

[~~(5) Any person who violates any provision of this section or knowingly receives any compensation or commission by or in consequence of such violation is guilty of a gross misdemeanor, and shall in addition be liable for a civil penalty in the amount of three (3) times the sum received by such violator as compensation or commission, which penalty may be recovered in a civil action by any person or society aggrieved by his or its own use and benefit.~~]

SECTION 31. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 29, IS CREATED TO READ AS FOLLOWS:

(2) Subtitle 99 — Penalties.

Section 32. KRS 304.30-030 is amended to read as follows:

The commissioner shall have authority, at any time, to require the applicant fully to disclose the identity of all stockholders, partners, officers, and employes and he may, in his discretion, refuse to issue or renew a license in the name of any firm, partnership, or corporation if he is not satisfied that any officer, employe, stockholder, or partner thereof who may materially influence the applicant's conduct meets the standards of this subtitle.

Section 33. KRS 304.30-050 is amended to read as follows:

(1) The commissioner may revoke or suspend the license of any premium finance company when and if, after investigation, it appears to the commissioner that:

(a) Any license issued to such company was obtained by fraud,

(b) There was any misrepresentation in the application for the license,

(c) The holder of such license has otherwise shown himself untrustworthy or incompetent to act as a premium finance company,

(d) Such company has violated any of the provisions of this chapter, or

(e) Such company has been rebating part of the service charge as allowed and permitted herein to any insurance agent or any employe of an insurance agent or to any other person as an inducement to the financing of any insurance policy with the premium finance company.

(2) Before the commissioner shall revoke, suspend, or refuse to renew the license of any premium finance company, he shall give to such person an opportunity to be fully heard and to introduce evidence in his behalf. In lieu of *or in addition to* revoking or suspending the license for any of the causes enumerated in the section, after hearing as herein provided, the commissioner may subject such company to a penalty *specified in subtitle 99 of this chapter* [~~of not more than $1,000 for each offense~~] when in his judgment he finds that the public interest would not be harmed by the continued operation of such company. The amount of any such penalty shall be paid by such company through the office of the commissioner to the state treasurer. At any hearing provided by this section, the commissioner shall have authority to administer oaths to witnesses.

(3) If the commissioner refuses to issue or renew any license or if any applicant or licensee is aggrieved by any action of the commissioner, said applicant or licensee shall have the right to a hearing and appeal to the Franklin Circuit Court, within thirty (30) days after any order, decision or finding by the commissioner.

Section 34. KRS 304.30-060 is amended to read as follows:

(1) Every licensee shall maintain records of its premium finance transactions and the said records shall be open to examination and investigation by the commissioner. (2) Every licensee shall preserve its records of such premium finance transactions, including cards used in a card system, for at least three (3) years after making the final entry in respect to any premium finance agreement. The preservation of records in photographic form shall constitute compliance with this requirement.

(1) On or after June 18, 1970 no corporation subject to the provisions of this subtitle shall deliver or issue for delivery in this state any subscription certificate or membership certificate describing health benefits available, or any indorsement, rider, or application which becomes a part thereof, *or* [~~until a copy of the form and~~] the schedule of rates, dues, fees, or other periodic charges, to be paid by subscribers or members, *until a copy of such form* has been filed with and approved by the commissioner.

(2) At the expiration of *thirty (30)* [~~fifteen (15)~~] days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner, *or a hearing has been scheduled by order of the commissioner. In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such hearing. Approval of any such form by the commissioner shall constitute a waiver of any unexpired portion of such waiting period. The commissioner may extend by not more than an additional thirty (30) day period within which he may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved.*

The commissioner may at any time withdraw any such approval. Any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at the expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe [~~The commissioner may withdraw approval at any time for cause~~].

(3) The commissioner's order disapproving any form or withdrawing previous approval shall state the grounds for disapproval or withdrawal.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper, any document or form specified in the order, to which in his opinion this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

Such calculation shall be computed on the basis of the average daily demand or savings and time deposits of such bank or trust company covering the biweekly period immediately preceding the day fixed herein for such computation.

(6) The commissioner may accept the reserves required of state banks pursuant to Title I of the Monetary Control Act of 1980 in lieu of reserves required under subsection (1) of this section.

Section 16. KRS 287.690 is amended to read as follows:

(1) If the commissioner has knowledge or reasonable cause to believe that any bank *or any director, officer, employe, agent, or other person participating in the conduct of the affairs of the bank* has engaged in violations of law, or charter, rule or regulation by the department, or in unsafe or unsound business practices, he may issue and serve upon *such bank, director, officer, employe, agent or other person* [~~the bank~~] a notice of charges containing a statement of facts with respect to alleged violations or practices, and not earlier than thirty (30) days nor later than sixty (60) days after service of such statement fix the time and place at which a hearing will be held to determine whether an order to cease and desist should issue against the bank*, director, officer, employe, agent or other person.*

(2) Unless the *party or parties so served* [~~bank~~] shall appear at the hearing *personally or* by a duly authorized representative, *they* [~~it~~] shall be deemed to have consented to the issuance of the cease and desist order.

(3) In the event of such consent, or if upon the record made at any such hearing the commissioner shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, he may issue and serve upon the bank, *director, officer, employe, agent or other person* an order to cease and desist from any such violation or practice and, further, to take affirmative action to correct the conditions resulting from any such violation or practice.

(4) If the commissioner shall determine that the violation or practice, as specified in the notice of charges pursuant to subsection (1) of this section, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the bank, or is likely to otherwise seriously prejudice the interests of its depositors, he may issue a temporary order requiring the bank, *director, officer, employe, agent or other person* to cease and desist from any such violation or practice.

(5) A cease and desist order or temporary cease and desist order shall become effective upon service upon the bank or at the expiration of not more than thirty (30) days after the date of service. Unless set aside, limited or suspended, as provided by subsection (6) of this section, a cease and desist order shall remain effective and enforceable pending completion of the administrative proceedings until the commissioner shall dismiss all specified charges, or, where a temporary cease and desist order has issued, until the effective date of a cease and desist order.

(6) Within ten (10) days after service of a temporary cease and desist order, the *party or parties served* [~~bank~~] may apply to the circuit court for the county in which the bank is located, or the Circuit Court of Franklin County, for an injunction setting aside, limiting, or suspending the enforcement, operation or effectiveness of such order pending completion of administrative proceedings, and such court shall have jurisdiction to issue an injunction.

(7) In the case of violation or threatened violation of, or failure to obey, a temporary cease and desist order issued pursuant to this section, the commissioner may apply to the circuit court for the county in which the bank is located, or the Circuit Court of Franklin County, for an injunction to enforce such order, and it shall be the duty of the court to issue such injunction.

(8) If the commissioner shall determine that any officer or director of a bank has committed any violation of law, rule or regulation or of a cease and desist order which has become final, or has engaged in or participated in any unsafe or unsound practice in connection with the bank, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as such officer or director, and the commissioner determines that the bank has suffered or will probably suffer substantial financial loss or other damages or that the interests of its depositors could be seriously prejudiced by reason of such violation or practice of breach of fiduciary duty or that the director or officer has received financial gain by reason of the violation or practice or breach of fiduciary duty, the commissioner may serve upon such director or officer a written notice of intention to remove him from office. The violation, practice or breach must be one involving personal dishonesty on the part of such director or officer, or one which demonstrates a willful or continuing disregard for the safety or soundness of the bank. The written notice shall serve to suspend the officer or director from office. Such suspension shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by subsection (10) of this section, shall remain in effect pending the completion of the administrative proceedings under subsection (9) of this section and until such time as the commissioner shall dismiss the charges specified in such notice or, if an order of removal is issued against the officer or director, the effective date of any such order.

(9) A notice of intention to remove an officer or director from office shall contain a statement of the facts constituting grounds therefore, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty (30) days nor later than sixty (60) days after the date of service of such notice; unless an earlier date is set by the commissioner at the request of such officer or director and for good cause shown. Unless such officer or director shall appear at the hearing in person or by duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal. In the event of such consent, or if upon the record made at any such hearing the commissioner shall find that any of the grounds specified in such notice have been established, the commissioner may issue such orders of suspension or removal from office as he deems appropriate.

(10) Within ten (10) days after an officer or director has been suspended from office, such officer or director may apply to the circuit court for the county in which the bank is located or the Circuit Court of Franklin County, for a stay of such suspension pending the completion of the administrative proceedings pursuant to the notice served upon such officer or director, and such court shall have jurisdiction to grant such stay.

(11) Any bank which violates or any officer, director, employe, agent, or other person participating in the conduct of the affairs of a bank who violates the terms of any order issued under this section which has become final shall forfeit and pay a civil penalty of not more than one thousand dollars ($1,000) per

day for each day such violation continues. The penalty shall be assessed and collected by the commissioner by written notice. As used in this subsection, the term "violates" includes any action causing, participating in, counseling, aiding or abetting a violation. In determining the amount of the penalty the commissioner shall consider the financial resources and good faith of the bank or person charged, the gravity of the violation, the history of previous violations and such other factors as justice requires.

(12) The bank or person assessed shall be afforded an opportunity for a hearing upon request made to the commissioner within ten (10) days after issuance of the assessment notice. Any such hearing shall be on the record and the commissioner's determination shall constitute a final order. If no hearing is requested within the ten (10) days, the notice of assessment shall constitute a final order.

(13) Any person aggrieved by a final order of the commissioner under subsections (9) or (12) of this section may obtain a review of the order by filing in the Franklin Circuit Court or the circuit court for the county in which the bank is located a petition of appeal within ten (10) days after the rendition of a final order. A copy of the petition shall be served upon the commissioner and thereupon the commissioner or his agent shall certify and file in court a copy of the record or other evidence upon which the order is entered. No objection to the order may be considered by the court unless it was urged before the commissioner or there were reasonable grounds for failure to do so. The findings of the commissioner as to the facts, if supported by substantial evidence, are conclusive.

(14) The commissioner may apply to the circuit court for the county in which the bank is located or the Circuit Court of Franklin County for an injunction to enforce any order issued under subsection (9) of this section or any assessment made under subsection (12) of this section, and it shall be the duty of the court to issue such injunction.

Section 17. KRS 287.990 is amended to read as follows:

(2) Any institution that fails to make the report required by KRS 287.420 to the commissioner within five (5) days after the report is due or demanded, or that fails to have the report published as required by KRS 287.420, shall pay a penalty of two hundred dollars ($200) to be sued for and collected by the commissioner in the name of the state.

(3) If any person violates subsection *(3)* [~~(4)~~] of KRS 287.440 his office shall ipso facto become vacant. The president or cashier of any bank or trust company to which any person becomes indebted in violation of subsection *(3)* [~~(4)~~] of KRS 287.440 shall immediately report such fact to the commissioner of banking and securities, who shall remove the person so offending.

(5) Any directors of a bank who knowingly violate, or knowingly permit any officer or employe of the bank to violate, any of the laws relating to banks, shall be jointly and severally liable to the creditors and stockholders for any loss or damage resulting from such violation. If the loss or damage is not made good within a reasonable time, the commissioner, with the consent of the attorney general, shall institute proceedings to revoke the corporate powers of the bank.

(6) Any deputy commissioner or any examiner who has knowledge of the insolvency or unsafe condition of a state bank or trust company, or that it is inexpedient to permit the bank or trust company to continue business, and who fails to immediately present a signed report of such facts to the commissioner, or who violates any of the provisions of this chapter, shall forfeit his office and shall be fined not less than one hundred ($100) nor more than two thousand dollars ($2,000) for each offense.

(7) Any commissioner who has knowledge of the insolvency or unsafe condition of a state bank or trust company, or that it is inexpedient to permit the bank or trust company to continue business, and who wilfully fails to take the action prescribed by this chapter, or who violates any of the provisions of this chapter, shall forfeit his office and shall be fined not less than five hundred ($500) nor more than five thousand dollars ($5,000) for each offense.

(8) Any bank or trust company that knowingly fails to make a report required by law or by the commissioner within the time designated for the making thereof, or fails to include in such report any matter required by law or by the commissioner, or fails to publish a report within thirty (30) days after it should have been published, or fails to pay when due the fees for filing reports or for an examination of the bank, shall be subject to a penalty of twenty-five dollars ($25.00) for each day of delinquency, but the aggregate penalty for each kind of offense shall not exceed two hundred and fifty dollars ($250).

(9) Each person, bank or trust company that wilfully makes or transmits a false report or refuses to submit its books, papers and assets for examination, or any officer of a bank who refuses to be examined under oath concerning the affairs of the bank, shall be severally fined not less than one hundred ($100) nor more than five hundred dollars ($500).

(10) Whenever any penalty imposed by subsections (4), (6), (7), (8), or (9) is not paid, the attorney general shall institute an action, in the name of the state, in the Franklin Circuit Court or the circuit court of the county in which the offense was committed, for the recovery of the penalty.

(11) Any person violating any of the provisions of KRS 287.225 shall be guilty of a misdemeanor and fined not less than fifty dollars ($50.00) nor more than two thousand dollars ($2,000).

(12) Any person who willfully makes charges in excess of those permitted by KRS 287.710 to 287.770 shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding five hundred dollars ($500.00) or by imprisonment for not more than six (6) months, or both.

(13) Any bank which violates any provision of KRS 287.710 to 287.770, except as a result of an accidental or bona fide error shall be barred from the recovery of any finance charges permitted by KRS 287.740 and 287.750, and the debtor, or his legal representatives, may recover back, in an action against the bank, any amounts paid to the bank on account of such finance charge; provided such action is commenced within two (2) years from the date such violation first occurred; but the bank may nevertheless recover from the debtor an amount equal to the principal of extensions of credit made pursuant to a revolving credit plan and any charges not prohibited by KRS 287.760.

(14) Notwithstanding the provisions of subsections (12) and (13) of this section, any failure, other than a willful and intentional failure, to comply with any provisions of KRS 287.710 to 287.770 may be corrected during the billing cycle next succeeding the receipt by the bank of written notice thereof from the debtor, and if so corrected, the bank shall not be subject to any penalty under KRS 287.710 to 287.770.

(1) Recognizing the necessity for grouping related functions of organizational units and administrative bodies in order to promote greater economy, efficiency and improved administration, the governor may propose to the general assembly, for its approval, changes in the state government organizational structure which may include the creation, alteration or abolition of any organizational unit or administrative body and the transfer of functions, personnel, funds, equipment, facilities and records from one (1) organizational unit or administrative body to another.

(2) Recognizing that changes in the state government organizational structure may need to be made as rapidly as possible to achieve greater economy, efficiency and improved administration as the needs of government dictate, the governor may temporarily effect a change in the state government organizational structure as described in subsection (1) of this section if such temporary reorganization plan is first approved by the interim joint legislative committee with appropriate jurisdiction. Unless required by federal law, the governor may not effect a temporary reorganization plan under this subsection that would contravene:

(a) A constitutional or statutory provision relating to any constitutional officer or to an organizational unit headed by a constitutional officer; or

(b) A constitutional or statutory provision relating to an administrative body or to an organizational unit headed by an administrative body; or

(4) When a proposed reorganization plan is submitted for approval under subsection (2) of this section the presiding co-chairman of the legislative research commission shall determine which interim joint legislative committee has appropriate jurisdiction and shall refer the plan to such committee within ten (10) days after the director of the legislative research commission receives the proposal. The co-chairman's action shall be reported to the legislative research commission at its next meeting. If, at the commission's next meeting, the commission disagrees with the co-chairman's determination as to which committee has appropriate jurisdiction, the commission may re-refer the proposed plan to a different interim joint legislative committee, provided that the interim joint legislative committee to which the plan was originally referred has taken no action on the plan. Prior to approving a temporary reorganization plan, the interim joint legislative committee to which it is referred shall review the plan to determine whether the plan can reasonably be expected to achieve greater economy, efficiency or improved administration in state government. The committee shall review and act upon the plan within sixty (60) days after it is filed with the legislative research commission. If the committee finds that increased economy or efficiency or improved administration can be expected from implementation of the plan, it shall approve the plan; otherwise, it shall disapprove the plan. The appointing authority shall, not later than thirty (30) days after receipt of the final order of the personnel board, comply with such final order. When any employe is dismissed and not ordered reinstated after such appeal, the personnel board in its discretion may direct that his name be placed on an appropriate re-employment list, for employment in any similar position other than the one from which he had been removed.

Section 15. KRS 18.280 is amended to read as follows:

Section 1. KRS 131.500 is amended to read as follows:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the department of revenue as provided by the laws of the Commonwealth and if such person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if such person has sought but exhausted all administrative and judicial review so that the assessment is final, due and owing, then the commissioner of revenue or *his delegate* [~~a person designated by him~~] may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for ten (10) days after the demand, then the commissioner or *his delegate* [~~a person designated by him~~] may *levy upon and sell all property and rights to property found within the Commonwealth belonging to such person or on which there is a lien provided by KRS 134.420, except such property as is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427,* [~~cause a warrant to be issued, directed to any sheriff or other person authorized to serve process, commanding the sheriff or other person to levy upon and sell the personalty and realty of the taxpayer found within this jurisdiction,~~] for the payment of the amount of the tax, penalty, interest and cost of the levy. [~~The warrant shall be returned to the department together with the money collected within the time specified within the warrant which shall not be less than thirty (30) nor more than ninety (90) days from the date of the warrant.~~]

(2) *As soon as practicable after seizure of property, notice in writing shall be given by the commissioner or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. Such notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.* [~~The sheriff or other person to whom the warrant is directed shall proceed in the same manner with the warrant as prescribed by law in respect to executions issued against property upon judgments by a court of record and shall be entitled to the same fees for his services in executing the warrant as he would be entitled to for collecting debts under an execution as provided by KRS 64.090.~~]

(3) *The commissioner or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. Such notice shall be published once each week for three (3) successive weeks. In addition, such notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.* [~~No proceedings under this section shall be commenced more than five (5) years after the assessment becomes final.~~]

(4) *If any property liable to levy is not divisible, so as to enable the commissioner or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest and cost of the levy, the whole of such property shall be sold.*

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the commissioner.

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the commissioner or his delegate

may offer such items for sale separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The commissioner or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of such payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the commissioner or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the circuit court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the commissioner, the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. In the event of such readvertisement and sale, any new purchaser shall receive such property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by such defaulting purchaser shall be forfeited.

(8) If the commissioner or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that such property cannot be kept without great expense, he shall appraise the value of such property and, if the owner of the property can be readily found, the commissioner or his delegate shall give him notice of such determination of the appraised value of the property. The property shall be returned to the owner if, within such time as may be specified in the notice, the owner pays to the commissioner or his delegate an amount equal to the appraised value, or gives bond in such form, with such sureties, and in such amount as the commissioner or his delegate determines to be appropriate in the circumstances. If the owner does not pay such amount or furnish such bond in accordance with this subsection, the commissioner or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than five (5) years after the assessment becomes final.

(10) The term "levy" as used in this section includes the power of distraint and seizure *by any means. Except as otherwise provided in KRS 131.510(2)(a),* a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the *commissioner or his delegate may* [~~department issues a warrant to a sheriff to~~] levy upon property or rights to property, *he may* [~~the department may cause the sheriff to~~] seize and sell such property or rights whether real, personal, tangible or intangible.

Section 2. KRS 131.520 is amended to read as follows:

(1) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made shall, upon demand of the *commissioner or his delegate* [~~sheriff~~], surrender such property or rights or discharge such obligation to the *commissioner or his delegate* [~~sheriff~~], except such part of the property or rights as is, at the time of such demand, subject to an attachment or execution under any judicial process.

(2) Any person who fails or refuses to surrender any property or rights to property subject to levy shall be liable in his own person and estate to the Commonwealth in a sum equal to the value of the property or rights not so surrendered, but not exceeding the amount of taxes for the collection of which such levy has been made, together with costs and interest on such sum at the rate of *twelve percent (12%)* [~~eight percent (8%)~~] per annum from the date of such levy. Any amount other than costs recovered under this paragraph shall be credited against the tax liability for the collection of which such levy was made.

(3) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made who, upon demand by the *commissioner or his delegate* [~~sheriff~~], surrenders such property or rights to property or discharges such obligation to the *commissioner or his delegate* [~~sheriff~~] shall be discharged from any obligation or liability to the delinquent taxpayer with respect to such property or rights to property arising from such surrender or payment.

Section 3. KRS 131.530 is amended to read as follows:

(1) Any person whose property has been levied upon shall have the right to pay the amount due, together with the expense of the proceeding, to the commissioner or his delegate at any time prior to the sale thereof and upon such payment the commissioner or his delegate shall cause such property to be restored to him and all further proceedings in connection with the levy on such property shall cease from the time of such payment.

(2) *The owner of any real property sold as provided in KRS 131.500(2), his heirs, executors, or administrators, or any person having an interest therein, or a lien thereon, or any person in his behalf, shall be permitted to redeem the real property sold or any particular tract of such property, at any time within one hundred twenty (120) days after the date of the sale. Such property or tract of property shall be permitted to be redeemed only upon payment to the purchaser, or in case he cannot be found in the county in*

which the property to be redeemed is situated, then to the commissioner or his delegate, for the use of the purchaser, his heirs, or assigns, the amount paid by such purchaser and interest thereon at the rate of twenty percent (20%) per annum from the date of sale [~~Any person whose property has been levied upon and sold shall have the same rights of redemption as provided in cases of executions in KRS Chapter 426.~~]

(3) In the case of property sold pursuant to KRS 131.500(2), the commissioner or his delegate shall give to the purchaser a certificate of sale upon payment in full of the purchase price. The certificate shall set forth a description of the property purchased, for whose taxes the property was sold, and the price paid therefor.

(4) In all cases where property is sold pursuant to KRS 131.500(2), except real property, the certificate of sale issued pursuant to subsection (3) of this section shall have the following effect:

(a) Shall be prima facie evidence of the rights of the commissioner or his delegate to make such sale, and of the regularity of the proceeding of the sale; and

(b) Shall transfer to the purchaser all right, title and interest of the taxpayer in and to the property sold; and

(c) If such property consists of stock, shall be notice, when received, to any corporation, company, or association of such transfer, and shall be authority to such corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any prior certificate, which shall be void, whether cancelled or not; and

(d) If the subject of sale is securities or other evidences of debt, shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of such securities or other evidences of debt; and

(e) If such property consists of a motor vehicle, shall be notice, when received by any public official charged with the registration of title to motor vehicles, of such transfer and shall be authority to such official to record the transfer on his books and records in the same manner as if title to such motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior title, which shall be void, whether cancelled or not.

(5) In the case of any real property sold pursuant to KRS 131.500(2) and not redeemed in the manner and within the time provided in subsection (2) of this section, the commissioner or his delegate shall execute in accordance with the laws of the Commonwealth, to the purchaser of such real property upon surrender of the certificate of sale, a deed to the real property so purchased by him, reciting the facts set forth in the certificate. The deed executed pursuant to this subsection shall have the following effect:

(a) Shall be prima facie evidence of the rights of the commissioner or his delegate to make such sale, and of the regularity of the proceedings of the sale; and

(b) If the proceedings of the commissioner or his delegate have been substantially in accordance with the provisions of KRS 131.500, such deed shall be considered and operate as a conveyance of all right, title and interest the taxpayer has in and to the real property thus sold at the time the lien of the Commonwealth attached thereto.

(6) A certificate of sale of personal property given or a deed to real property executed pursuant to this section shall discharge such property from all liens, encumbrances, and titles over which the lien of the Commonwealth, with respect to which the levy was made, had priority.

Section 4. KRS 131.540 is amended to read as follows:

(1) It shall be lawful for the commissioner or his delegate, under regulations prescribed by the commissioner, to release the levy upon all or part of the property or rights to property levied upon where the commissioner or his delegate determines that such action will facilitate the collection of the liability, but such release shall not operate to prevent any subsequent levy.

(2) If the commissioner determines that property has been wrongfully levied upon, it shall be lawful for the commissioner to return the specific property levied upon, or an amount of money equal to the amount of money levied upon, or any amount of money equal to the amount of money received by the Commonwealth from a sale of such property.

(3) Property may be returned at any time. An amount equal to the amount of money levied upon or received from such sale may be returned at any time before the expiration of four (4) years from the date of such levy.

[~~(4) If the property has been wrongfully levied upon by the department of revenue, the department shall pay a penalty to the owner. If the property has been returned to the owner under the provisions of KRS 131.530, such penalty shall be ten percent (10%) of the fair market value of the property levied upon except that it shall not exceed five thousand dollars ($5,000) nor be less than five hundred dollars ($500). If the property has been sold, the department shall pay a penalty of ten percent (10%) of the proceeds from such sale except that the penalty shall not exceed five thousand dollars ($5,000) nor be less than five hundred dollars ($500). In addition to the penalties levied above, the department shall pay interest at the rate of ten percent (10%) per annum upon the fair market value of the property or, if such property is sold, upon the~~

~~proceeds from such sale. Interest shall accrue from the date the property is wrongfully seized until the owner receives either the proceeds from such sale or the property is returned.~~]

SECTION 5. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) When the department of revenue reasonably believes that any taxpayer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any tax assessed or to be assessed by the department or declared by the taxpayer on a return filed with the department, any transferee of such property may be assessed by the department of revenue an amount equal to the lesser of the amount of tax assessed against the transferor taxpayer or the fair market value of the property so transferred. However, no assessment shall be made pursuant to this section against a transferee who takes the property for full and valuable consideration in money or money's worth, unless it appears that such transferee had notice of the intent of the transferor taxpayer to hinder or evade the collection of any tax.

(2) Any assessment made by the department of revenue against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the taxes for which the liabilities were incurred.

(3) The period of limitation for assessment of any liability against a transferee pursuant to subsection (1) of this section shall be as follows:

(a) In the case of an initial transferee, within one (1) year after the expiration of the period of limitation for assessment against the transferor taxpayer; and

(b) In the case of the liability of a transferee of a transferee, within one (1) year after the expiration of the period of limitation for assessment against the preceeding transferee, but not more than three (3) years after the expiration of the period of limitation for assessment against the initial transferor taxpayer.

(4) The notice of any assessment against a transferee made pursuant to subsection (1) of this section shall be either given to the transferee in person or sent by mail to such transferee's last known address.

Section 6. KRS 134.420 is amended to read as follows:

(1) The state and each county, city or other taxing district shall have a lien on the property assessed for taxes due them respectively for five (5) years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation or any means whatever except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering such taxes. The lien shall include all interest, penalties, fees, commissions, charges and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated.

(2) The state shall have a lien of equal rank with the lien provided in subsection (1) of this section on all property of a taxpayer who owes any property tax, license tax, inheritance or estate tax, excise tax, income tax, or other tax, when such taxes are not included in or covered by the lien provided in subsection (1) of this section. This lien shall *arise at the time any assessment becomes delinquent, and it shall continue until the amount of the original assessment and any subsequent assessments of liability for taxes, fees, penalties, interest or costs are fully paid. The lien shall attach to all interest in property, either real or personal, tangible or intangible, in this state then owned or subsequently acquired by the person against whom the assessment is made* [~~accrue at the time the liability becomes fixed~~]. The department of revenue may file notice of the lien and every city of the third, fourth, fifth and sixth class shall file notice of the delinquent tax liens with the county clerk of any county *or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property and such notice shall be recorded* [~~where the taxpayer has property, giving the name and address of the taxpayer and the amount of the lien. The clerk shall file the notice~~] in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens. *Such recordation shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the department of revenue shall disclose the specific amount of liability at a given date to any interested party legally entitled to such information. The lien of the Commonwealth of Kentucky for taxes shall be superior to all liens and security interests created under Kentucky law* [~~The notice, when filed, shall be constructive notice to all persons of the lien on the property having a legal situs in that county,~~] except that nothing in this subsection shall be construed to alter or change in any way the law relative to the rights and duties of a holder in due course as provided in KRS chapter 355, Art. 3, or affect the rights of any person taking the property or a lien thereon for value without actual or constructive notice. The clerk may charge a fee pursuant to KRS 64.012 for filing the notice of lien or releasing the lien. The fees for

filing or releasing the lien shall be paid by the taxing authority filing same and shall become a part of the lien as an added cost of the delinquent taxpayer to be paid by him as a part of the amount necessary to release the lien. The lien shall be released by the taxing authority that filed the notice of lien.

Section 7. KRS 514.010 is amended to read as follows:

The following definitions apply in this chapter unless the context otherwise requires:

(1) "Deprive" means:

(7) "Property of another" includes property in which any person other than the actor has an interest which the actor is not privileged to infringe, regardless of the fact that the actor also has an interest in the property and regardless of the fact that the other person might be precluded from civil recovery because the property was used in an unlawful transaction or was subject to forfeiture as contraband. Property in possession of the actor shall not be deemed property of another who has only a security interest therein, even if legal title is in the creditor pursuant to a conditional sales contract or other security arrangement.

(2) The term "deceive" does not, however, include falsity as to matters having no pecuniary significance or puffing by statements unlikely to deceive ordinary persons in the group addressed.

(3) Deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise.

(4) For purposes of subsection (1), an issuer of a check or similar sight order for the payment of money is presumed to know that the check or order, other than a postdated check or order, would not be paid, if:

(a) The issuer had no account with the drawee at the time the check or order was issued; or

(b) Payment was refused by the drawee for lack of funds, upon presentation within 30 days after issue, and the issuer failed to make good within 10 days after receiving notice of that refusal.

The retailer may, at his option, pay the tax due on any such cigarettes according to rules and regulations to be prescribed by the department, and proceed to sell the same after such payment.

(7) Cigarettes stamped with the cigarette tax evidence of another state shall at no time be commingled with cigarettes on which the Kentucky cigarette tax evidence has been affixed, but any licensed wholesaler, licensed sub-jobber or licensed vending machine operator may hold cigarettes stamped with the tax evidence of another state for any period of time, subsection (2) of this section notwithstanding.

Section 4. KRS 138.195 is amended to read as follows:

(1) No person other than a manufacturer shall acquire cigarettes in this state on which the Kentucky cigarette tax has not been paid, nor act as a resident wholesaler, nonresident wholesaler, vending machine operator, sub-jobber, transporter or unclassified acquirer of such cigarettes without first obtaining a license from the department as set out in this section.

(2) Each resident wholesaler shall secure a separate license for each place of business at which cigarette tax evidence is affixed or at which cigarettes on which the Kentucky cigarette tax has not been paid are received. Each nonresident wholesaler shall secure a separate license for each place of business at which evidence of Kentucky cigarette tax is affixed or from where Kentucky cigarette tax is reported and paid. Such a license or licenses shall be secured on or before July 1 of each year, and each licensee shall pay the sum of *five hundred dollars ($500)* [~~twenty-five dollars ($25.00)~~] for each such year or portion thereof for which such license is secured.

(3) Each sub-jobber shall secure a separate license for each place of business from which Kentucky tax-paid cigarettes are made available to retailers, whether such place of business is located within or without this state. Such license or licenses shall be secured on or before July 1 of each year, and each licensee shall

pay the sum of *five hundred dollars ($500)* [~~twenty-five dollars ($25.00)~~] for each such year or portion thereof for which such license is secured.

(4) Each vending machine operator shall secure a license for the privilege of dispensing Kentucky tax-paid cigarettes by vending machines. Such license shall be secured on or before July 1 of each year, and each licensee shall pay the sum of *twenty-five dollars ($25.00)* [~~five dollars ($5.00)~~] for each year or portion thereof for which such license is secured. No vending machine shall be operated within this commonwealth without having prominently affixed thereto the name of its operator, together with the license number assigned to such operator by the department. The department shall prescribe by regulation the manner in which the information shall be affixed to the vending machine.

(5) Each transporter shall secure a license for the privilege of transporting cigarettes within this state. Such license shall be secured on or before July 1 of each year, and each licensee shall pay the sum of *fifty dollars ($50.00)* [~~five dollars ($5.00)~~] for each such year or portion thereof for which such license is secured. No transporter shall transport any cigarettes without having in actual possession an invoice or bill of lading therefor, showing the name and address of the consignor and consignee, the date acquired by the transporter, the name and address of the transporter, the quantity of cigarettes being transported, together with the license number assigned to such transporter by the department.

(6) Each unclassified acquirer shall secure a license for the privilege of acquiring cigarettes on which the Kentucky cigarette tax has not been paid. Such license shall be secured on or before July 1 of each year, and each licensee shall pay the sum of *fifty dollars ($50.00)* [~~five dollars ($5.00)~~] for each such year or portion thereof for which such license is secured.

(7) Nothing in KRS 138.130 to 138.205 shall be construed to prevent the department from requiring a person to purchase more than one (1) license if the nature of such person's business is so diversified as to justify such requirement.

(8) The department may by regulation require any person licensed under the provisions of this section to supply such information concerning his business, sales or any privilege exercised, as is deemed reasonably necessary for the regulation of such licensees, and to protect the revenues of the state. Failure on the part of such licensee to comply with the provisions of KRS 138.130 to 138.205 or any regulations promulgated thereunder, or to permit an inspection of premises, machines or vehicles by an authorized agent of the department at any reasonable time shall be grounds for the revocation of any license issued by the department, after due notice and a hearing by the department. The commissioner of revenue may assign a time and place for such hearing and may appoint a conferee who shall conduct a hearing, receive evidence and hear arguments. Such conferee shall thereupon file a report with the commissioner together with a recommendation as to the revocation of such license. From any revocation made by the commissioner of revenue on such report, the licensee may prosecute an appeal to the Kentucky board of tax appeals as provided by law. Any person whose license has been revoked for the wilful violation of any provision of KRS 138.130 to 138.205 shall not be entitled to any license provided for in this section, or have any interest in any such license, either disclosed or undisclosed, either as an individual, partnership, corporation or otherwise, for a period of one (1) year after such revocation.

(9) No license issued pursuant to the provisions of this section shall be transferable or negotiable.

(10) Every manufacturer located or doing business in this state shall keep written records of all shipments of cigarettes to persons within this state, and shall submit reports of such shipments as the department may require by regulation.

(11) No person licensed under this section except nonresident wholesalers shall either sell to or purchase from any other such licensee untax-paid cigarettes.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent per one hundred dollars of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference in the total valuation of property subject to taxation by the county, city, school district or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and the total valuation of property subject to taxation by the county, city, school district or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided;

(i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least ten contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government, where such activities produced an average annual gross income including payments under a state or federal program according to the following scale:

Acres	Annual Gross Income+	Income Per Acre
10 to 30	$1,000+	$60.00 per acre, or a fraction thereof, over 10 acres.
30 to 60	$2,200+	$40.00 per acre, or a fraction thereof, over 30 acres.

100 to 250	$4,400+	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$5,900+	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
5 to 30	$1,000 minimum, or	$100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.
30 to 60	$3,000+	$50.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$4,500+	$25.00 per acre, or a fraction thereof, over 60 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there is evidence of anticipated annual gross income of these amounts. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

Section 6. KRS 132.190 is amended to read as follows:

(1) The property subject to taxation, unless exempted by the constitution, shall be as follows:

(a) All real and personal property within this state, including intangible personal property of nonresidents and corporations not organized under the laws of this state that has acquired a business situs within this state, except that twenty-five (25) domestic fowls to each family shall be exempt from taxation for any purpose.

(b) All intangible personal property of individuals residing in this state and of corporations organized under the laws of this state unless it has acquired a business situs without this state.

(2) The property enumerated in paragraph (b) of subsection (1) of this section shall be considered and estimated in fixing the valuation of corporate franchises.

(3) Property shall be assessed for taxation at its fair cash value, estimated at the price it would bring at a fair voluntary sale, *except the following: real property qualifying for an assessment moratorium shall not have its fair cash value assessment changed while under the assessment moratorium unless the assessment moratorium expires or is otherwise cancelled or revoked.*

(4) The situs of intangible personal property for purposes of taxation shall be at the residence of the real or beneficial owner, and not at the residence of the fiduciary or agent having custody or possession. Any intangible property owned by a resident shall be taxable in this state, unless by the date of assessment he has changed his place of abode to a place without this state with the bona fide intention of continuing actually to abide permanently without this state. The fact that a person again abides within this state within six (6) months from so changing his actual place of abode shall be prima facie evidence that he did not intend permanently to have his actual place of abode without this state. A person so changing his actual place of abode and not intending permanently to continue it without this state and not having listed his property for taxation as a resident of this state shall, for the purpose of having his property assessed for taxation within this state, be deemed to have resided, on the day when his property should have been so assessed, at his last actual or habitual place of abode within this state. The fact that a person does not claim or exercise the right to vote at public elections within this state shall not of itself constitute him a nonresident of this state.

(5) An administrator, executor, trustee, committee, curator, or agent residing in this state shall not be liable for taxes on intangible personal property held by him if the real or beneficial owner of the property resides outside of this state. This exemption shall not apply in the case of an executor or administrator in the exercise of his office as personal representative while the estate of a deceased person is in process of settlement and before the share of the nonresident legatee or beneficiary is set apart to him, or before the legatee or beneficiary is entitled to be paid his share.

(6) Nothing contained in this section shall affect the liability for franchise taxes payable by corporations organized under the laws of this state; nor the method of taxation of banks and trust companies provided

in KRS 136.270; nor the method of taxation of savings and loan associations provided in KRS 136.300; and nothing contained in this section shall alter or repeal KRS 136.030.

Section 7. KRS 132.190, Acts 1980, Chapter 396, Section 63, effective July 1, 1982, is amended to read as follows:

(1) The property subject to taxation, unless exempted by the constitution, shall be as follows:

(a) All real and personal property within this state, including intangible personal property of nonresidents and corporations not organized under the laws of this state that has acquired a business situs within this state, except that twenty-five (25) domestic fowls to each family shall be exempt from taxation for any purpose.

(3) "Real property" includes all lands within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent per one hundred dollars of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference in the total valuation of property subject to taxation by the county, city, school district or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and the total valuation of property subject to taxation by the county, city, school district or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

(a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction, however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one school district to another;

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided;

(i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least ten contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government, where such activities produced an average annual gross income including payments under a state or federal program according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
10 to 30	$1,000+	$60.00 per acre, or a fraction thereof, over 10 acres.

Acres	Annual Gross Income +	Income Per Acre
30 to 60	$2,200+	$40.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$3,400+	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$4,400+	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$5,900+	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
5 to 30	$1,000 minimum, or	$100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.
30 to 60	$3,000+	$50.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$4,500+	$25.00 per acre, or a fraction thereof, over 60 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there is evidence of anticipated annual gross income of these amounts. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;
(b) Degree of productivity of the soil;
(c) Risk of flooding;
(d) Improvements to and on the land that relate to the production of income;
(e) Row crop capability including allotted crops;
(f) Accessibility to all-weather roads and markets; and
(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

Section 6. KRS 132.190 is amended to read as follows:

(2) The property enumerated in paragraph (b) of subsection (1) of this section shall be considered and estimated in fixing the valuation of corporate franchises.

(3) Property shall be assessed for taxation at its fair cash value, estimated at the price it would bring at a fair voluntary sale, *except the following: real property qualifying for an assessment moratorium shall not have its fair cash value assessment changed while under the assessment moratorium unless the assessment moratorium expires or is otherwise cancelled or revoked.*

(4) The situs of intangible personal property for purposes of taxation shall be at the residence of the real or beneficial owner, and not at the residence of the fiduciary or agent having custody or possession. Any intangible property owned by a resident shall be taxable in this state, unless by the date of assessment he has changed his place of abode to a place without this state with the bona fide intention of continuing actually to abide permanently without this state. The fact that a person again abides within this state within six (6) months from so changing his actual place of abode shall be prima facie evidence that he did not intend permanently to have his actual place of abode without this state. A person so changing his actual place of abode and not intending permanently to continue it without this state and not having listed his property for taxation as a resident of this state shall, for the purpose of having his property assessed for taxation within this state, be deemed to have resided, on the day when his property should have been so assessed, at his last actual or habitual place of abode within this state. The fact that a person does not claim or exercise the right to vote at public elections within this state shall not of itself constitute him a nonresident of this state.

(5) An administrator, executor, trustee, committee, curator, or agent residing in this state shall not be liable for taxes on intangible personal property held by him if the real or beneficial owner of the property resides outside of this state. This exemption shall not apply in the case of an executor or administrator in the exercise of his office as personal representative while the estate of a deceased person is in process of settlement and before the share of the nonresident legatee or beneficiary is set apart to him, or before the legatee or beneficiary is entitled to be paid his share.

(6) Nothing contained in this section shall affect the liability for franchise taxes payable by corporations organized under the laws of this state; nor the method of taxation of banks and trust companies provided in KRS 136.270; nor the method of taxation of savings and loan associations provided in KRS 136.300; and nothing contained in this section shall alter or repeal KRS 136.030.

The commissioner shall be free to use any investigation of education and experience and any test of capacity, knowledge, manual skill, character, personal traits, or physical fitness which in his judgment serves the need to discover the relative fitness of applicants;

(4) For promotions which shall give appropriate consideration to the applicant's qualifications, record of performance, conduct and seniority. Vacancies shall be filled by promotion whenever practicable and in the best interest of the service;

(5) For the establishment of eligible lists for appointment, upon which lists shall be placed the names of successful candidates in the order of their relative excellence in the respective examinations. (7) For the appointment of a person whose score is included in the five (5) highest scores earned on the examination;

(8) For a period of probation not to exceed one (1) year before appointment or promotion may be made complete, and during which period a probationer may be discharged or reduced in class or rank, or replaced on the eligible list. (12) For reinstatement within not more than five (5) years, only with the approval of the commissioner, of persons who resign in good standing or who are laid off from their positions without fault or delinquency on their part;

(13) For developing, in cooperation with the appointing authorities, uniform standards and methods of appraising work performance of all employes and for the use of such methods of appraisal in personnel actions;

(14) For lay-offs by reasons of lack of funds or work, or abolishment of a position, or material change in duties or organization, and for reinstatement of employes so laid off. *Lay-offs* [~~, giving consideration in both lay-offs~~] and re-employment *shall be determined by seniority* [~~to qualifications, performance records, conduct and seniority in service~~];

If the [~~personnel~~] board finds that the action complained of was taken without just cause, the [~~personnel~~] board shall order the employe reinstated to his former position or a position of like status and pay, without loss of pay for the period of his penalization, or otherwise make the employe whole. In all other cases, if the [~~personnel~~] board finds that the action taken by the appointing authority was excessive or erroneous in view of all the surrounding circumstances, the [~~personnel~~] board shall alter, modify or rescind the disciplinary action. The appointing authority shall, not later than thirty (30) days after receipt of the final order of the [~~personnel~~] board, comply with such final order. (2) Any unclassified employe who is dismissed without cause shall not have the right of appeal as provided in this section.

(3) The board shall, within sixty (60) days after an appeal is filed, hear the appeal, and shall, within ninety (90) days after an appeal is filed, issue a final determination for the disposition thereof.

The petition shall state completely the grounds upon which the review is sought and shall specify the alleged errors in the board's conclusion and order. The appellant shall furnish a copy of the petition to the opposing party and the board. Summons shall be issued by the circuit court clerk upon the petition directing the adverse party or parties to file an answer within twenty (20) days after service of summons. Service on the board shall be had by serving the attorney general or any assistant attorney general. The secretary of the personnel board shall within thirty (30) days after service of the summons file an attested copy of the order with the circuit court clerk, and of all the steps taken by the board relative to the attested order. If either party requests a transcript of the evidence, the requesting party shall bear the cost of the original copy of the transcript and it shall be furnished within ninety (90) days.

(3) The board, the employe, and the appointing authority shall be necessary parties to such appeals. It shall not be necessary for the board to file responsive pleadings unless it so desires. If the appeal is from an order upholding the dismissal, demotion, suspension, or other penalization, the burden of appearing and defending the action of the board shall be upon the appointing authority. If the appeal is from an order refusing to uphold the dismissal, demotion, suspension, or other penalization, the burden of appearing and defending the action of the board shall be upon the employe.

(4) The case shall be set down by the court for as early a day as possible for a hearing, and shall in all respects be expedited.

(5) No new or additional evidence shall be introduced in the Franklin Circuit Court except as to fraud or misconduct affecting the outcome of the case, but the court shall otherwise hear the case upon the record as attested by the secretary of the personnel board, and shall in all respects dispose of the appeal in a summary manner. Its review shall be limited to determining whether or not:

(a) The board acted without or in excess of its power;
(b) The order appealed from was procured by fraud or misconduct;
(c) Substantial evidence supports the order appealed from;
(d) The board's decision is supported by the law.

(6) The court shall enter judgment affirming, modifying, or setting aside the order or, in its discretion, remanding the case to the board for proceedings in conformity with the directions of the court.

(7) Any party may appeal from the circuit court to the Court of Appeals in accordance with the Rules of Civil Procedure.

(b) Member and employer contributions paid into the system in which the employe participated after dismissal shall be transferred to the system in which he participated prior to his illegal dismissal. The commissioner shall be free to use any investigation of education and experience and any test of capacity, knowledge, manual skill, character, personal traits, or physical fitness which in his judgment serves the need to discover the relative fitness of applicants;

(4) For promotions which shall give appropriate consideration to the applicant's qualifications, record of performance, conduct and seniority. Vacancies shall be filled by promotion whenever practicable and in the best interest of the service;

(5) For the establishment of eligible lists for appointment, upon which lists shall be placed the names of successful candidates in the order of their relative excellence in the respective examinations. (7) For the appointment of a person whose score is included in the five (5) highest scores earned on the examination;

(8) For a period of probation not to exceed one (1) year before appointment or promotion may be made complete, and during which period a probationer may be discharged or reduced in class or rank, or replaced on the eligible list. (12) For reinstatement within not more than five (5) years, only with the approval of the commissioner, of persons who resign in good standing or who are laid off from their positions without fault or delinquency on their part;

(13) For developing, in cooperation with the appointing authorities, uniform standards and methods of appraising work performance of all employes and for the use of such methods of appraisal in personnel actions;

(14) For lay-offs by reasons of lack of funds or work, or abolishment of a position, or material change in duties or organization, and for reinstatement of employes so laid off. *Lay-offs* [~~, giving consideration in both lay-offs~~] and re-employment *shall be determined by seniority* [~~to qualifications, performance records, conduct and seniority in service~~];

(15) For imposition as disciplinary measures of a fine of not more than ten (10) working days' pay or for suspension from the service without pay for not longer than thirty (30) working days and for the manner of notification of the employe of the discipline and his right of appeal;

(16) For discharge or reduction in rank or grade only for cause, after the person to be discharged or reduced has been presented with the reasons for such discharge or reduction stated in writing, and has been allowed a reasonable time to reply thereto in writing, or, upon request, to appear personally with counsel and reply to the head of the department or his deputy. Pending appeal, a hearing on such request for stay shall be held within forty-eight (48) hours of the receipt of the request for a stay by the commission. In the event the commission is not able to hold a hearing within forty-eight (48) hours, the stay shall be automatically granted. It shall be the policy of the commission to grant stays, unless:

(3) If any license is denied, suspended or revoked the commission shall state publicly its reasons for the suspension or revocation and shall cause an entry of such reasons to be made on its record book. The action of the commission in denying, suspending or revoking any license issued under KRS 230.210 to 230.360 is final except that such action is subject to review by any court of competent jurisdiction. The Committee on Energy reported **HR 31** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HJR 31, A JOINT RESOLUTION directing that the major state correctional facilities convert to coal as such action can be supported by a study of economic feasibility, and specifically, that the Blackburn Correctional Complex continue to burn coal to produce space and process heat, and do so efficiently.

WHEREAS, the United States continues to face grave energy shortages, due primarily to excessive dependence on petroleum and natural gas; and

WHEREAS, Kentucky is the nation's leader in production of our most abundant and economical fossil fuel, coal; and

WHEREAS, despite the importance of coal, many state-owned facilities originally built to burn coal were converted to other fuels prior to drastic price increases for these fuels since 1972, including the Eddyville Penitentiary, which now uses electricity, and LaGrange Reformatory, which uses natural gas and oil; and

WHEREAS, the coal-fired boilers at the Blackburn Correctional Complex soon must be replaced or rebuilt, and proposals have been made to convert this facility to natural gas and oil as well; and

WHEREAS, it is imperative that the heating requirements of Kentucky's correctional institutions, and all state facilities, be produced as economically and efficiently as possible;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Department of Finance, in conjunction with the Departments of Corrections and Energy, shall study the economic feasibility of converting to coal to produce the space and process heat requirements of the LaGrange Reformatory, Eddyville Penitentiary, and Luther Luckett Facility. HR 43, A RESOLUTION urging members of the Congressional budget committees to reject any reorganization of the Railroad Retirement System provided for in the 1983 federal budget.

WHEREAS, the Railroad Retirement System was established by an Act of Congress in 1935 to provide retirement-survivor and unemployment-sickness benefit programs for the nation's railroad workers and their families; and

WHEREAS, the Railroad Retirement System has been financed jointly with contributions from rail carriers and rail labor for more than forty-five years; and

WHEREAS, The Railroad Retirement System has a present cash investment worth $3,600,000,000 and more than 1,100,000 annuitants, yet is administered with only 1% of the revenues; and

WHEREAS, the present organization, financial strength, and longevity of the Railroad Retirement System allows for the efficient distribution of both railroad program benefits and, since 1974, social security benefits, to eligible recipients; and

WHEREAS, the abolition of the Railroad Retirement System or its absorption into the Social Security Program could conceivably jeopardize the continued distribution of benefits;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Kentucky House of Representatives urges the Congressional budget committees to reject any proposal contained in the 1983 federal budget which would abolish or reorganize the Railroad Retirement System.

Section 2. That copies of this resolution be transmitted to the Kentucky Congressional delegation and the members of the Congressional budget committees.

(2) The bureau of highways shall, on a biennial basis, provide the general assembly with an estimate of maintaining and improving the state highway system to acceptable standards.

SECTION 2. A NEW SECTION OF KRS CHAPTER 176 IS CREATED TO READ AS FOLLOWS:

(1) Each biennium, beginning with the 1982-84 biennium, the bureau shall submit to the general assembly a program of construction to be commenced during the ensuing biennium, which shall be based upon the anticipated revenues to be appropriated by the general assembly.

(2) In determining the construction program, the following factors shall be considered but are not exclusive;

(a) Alignment of existing roads;

(b) The width or elevation of existing roadways and shoulder surfaces;

(c) The width of rights-of-way;

(d) The cost of construction;

(e) The type and volume of traffic;

(f) The condition of structures and drainage;

(g) The accident rate;

(h) The geographic distribution of roadways to be constructed or reconstructed; and

(i) The social, economic and environmental impact of the proposed construction.

(3) In addition to the biennial construction program, the bureau also shall provide to the general assembly a biennial program of preconstruction projects in various stages of planning and preparation and a four (4) year planning document for projects which are being reviewed by the bureau, but are not being included for funding during the biennium.

(4) The secretary of transportation shall be responsible for the execution of each biennial program as approved by the general assembly and shall promptly account for any deviations of funding and schedule to the interim joint committee on transportation. The bureau of highways shall be responsible to provide annual certification of project expenditures to the General Assembly prior to either the organizational or regular session.

SECTION 3. A NEW SECTION OF KRS CHAPTER 176 IS CREATED TO READ AS FOLLOWS:

(1) Six (6) months prior to the convening of each regular session of the general assembly, the bureau shall furnish the projected biennial construction and preconstruction program to the interim joint committee on transportation, which may hold public hearings in each highway district.

(2) A report based on the testimony received at said hearings shall be made to the bureau. The bureau shall then prepare the final construction program for the coming biennium for submission to the general assembly.

SECTION 4. A NEW SECTION OF KRS CHAPTER 176 IS CREATED TO READ AS FOLLOWS:

(1) The bureau shall create a secretary's emergency fund which shall be limited to four percent (4%) of the estimated revenue to be used for highway purposes for each fiscal year of the biennium.

(2) No construction or preconstruction project shall be undertaken by the bureau except those included for that biennium regardless of the source of funds for the project, with the exception of projects undertaken and financed out of the secretary's emergency fund and projects involving the use of matching funds made available from the federal highway administration to the Commonwealth as a result of other states not utilizing their total available federal obligation. In the event revenue estimates exceed the funds allotted for construction and preconstruction projects or actual project completion is less than the cost estimates contained within the initial program submitted by the department, the bureau shall develop an additional list of construction and preconstruction projects which shall be submitted to and reviewed by the interim joint committee on transportation, prior to the expenditure of any such funds.

(3) The secretary shall semi-annually submit to the interim joint committee on transportation a summary of all emergency projects for the preceding six-month period, outlining the nature and cost of the emergency.

(2) When the delaying factors for a project have been overcome, the delayed project shall be accomplished in the next biennium. Funds allocated for each project remain so allocated until the project is completed and project costs are liquidated.

(3) No provision of this Act shall apply to expenditures for:

HB 92, AN ACT relating to transportation of coal.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 177 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created a resource recovery road fund in the state treasury to be administered by the department of transportation. The resource recovery road fund may receive state appropriations, gifts, grants, and federal funds.

(2) Money in the resource recovery road fund shall be used only for the construction, reconstruction, repair and maintenance of public highways, roads, streets or bridges in coal producing counties or coal impacted counties.

SECTION 2. A NEW SECTION OF KRS CHAPTER 189 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provisions of law, the department of transportation may issue energy road hauling permits for the operation of motor vehicles in coal producing counties or coal impacted counties for the purpose of hauling coal in motor vehicles whose gross weight, including vehicle and load, exceeds the limits prescribed by KRS Chapter 189. If the applicant for a permit desires to use motor vehicles with less than five (5) axles, then the applicant shall demonstrate to the satisfaction of the department that the use of five (5) axle vehicles is impracticable. Such permit may be issued to any individual, partnership, joint venture, association or corporation engaged in severing or processing coal who is a taxpayer pursuant to KRS Chapter 143. The permit shall designate the portions of the state road system established pursuant to KRS 177.020, or county roads as defined in KRS 178.010, over which such vehicles may operate pursuant to the permit. Such permit shall only be issued for the state or county roads connecting the coal mine to the first point of transfer to a coal processing or handling facility, and the longest route from point of origin to point of destination shall not exceed thirty (30) miles for any such designation, unless the secretary of the department determines, in his discretion, that a permit be issued for a greater distance. Such permit shall be upon such terms and conditions as the department may, in its discretion, require in the public interest. The department shall require, as a condition to the issuance of a permit, that the permittee agree to pay to the department the sum of one-half (½) of one percent (1%) of the wholesale selling price of the coal so transferred by the permittee on the portions of the state or county roads designated in the permit as long as such payment is required pursuant to Section 4 of this Act. The permit shall remain in effect as long as the terms, conditions and agreements set forth in the permit are complied with by the permittee. The operation of any motor vehicle in accordance with the terms and conditions of any such permit shall not constitute a violation of the weight provisions of KRS Chapter 189, if the operator possesses a permit, or a copy of it, authenticated as required by the department.

(2) The department shall not issue a permit under this section to operate a vehicle over a county road unless an agreement for the issuance of permits pursuant to this Act shall have been entered into between the department and the fiscal court of the county in which the county road is located.

(3) The department shall not issue a permit under this section for a vehicle whose gross weight, including vehicle and load, exceeds eighty thousand (80,000) pounds.

(4) No person shall operate a motor vehicle in violation of the terms and conditions of any permit issued by the department pursuant to this section.

(5) Any operator to whom a permit is issued, found to be in violation of the terms of the permit by allowing coal to be transported which exceeds the permit application, shall have said permit revoked. Revocation shall not occur, unless the operator is convicted of two (2) or more violations of the permit within a thirty (30) day period.

(6) The department may:

(a) Exercise general supervision of the administering and enforcement of this section;

(b) Adopt rules and regulations with respect to the issuance of a permit, including, but not limited to, rules and regulations concerning the duration of a permit and weight limits for various types of vehicles and roads;

(c) Issue, continue in effect, modify or deny, under such conditions as the department may prescribe, permits provided for under this section.

Section 3. KRS 143.030 is amended to read as follows:

(1) Every individual, partnership, joint venture, association, or corporation engaged in severing [~~and/~~]or processing coal shall, prior to July 1, *1982* [~~1978~~], or prior to severing [~~and/~~]or processing coal in this Commonwealth, file an application for a certificate of registration in such form as the department may prescribe *and the application shall be accompanied by a copy of the transportation plan as required by KRS 350.060 or 351.175. The applicant may revise the transportation plan on a daily basis by notifying the department on forms to be provided by the department.* Every application shall be signed by the owner if a natural person; in the case of an association or partnership, by a member or partner; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application.

(2) On or before the twentieth day of the month following the reporting period in which any coal is severed [~~and/~~]or processed, the taxpayer severing [~~and/~~]or processing such coal shall file with the department a tax return in such form as the department may require and remit the amount of the tax due. *The tax return shall specify the energy road hauling permit number or numbers, if any, issued pursuant to this Act under which coal was transported over state or county roads and shall specify the amount of coal transported pursuant to the issuance of each permit and the permittee shall also remit to the department the amount of payment due pursuant to Section 2(1) of this Act. Remittance of the taxes collected for the purpose of expenditure on the resource recovery roads shall be accompanied by a statement from the permittee as to the ton-miles hauled on each road and the amount of the tax determined earmarked for each road.* A tax return is required for each reporting period even though there may be no tax liability.

(3) Whenever any taxpayer fails to comply with any provisions of this chapter, or any rule or regulation of the department relating thereto, the department may order the suspension or revocation of the certificate of registration held by such taxpayer.

(4) Any taxpayer, including any officer of a corporation, who conducts a coal severing [~~and/~~]or processing operation in this state without obtaining a certificate of registration or after a certificate of registration has been suspended or revoked, shall be guilty of a misdemeanor and upon conviction therefor, shall be fined an amount not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned for a period not to exceed six (6) months or both such fine and imprisonment.

SECTION 4. A NEW SECTION OF KRS CHAPTER 177 IS CREATED TO READ AS FOLLOWS:

(1) All monies paid to the department pursuant to the issuance of permits under the provisions of Section 2 of this Act shall be transmitted to the state treasury and be maintained in a resource recovery road fund to be administered by the department.

(2) All surplus funds in the resource recovery road fund shall be invested as provided for in KRS 41.380 and interest earned shall be credited to the resource recovery road fund to be administered by the department as set forth in this section.

(3) The department shall maintain a separate account for each permit issued pursuant to Section 2 of this Act in order to construct, reconstruct, repair and maintain state or county roads designated in the permit. Money expended from any account shall only be utilized to supplement and not in substitution of other funds available for the purpose of constructing, reconstructing, repairing, or maintaining roads designated in the permit. Money expended from any account shall be utilized primarily for the purpose of drainage correction, establishing a road base and road surfacing. The department after consultation with the permittee, shall develop a program for the maintenance and improvement of the roads designated in the permit. The program developed shall take into account the volumes of coal to be transported, the length of time the permit is expected to remain in effect and needs of the traveling public. The ultimate purpose of this program shall be to produce a paved road that will meet the needs of the traveling public and will withstand the loads to which the road is subjected and to improve the least serviceable portion of the road.

(4) Each separate account maintained pursuant to subsection (3) of this section shall be credited with the monies paid into the resource recovery road fund pursuant to subsection (1) of this section.

(5) Any money in any account shall be utilized by the department of transportation for the purpose of constructing, reconstructing, repairing, or maintaining the roads for which the permit is issued.

(6) In the event the roads designated on the permit are county roads, any money collected pursuant to the permit shall be returned to the fiscal court of the county. The fiscal court shall utilize the funds for the purpose of constructing, reconstructing, repairing or maintaining the roads for which the permit is issued.

(7) Any fiscal court determined by the department to be expending resource recovery road funds in a manner not prescribed by subsection (6) of this section shall have the funds retained by the department to be expended on county roads in accordance with the provisions of subsection (6) of this section.

(8) Any expenditure of money from two (2) or more accounts for the construction, reconstruction, repair or maintenance of the same portion of a road designated in the permits shall be apportioned to each permit account according to the balance in each account as of the date of authorization.

(9) Each account provided for in this section shall be maintained by this department as long as a permit issued pursuant to Section 2 of this Act remains in effect and also until all funds in the account have been expended.

(10) An exemption of further payment may be granted to the permit holder upon the determination of the department that funds collected under the provisions of Section 2(1) are sufficient for the maintenance of the roads designated by the permit for the duration of the time period provided by the permit. In order for the exemption from further payment to be granted, it shall be determined by the department that the roads designated in the permit are paved roads that will withstand the loads to which the roads are subjected.

(11) The department upon the granting of an exemption shall inspect the road receiving said exemption every sixty (60) days when coal is being transported. The department may be required to inspect an exempted road at the request of an affected party, but shall not be required to make an inspection more than every thirty (30) days.

(12) After the exemption from further payment is granted, should a resource recovery road fund account become depleted or it is determined that further maintenance will be required as a result of transportation demand, the department shall reinstitute the requirement for pay as prescribed in Section 2(1) of this Act.

Section 5. KRS 189.230 is amended to read as follows:

(1) The bureau, in respect to state and federal highways, and county judges/executive in respect to county highways, may prescribe, by notice as provided in subsection (2) of this section, load and speed limits lower than the limits prescribed in KRS 189.221 and subsection (3) of KRS 189.390, respectively, whenever in its judgment any highway may, by reason of its design, deterioration, rain or other natural causes, be damaged or destroyed by motor trucks or semitrailer trucks, if their gross weight or speed exceeds certain limits*; provided, however, that the bureau shall have exclusive authority to control said limits on the portions of county roads over which permits have been issued to operate overweight motor vehicles under Section 2 of this Act*. The bureau or county judges/executive may, by like notice, regulate or prohibit the operation of motor trucks or semitrailer trucks on state highways or county roads for limited periods of specified days, or parts of days, if their load and speed exceed those limits, whenever, in its or their judgment, such regulations or prohibition is necessary, by reason of traffic density or intensive use by the traveling public, to provide for the public safety and convenience on the highway*; provided, however, that the bureau shall have exclusive authority to regulate or prohibit such operation on portions of county roads over which permits have been issued to operate overweight motor vehicles under Section 2 of this Act*.

(2) The notice or the substance of it shall be posted at conspicuous places at the termini of and at all intermediate crossroads and road junctions with the section of the highway to which the notice applies. After such a notice has been posted, no person shall operate any motor truck or semitrailer truck contrary to its provisions.

Section 6. KRS 177.990 is amended to read as follows:

(1) Any person who violates any of the provisions of KRS 177.220 to 177.310 shall be guilty of a misdemeanor and upon arrest and conviction therefor, shall be punished by a fine of not less than five dollars ($5.00) nor more than one hundred dollars ($100) or by imprisonment in the city or county jail for not less than five (5) days nor more than ninety (90) days, or by both such fine and imprisonment.

(2) Any person who wilfully violates any of the provisions of KRS 177.830 to 177.890 shall, in addition to any other penalty herein provided, be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500).

(3) In addition to any other penalty provided by KRS 177.905 to 177.950, any person violating any order or provision of KRS 177.905 to 177.950 shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than one hundred dollars ($100) and not more than one thousand dollars ($1,000). Each day of violation of the provisions of KRS 177.905 to 177.950 shall constitute a separate offense.

(4) A person is guilty of a class A misdemeanor who operates or causes to be operated any motor vehicle in violation of the terms and conditions of any permit issued by the department pursuant to Section 2 of this Act for which another penalty is not specifically provided.

810 KAR 1:018. Medication; testing procedures.

RELATES TO: KRS 230.210 to 230.360
PURSUANT TO: KRS 13.082

NECESSITY AND FUNCTION: TO regulate conditions under which thoroughbred racing shall be conducted in Kentucky. The function of this regulation relates to the use of medication on the horses and requirements and controls thereof.

Section 1. It shall be the intent of these rules to protect the integrity of horse racing, to guard the health of the horse, and to safeguard the interests of the public and the racing participants through the prohibition of control of all drugs and medications or substances foreign to the horse.

(1) No horse participating in a race shall carry in its body any quantity of drugs.

(2) No drug shall be administered by injection, oral administration, rectal infusion or suppository, or by inhalation to a horse entered to race within 24 hours prior to the scheduled post time for the race in which the horse is entered.

(3) No person other than a veterinarian shall have in his/her possession any equipment for hypodermic administration, any substance for hypodermic administration, or any drug, which can be administered internally to a horse, by any route, except for an existing condition and as prescribed by a veterinarian.

(4) Notwithstanding the provisions of Subsection (3) of this section any person may have in his possession within a race track enclosure any chemical or biological substance for use on his own person, provided that, if such chemical substance is prohibited from being dispensed by any Federal law or law of Kentucky without a prescription, he is in possession of documentary evidence that a valid prescription for such chemical or biological substance has been issued to him.

(5) Notwithstanding the provisions of Subsection (3) of this section, any person may have in his possession within any race track enclosure any hypodermic syringe or needle for the purpose of administering a chemical or biological substance to himself, provided that he has notified the state steward;

(a) Of his possession of such device;

(b) Of the dize of such device;

(c) Of the chemical substance to be administered by such device; and

(d) Has obtained written permission for possession and use from the state steward.

Section 2. The terms and words used in these rules are defined as:

The licensed trainer of a horse found to have administered a drug in violation of these rules shall bear the burden of proof showing freedom from negligence in the exercise of a high degree of care in safeguarding such horse from tampering; and, failing to prove such freedom from negligence (or reliance on the professional ability of a licensed veterinarian) shall be subject to disciplinary action.

[Section 1. Use of medication. Full use of modern therapeutic measures and medication calculated to improve or protect the health of a horse may be administered to a horse in training, under the direction of a licensed veterinarian. In the interest of protecting the racing public, health of the horse, safety of the participants in a race, nurturing formful racing, and improvement of the breed of thoroughbreds:

(1) No horse while participating in a race shall carry in its body any medication, or drug, or substance, or metabolic derivative thereof, which is a narcotic, or which could serve as a local anesthetic, or tranquilizer, or which could stimulate or depress the circulatory respiratory, or central nervous system of a horse, thereby effecting its speed.

(2) Also prohibited are any drugs which might mask or screen the presence of the aforementioned prohibited drugs, or prevent or delay testing procedures.

(3) Proof of detection by the commission chemist of a medication or drug, or substance, or metabolic derivative thereof, prohibited by subsection (1) of this section, in a saliva, urine, or blood specimen duly taken under the supervision of the commission veterinarian from a horse promptly after running in a race, shall be prima facie evidence that such horse was administered and carried such prohibited medication, drug, or substance, in its body while running in such race in violation of this rule.

Section 2. When administration prohibited. No person other than a licensed veterinarian shall administer, or cause to be administered, or participate, or attempt to participate, in any way in the administration to a horse registered for racing of any medication, drug or substance on the day of a race for which such horse is entered and prior to such race.

Section 3. Responsibility for prohibited administration. (1) Any person found to have administered a medication, drug, or substance which caused or could have caused a violation of Section 1 or 2 of this regulation, or caused, or participated, or attempted to participate in any way in such administration, shall be subject to disciplinary action.

(2) The licensed trainer of a horse found to have been administered a medication, drug, or substance in violation of Sections 1 or 2 of this regulation shall bear the burden of proof showing freedom from negligence in the exercise of a high degree of care in safeguarding such horse from tampering; and failing to prove such freedom from negligence (or reliance) on the professional ability of a licensed veterinarian shall be subject to disciplinary action.

(3) The assistant trainer, groom, stable, watchman, or any other person having the immediate care and custody of a horse found to have been administered a medication, drug, or substance in violation of Sections 1 or 2 of this regulation, if found negligent in guarding or protecting such horse from tampering shall be subject to disciplinary action.]

Section 4. Record of administrations. Daily reports of any treatment of any horse registered for racing with any medication, drug or substance shall be submitted by the licensed veterinarian administering or prescribing such treatment to the commission veterinarian. Detection of any unreported medication, drug, or substance by the commission chemist in a pre-race or post-race test may be grounds for disciplinary action:

(1) Such daily reports shall accurately reflect the identity of the horse treated, [diagnosis,] time of treatment, type and dosage of medication, drug, or substance, and method of administration.

(2) Such daily reports shall remain confidential except that the commission veterinarian may compile general data therefrom to assist the commission in formulating policies or rules, and the stewards may review same in investigating a possible violation of these rules.

Section 5. Commission veterinarian list. As a guide to owners, trainers, and veterinarians, the commission veterinarian may from time to time publish a list of medications, shown by brand and generic names, specifically prohibited for racing. Such list shall not be considered exclusive and medications shown thereon shall be considered only as among those, along with others not so listed, prohibited by general classification under Section 1 of this regulation.

Section 6. Detention area. Each licensed association shall provide and maintain on association grounds a fenced enclosure sufficient in size and facilities to accommodate stabling of horses temporarily detained for the taking of sample specimens for chemical testing, and such detention area shall be under the supervision and control of the commission veterinarian.

Section 7. Horses to be tested. The stewards may at any time order the taking of a blood, urine, or *other* [saliva] specimen from any horse entered to be tested. Any owner or trainer may at any time request that a specimen be taken from a horse he owns or trains by the commission veterinarian and tested by the commission chemist, provided the costs of such testing are borne by the owner or trainer requesting such test. In the absence of any such order or request, the commission veterinarian shall take specimens from, and the commission chemist shall test, [same] all horses which: finish first in any race; finish first or second in any quinella or exacta race; finish first or second or third in any stakes; and any horse whose performance in a race in the opinion of the stewards, may have been altered by a prohibited substance.

Section 8. Procedure for taking specimens. (1) All horses from which specimens are to be drawn are to be taken to the detention area at the prescribed time and remain there until released by the commission veterinarian. No person other than the owner, trainer, groom, or hotwalker, of a horse to be tested, and no lead pony, shall be admitted to the detention area without permission of the commission veterinarian.

(2) Stable equipment other than necessary for washing and cooling out a horse are prohibited in the detention area; buckets and water will be furnished by the commission veterinarian. If a body brace is to be used, it shall be supplied by the responsible trainer and administered only with the permission and in the presence of the commission veterinarian. A licensed veterinarian may attend a horse in the detention area only in the presence of the commission veterinarian.

(3) During the taking of specimens from a horse, the owner, or responsible trainer (who, in the case of a claimed horse shall be the persons in whose names such horse raced), or a stable representative designated by such owner or trainer, shall be present and witness the taking of such specimen and so signify in writing.

(4) All containers previously used for specimens shall be thoroughly cleaned in the commission chemist laboratory and shall be sealed with the laboratory stamp which shall not be broken except in the presence of the witness as provided by subsection (3) of this section. [Only distilled water, with or without acetic acid, shall be used to moisten gauze used in collection of saliva.] Instruments and utensils used in the taking of samples shall be sterilized after each use.

(5) Samples taken from a horse by the commission veterinarian or his assistant shall be placed in a container and sealed together with a double identification tag. One portion of such tag bearing a printed identification number, shall remain with the sealed container; the other portion of such tag bearing the same

printed identification number shall be detached in the presence of the witness as provided by subsection (3) of this section, the commission veterinarian shall thereon identify the horse from which such specimen was taken, as well as the race and day, verified by such witness, and such detached portions of identification tags shall be placed in a sealed envelope by the commission veterinarian for delivery only to the stewards. The commission veterinarian shall take every precaution to ensure that the commission chemist and no member of the laboratory staff shall know the identify of the horse from which a specimen was taken prior to the completion of all testing thereon.

(a) If after a horse remains a reasonable time in the detention area and a specimen may not be taken from such horse, the commission veterinarian may permit such horse to be returned to its barn and usual surroundings for the taking of a specimen under the supervision of the commission veterinarian.

[(b) With the consent of the trainer or attendant the commission veterinarian may administer to the horse a diuretic to facilitate urination. Quantity, identity and time of administration shall be noted on both portions of the specimen identification tag by the commission veterinarian.]

(b) [(c)] The commission veterinarian shall be responsible for safeguarding all specimens while in his possession and shall cause such specimens to be delivered only to the commission chemist as soon as possible after sealing, but in such order or in such manner as not to reveal the identity of any horse from which each sample was taken.

Section 9. Procedure for testing. (1) The commission chemist shall be responsible for safeguarding and testing each specimen delivered to his laboratory by the commission veterinarian. Each specimen shall be divided into portions so that one (1) portion shall be used for initial testing for unknown substances, and another portion used for conformation tests. If a sufficient quantity of the specimen is available, a third portion shall be preserved for further testing as the commission may direct.

(2) The commission chemist shall conduct individual tests on each specimen capable of screening same for prohibited substances, and such other tests as to detect and identify any suspected prohibited substance or metabolic derivative thereof with specificity. Pooling of specimens shall be permitted only with the knowledge and approval of the commission veterinarian.

(3) Upon the finding of a test negative for prohibited substances, the remaining portions of such specimen may be discarded. Upon the finding of tests suspicious or positive for prohibited substances, such tests shall be reconfirmed, and the remaining portion, if available, of such specimen preserved and protected until such time as the stewards rule it may be discarded.

(4) The commission chemist shall submit to the state steward a written report as to each specimen tested, indicating there on by specimen tag identification number, whether such a specimen was tested negative or positive for prohibited substances. [Such report shall be submitted within twenty four (24) hours after the conclusion of the last race of the preceding day, dark days excluded.] The commission chemist shall report test findings to no person other than the state steward or his designated representative.

(a) In the event the commission chemist should find a specimen suspicious for a prohibited medication, he may request additional time for test analysis and confirmation.

(b) The racing association shall not make distribution of any purses until given clearance of chemical tests by the stewards.

(5) The commission chemist will make a further report to the state steward on any substance his tests showed, which are not normal in a horse. These reports shall be confidential and are not evidence for disciplinary action. They can be used as a warning to the trainer or veterinarian, by the stewards, by the commission veterinarian to improve his surveillance and by the Equine Research Program at the University of Kentucky. The residue of specimen material from such test will be preserved by the commission chemist until released by the racing commission.

(6) In reporting to the stewards a finding of a test positive for a prohibited substance, the commission chemist shall present documentary or demonstrative evidence acceptable in the scientific community and admissible in court in suppport of such professional opinion as to such positive finding.

The Committee on Business Organizations and Professions reported Proposed Regulation 810 KAR 1:009 with the expression of opinion that the same should be disapproved.

Proposed Regulation 810 KAR 1:009 is as follows:

CABINET FOR PUBLIC PROTECTION AND REGULATION
Kentucky State Racing Commission

810 KAR 1:009. Jockeys and apprentices.

RELATES TO: KRS 230.210 to 230.360
PURSUANT TO: KRS 13.082

NECESSITY AND FUNCTION: To regulate conditions under which thoroughbred racing shall be conducted in Kentucky. The function of this regulation is to outline the requirements for jockeys and apprentice jockeys.

Section 1. Probationary mounts. Any person desiring to participate in this state as a rider and who never previously has ridden in a race may be permitted to ride in *three (3)* [two (2)] races before applying for a license as a jockey or apprentice jockey; provided, however:

(1) Such person is a licensee with at least one (1) year of service with a racing stable;

(2) A licensed trainer certifies in writing to the stewards that such person has demonstrated sufficient horsemanship to be permitted such probationary mounts;

(3) The starter has schooled such person breaking from the starting gate with other horses and approves such person as capable of starting a horse properly from the starting gate in a race;

(4) The stewards in their sole discretion are satisfied such person intends to become a licensed jockey, possesses the physical ability and has demonstrated sufficient horsemanship to ride in a race without jeopardizing the safety of horses or other riders in such race. No such person shall be permitted to ride in any such probationary race without prior approval of the stewards.

Section 2. Qualifications for license. In addition to rules applicable to licensees under 810 KAR 1.003, a holder of a license as a jockey or apprentice jockey;

(1) Must be an individual person sixteen (16) years of age or older and licensed under his legal name which shall be listed in the daily race program;

(2) Must have served at least one (1) year with a racing stable;

(3) Must have ridden in at least *three (3)* [two (2)] races;

(4) Must, when required by the stewards, provide a medical affidavit certifying such person is physically and mentally capable of performing the activities and duties of a licensed jockey.

Section 3. Amateur or provisional jockey. An amateur wishing to ride in races on even terms with professional riders, but without accepting fees or gratuities therefor, must be approved by the stewards as to competency of horsemanship, must be granted a jockey's license, and such amateur status must be duly noted on the daily race program. A licensed owner or licensed trainer, upon approval by the stewards may be issued a provisional jockey's license to ride his own horse or horse registered in his care as trainer.

Section 4. Apprentice allowance. Any person sixteen (16) years of age or older, who never previously has been licensed as a jockey in any country, and who is qualified under Section 2, may claim in all purse races except handicaps the following weight allowances:

(1) Ten (10) pounds until he has ridden five (5) winners, and seven (7) pounds until he has ridden an additional thirty (30) winners; if he has ridden *a total of forty (40)* [thirty-five (35)] winners prior to the end of one (1) year from the date of riding his fifth (5) winner, he shall have an allowance of five (5) pounds until the end of that year.

(2) After the completion of conditions in subsection (1) a contracted apprentice for one (1) year may claim three (3) pounds when riding horses owned or trained by his original contract employer; provided, his contract has not been transferred or sold since his first winner. Such original contract employer shall be deemed the party to the contract who was the employer at the time of the apprentice jockey's first winner.

(3) An apprentice jockey may enter into a contract with a licensed owner or licensed trainer qualified under Section 5 for a period not to exceed five (5) years. Such contracts must be approved by the stewards and filed with the racing commission; such contracts shall be binding in all respects on the signatories thereof. An apprentice who is not contracted shall be given an apprentice jockey certificate, on a form furnished by the commission.

(4) In the event an apprentice jockey is unable to ride for a period of fourteen (14) consecutive days or more because of service in the armed forces of the United States, or because of physical disablement, or because of restrictions on racing, the commission upon recommendation of the stewards and after consultation with the racing authority which first approved the original apprentice contract, may extend the time during which such apprentice weight allowance may be claimed for a period no longer than the period such apprentice rider was unable to ride.

(5) After completion of conditions in subsection (1), such rider must be issued a license as a jockey before accepting subsequent mounts. Under these circumstances, the commission may waive collection of an additional license fee.

Section 5. Rider contracts. All contracts between an employer owner or trainer and employee rider are subject to the rules of racing. All riding contracts for terms longer than thirty (30) days, as well as any amendments thereto, or cancellation, or transfer thereof, must be in writing with signature of parties thereto notarized, must be approved by the stewards and filed with the commission. The stewards may approve a riding contract and permit parties thereto to participate in racing in this state if the stewards find that:

(1) The contract employer is a licensed owner or licensed trainer who owns or trains at least three (3) horses eligible to race at the time of execution of such contract;

(2) The contract employer possesses such character, ability, facilities, and financial responsibility as may be conducive to developing a competent race rider;

(3) Such contracts for apprentice jockeys provide for fair remuneration, adequate medical care, and an option equally available to both employer and apprentice jockey to cancel such contract after two (2) years from date of execution.

Section 6. Restrictions as to contract riders. No rider may:

(1) Ride any horse not owned or trained by his contract employer in a race against a horse owned or trained by his contract employer;

(2) Ride or agree to ride any horse in a race without consent of his contract employer;

(3) Share any money earned from riding with his contract employer;

(4) Accept any present, money, or reward of any kind in connection with his riding of any race except through his contract employer.

Section 7. Calls and engagements. Any rider not so prohibited by prior contract may agree to give first or second call on his race-riding services to any licensed owner or trainer. Such agreements, if for terms of more than thirty (30) days, must be in writing, approved by the stewards, and filed with the commission. Any rider employed by a racing stable on a regular salaried basis may not ride against the stable which so employs him. No owner or trainer shall employ or engage a rider to prevent him from riding another horse.

Section 8. Jockey fee.

(1) *The purpose of this section is not to set a minimum or maximum fee, but merely to provide a fee in the event that the parties have not made any other written agreement to the contrary.* [The fee to a jockey in all races shall be, in the absence of special agreement, as follows:]

(2) A jockey fee shall be considered earned by a rider when he is weighed out by the clerk of scales except:

(a) When a rider does not weigh out and ride in a race for which he has been engaged because an owner or trainer engaged more than one (1) rider for the same race; in such case the owner or trainer shall pay an appropriate fee to each rider engaged for such race.

(b) When such rider capable of riding elects to take himself off the mount without, in the opinion of the stewards, proper cause therefor.

(c) When such rider is replaced by the stewards with a substitute rider for a reason other than a physical injury suffered by such rider during the time between weighing out and start of the race.

Section 9. Duty to fulfill engagements. Every rider shall fulfill his duly scheduled riding engagements, unless excused by the stewards. No rider shall be forced to ride a horse he believes to be unsound, or over a racing strip he believes to be unsafe, but if the stewards find a rider's refusal to fulfill a riding engagement is based on a personal belief unwarranted by the fact and circumstances, such rider may be subject to disciplinary action.

Section 10. Presence in jockey room.

(1) Each rider who has been engaged to ride in a race shall be physically present in the jockey room no later than one (1) hour prior to post time for the first race on the day he is scheduled to ride, unless excused by the stewards, or the clerk of scales; and upon arrival shall report to the clerk of scales his engagements. In the event a rider shall fail for any reason to arrive in the jockey room prior to one (1) hour before post time of a race in which he is scheduled to ride, the clerk of scales shall so advise the stewards who thereupon may name a substitute rider and shall cause announcement to be made of any such rider substitution prior to opening of wagering on such race.

(2) Each rider reporting to the jockey room shall remain in the jockey room until he has fulfilled all his riding engagements for the day except to ride in a race, or except to view the running of a race from

a location approved by the stewards. Such rider shall have no contact or communication with any person outside the jockey room other than an owner or trainer for whom he is riding, or a racing official, or a representative of the regular news media, until such rider has fulfilled all his riding engagements for the day.

(3) The association shall be responsible for such security of the jockey room as to exclude all persons except riders scheduled to ride on the day's program, valets, authorized attendants, racing officials, duly accredited members of the news media, and persons having special permission of the stewards to enter the jockey room.

(4) Any rider intending to discontinue riding at a race meeting prior to its conclusion shall so notify the stewards after fulfilling his final riding engagement of the day he intends to depart.

Section 11. Weighing out.

(1) Each rider engaged to ride in a race shall report to the clerk of scales for weighing out not more than one (1) hour and not less than fifteen (15) minutes before post time for each race in which he is engaged to ride, and at the time of weighing out shall declare overweight, if any.

(2) No rider shall pass the scale with more than one (1) pound overweight, without consent of the owner or trainer of the horse he is engaged to ride; in no event shall a rider pass the scale with more than five (5) pounds overweight.

(3) No horse shall be disqualified because of overweight carried.

(4) Whip, blinkers, number cloth, bridle and rider's safety helmet shall not be included in a rider's weight.

Section 12. Wagering. No rider shall place a wager, or cause a wager to be placed on his behalf, or accept any ticket or winnings from a wager on any race except on his own mount, and except through the owner or trainer of the horse he is riding. Such owner or trainer placing wagers for his rider shall maintain a precise and complete record of all such wagers, and such record shall be available for examination by the stewards at all times.

Section 13. Attire. Upon leaving the jockey room to ride in any race, each rider shall be neat and clean in appearance and wear the traditional jockey costume with all jacket buttons and catches fastened. Each jockey shall wear the cap and jacket racing colors registered in the name of the owner of the horse he is to ride, stock tie, white or light breeches, top boots, safety helmet approved by the commission, and a number on his right shoulder corresponding to his mount's number as shown on the saddle cloth and daily race program. The clerk of scales and attending valet shall be held jointly responsible with a rider for his neat and clean appearance and proper attire.

Section 14. Viewing films or tapes of races. Every rider shall be responsible for checking the film list posted by the stewards in the jockey room the day after riding in a race, the posting of same to be considered as notice to all riders whose names are listed thereon to present themselves at the time designated by the stewards to view the patrol films or video tapes of races. Any rider may be accompanied by a representative of the jockey organization of which he is a member in viewing such films, or with the stewards' permission, be represented at such viewing by his designated representative.

by the proposed [~~district or the proposed~~] water association shall formally make application to the utility regulatory commission of Kentucky in such manner and following such procedures as the utility regulatory commission may by regulation prescribe, seeking from the commission the authority to [~~petition the appropriate county judge/executive for establishment of a water district, or to~~] proceed to incorporate or otherwise create a water association. The commission shall thereupon set the application for formal public hearing, and shall give notice to all other water suppliers, whether publicly owned or privately owned, and whether or not regulated by the commission, rendering services in the general area proposed to be served by said [~~water district or~~] water association, and to any planning and zoning or other regulatory agency or agencies with authority in the general area having concern with the application. The commission may subpoena and summon for hearing purposes any persons deemed necessary by the commission in order to enable the commission to evaluate the application of the proponents of said proposed [~~water district or~~] water association, and reach a decision in the best interests of the general public. Intervention by any interested parties, water suppliers, municipal corporations, and governmental agencies shall be freely permitted at such hearing.

(2) The public hearing shall be conducted *in the county wherein the proposed water association is located* by the commission pursuant to the provisions of KRS 278.020. At the time of the hearing, no employment of counsel or of engineering services shall have been made to be paid from [~~water district funds,~~] water association funds, or made a charge in futuro against [~~water district or~~] water association funds, if formation of such [~~water district or~~] water association is permitted by the commission.

(3) Before the utility regulatory commission shall approve any application for creation of a [~~water district or~~] water association, the commission must make a finding and determination of fact that the geographical area sought to be served by such proposed [~~water district or~~] water association cannot be feasibly served by any existing water supplier, whether publicly or privately owned, and whether or not subject to the regulatory jurisdiction of the commission. If it shall be determined that the geographical area sought to be served by the proposed [~~water district or~~] water association can be served more feasibly by any other water supplier, the commission shall deny the application and shall hold such further hearings and make such further determinations as may in the circumstances be appropriate in the interests of the public health, safety and general welfare.

(4) Any order entered by the commission in connection with an application for creation of a water district or water association shall be appealable to the Franklin Circuit Court as provided by KRS 278.410.

SECTION 21. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Pursuant to the provisions of KRS 278.020, the fiscal court shall notify the utility regulatory commission of the proposed creation of any water district as provided in Section 4 of this Act and shall furnish the utility regulatory commission with copies of the proposed charter of the water district, plan of service, notice of the time and place of any hearings on the proposed district, and any other information the utility regulatory commission may request.

Section 22. KRS 74.361 is amended to read as follows:

(1) The general assembly of the Commonwealth of Kentucky determines as a legislative finding of fact that reduction of the number of operating water districts in the Commonwealth will be in the public interest, in that mergers *and joint operations* of such districts will tend to eliminate wasteful duplication of costs and efforts, result in a sounder and more business like degree of management, and ultimately result in greater economies, less cost, and a higher degree of service to the general public; and that the public policy favors the merger *or joint operation* of water districts wherever feasible.

(2) The utility regulatory commission of Kentucky is authorized and empowered to initiate, carry out, and complete such investigations, inquiries, and studies as may be reasonably necessary to determine the advisability as to the merger *or joint operation* of water districts. Prior to ordering a hearing with reference to the merger *or joint operation* of any water district into one or more additional water districts, the utility regulatory commission shall cause to be prepared in writing a feasibility report and study regarding the proposed merger *or joint operation*, containing such studies, investigations, facts, historical data, and projections as in the circumstances may be required in order to enable the commission to formulate a proper decision regarding such merger *or joint operation.*

(3) Based upon the written report and study required to be made incident to any water district merger *or joint operation*, the utility regulatory commission may propose by order that a merger *or joint operation* of water districts be accomplished, and, upon the issuance of such order, shall give actual notice to all water districts proposed to be merged *or jointly operated.* Said order shall provide for a formal public hearing to be held before the utility regulatory commission on the subject of such proposed merger *or joint operation.* Actual notice of such merger *or joint operation* hearing shall also be furnished to the county judges/executive of each county containing a water district proposed to be merged *or jointly operated*, and each water commissioner of a water district proposed to be merged *or jointly operated*, and notice of such public hearing shall be afforded to the public served by the respective water districts sought to be merged *or jointly operated*, by newspaper notice in accordance with the provisions of KRS Chapter 424.

(4) A formal hearing before the utility regulatory commission shall be held with reference to such merger *or joint operation* proposal, and, upon such occasion, all water districts which are sought to be merged into a single entity *or jointly operated* shall be afforded the right to appear, to present evidence, to examine all exhibits and testimony, to cross-examine all witnesses, and to submit such memoranda, written evidence, and briefs as may be desired. Such public hearing may be adjourned from time to time by the utility regulatory commission, and notice of such adjournments may, but need not, be afforded as with reference to the initial public hearing. At the conclusion of such proceedings, the utility regulatory commission shall enter its order, either merging the water districts which are the subject of the merger proceedings into a single water district, *or directing their joint operation,* or abandoning the [~~merger~~] proposal.

(5) Outstanding obligations of any water district merged in accordance with the provisions of this section which are secured by the right to levy an assessment as provided by *Section 10 of this Act* [~~KRS 74.130 to 74.230~~], inclusive, or secured by a pledge of the income and revenues of the systems operated by any such merged water district, shall continue to be retired from such moneys and funds as shall be collected from the users of facilities operated by such merged water districts in the original water district area in accordance with the terms and provisions of the enabling laws and the authorizing resolutions or indentures under which the outstanding obligations were issued, until all such obligations have been retired.

(6) In any order ordering the merger *or joint operation* of water districts, the utility regulatory commission shall make such additional orders as may be required in connection with the schedule of rates, rentals and charges for services rendered to be levied by the water district which remains in existence following such merger *or joint operation,* having due regard to contractual commitments made and entered into by the constituent [~~merged~~] water districts in connection with the issuance of obligations by such districts.

(7) Upon the effective date of any merger of water districts, the water commissioners of the merged water districts shall continue to serve as water commissioners for the remainder of the terms for which they were appointed, and, following the expiration of the terms of such water commissioners *appointments shall be made in accordance with the charter of the water district or Section 9 of this Act,* [~~the appropriate county judge/executive or county judges/executive shall appoint and reappoint water commissioners to manage the business and affairs of the resultant water district, in the manner provided by KRS 74.020~~].

(8) Any order of merger *or joint operation* entered by the utility regulatory commission in accordance with this section shall be subject to all of the provisions of KRS Chapter 278, with reference to petitions for rehearing, and appeal.

(9) Using the authority of this section the utility regulatory commission can also cause mergers *or joint operations* of water associations into water associations or mergers *or joint operations* of water associations into water districts.

(10) Nothing contained herein shall be construed to prohibit or limit in any respect the acquisition by water utilities subject to the jurisdiction of the commission or by municipally owned water utilities of the assets of water districts or water associations or the merger of water districts or water associations and water utilities subject to the jurisdiction of the commission or municipally owned water utilities.

(5) "Construction subdistrict facilities" are all sewerage facilities within a construction subdistrict, and all sewerage facilities in a county containing a district outside the district area which

Upon receipt of such notice in writing, the municipality, or the person, firm or corporation, which furnishes water to the said user's premises shall immediately shut off and discontinue the water service to the said user's premises. Upon full payment of such account, plus a reasonable charge for turning off and on the water service, the chairman, or any member of said commission, shall notify the said municipality, person, firm or corporation, which furnishes water to said user, that the account is paid in full, including such reasonable charge for turning off and on the water service, and that the said water service can again be provided to said user's premises. ~~(b) Language in KRS 220.535 limiting the powers of annexation to a sanitation district in a county not containing a city of the first class shall not be applicable to a metropolitan sewer district which might use this method of annexation to a construction subdistrict even if it is located in a county containing a city of the first class, and the director of sanitary engineering of the department for human resources shall function in regard to annexation by it in the same manner and under the same procedures, as set out in KRS 220.535 to 220.537, as he would in his capacity as commissioner of sanitation districts for any sanitation district.~~

~~(2)~~] After the creation of a construction subdistrict under the provisions of KRS 76.241 to 76.246, the board may annex any area, contiguous or noncontiguous, subject to the limitations of KRS 76.242, to the construction subdistrict by making a preliminary order describing the area to be annexed and causing said order to be published pursuant to KRS chapter 424. The district shall examine and hear all such complaints. It may modify or amend the areas proposed to be annexed; and it shall make a final order, within sixty (60) days of the date of publication of said notice, describing the areas to be annexed and shall cause the same to be published, pursuant to KRS chapter 424. A freeholder of land within the area proposed to be annexed may appeal such final order in the manner described in KRS 76.247. In referring to KRS 76.247, this section is not intended to provide for de novo trial.

(2)[~~(3)~~] In the event the owner or owners of all the property or properties proposed to be annexed to a construction subdistrict shall tender to the district their written request or requests that the district proceed immediately with the annexation of said property or properties, and shall unqualifiedly waive all formalities and substantive rights contained in subsection (2) of this section, the district may thereupon make and publish a final order annexing said property or properties to the construction subdistrict. Said order shall contain a recitation of the receiving of waivers from the owners of all properties to be annexed thereunder. Provided, however, That in all such instances the written request or requests of the owner or owners of all properties proposed to be annexed to a construction subdistrict shall be in recordable form and shall be recorded in the office of the county clerk of the county wherein the property is located; and said clerk is authorized to record such instruments as in the case of mortgages and may charge and receive fees therefor as in the case of mortgages.

(3)[~~(4)~~] The provisions of subsections (1), (2) and (3) of this section shall not repeal or reduce any existing rights or duties of metropolitan sewer districts, but shall constitute merely a procedure for annexation to construction subdistricts by a metropolitan sewer district.

(1) Any person or corporation, public or private, or any group of such persons or corporations or both residing in or owning property adjacent to any publicly dedicated road in unincorporated territory in a county containing a city of the first class desiring to make any improvements to the publicly dedicated road shall submit to the fiscal court for approval plans and specifications for its improvements at their own expense. Any such request for private improvement shall *show the boundary lines and terminal points of the road desired to be improved and shall set forth on such map the names of the owners of all property and the number of linear feet owned by them abutting upon such road, the location and size of drainage ditches and sidewalks. The person or corporation shall also have estimated for them by an engineer, who must be a private engineer licensed by the Commonwealth of Kentucky, pursuant to KRS Chapter 322, the approximate cost of constructing the improvements desired and reasonable maintenance for the duration of the road district, together with a statement of the approximate cost which shall be borne by each owner of property abutting on the road, determined by the number of linear feet of property owned by each abutting property holder. Said person or corporation shall also prepare a petition and shall attach to said petition the aforesaid maps and statements of cost* [~~include all the information required by KRS 184.020 to accompany a request for the creation of a public road district pursuant to that section~~].

(2) *(a)* The sponsors of the private improvement of the publicly dedicated road shall present their request, together with the attached maps and estimates of cost, to the fiscal court, who shall turn over to the county engineer for his consideration the maps and estimates of cost. *The county engineer shall, within ten (10) days from his receipt of such documents from the county judge/executive, examine said documents, examine the road proposed to be improved, or maintained, study the estimates of the cost and type of surface proposed to be used, or study the estimates of the cost and type of the contemplated maintenance and return to the county judge/executive with recommendations of approval or disapproval the documents theretofore delivered to him. If the county engineer disapproves the plans and estimates of cost submitted to him, he shall set forth his reasons for such disapproval, and the county judge/executive shall return said plans and estimates for revision in accordance with the recommendations of the county engineer. After revision, they shall again be submitted to the county engineer, and if he again disapproves, the court shall nevertheless proceed with a hearing, as hereinafter provided, to determine whether or not said approval should be granted or withheld.*

(b) In the event the county engineer approves the plans for the road and estimates of cost thereof, the county judge/executive shall notify the sponsors thereof and shall select a day not earlier than two (2) weeks thereafter on which a public hearing shall be held to determine whether or not said improvement shall be undertaken. During said two-weeks' period, the county judge/executive shall use such information as is available to him and shall make such investigation as he deems necessary to satisfy himself of the genuineness of the signatures appearing upon the petition and as to the ownership of property of the persons signing said petition. The question of genuineness of signatures and the ownership of property of any person signing the petition may be questioned at the hearing by anyone denying such validity.

(c) When the county judge/executive has selected a day for the hearing, it shall be the duty of the sponsors to advance sufficient funds to pay for the advertising of the hearing, which advertising shall be by publication pursuant to KRS Chapter 424 and by posting printed notices in such number as the county judge/executive may deem necessary or advisable, but in no event less than ten (10), along both sides of the road to be improved, either on telephone poles or on posts erected for that purpose.

(d) If no objections are filed on the day set for the initial hearing, the county judge/executive shall enter his order approving the petition.

(e) Any owner of land abutting upon the road proposed to be improved or maintained who has failed or refused to sign the petition seeking the road improvements may, on the day fixed for the hearing, file with the county judge/executive his answer to the petition setting forth his objections to the improvements, and the county judge/executive shall thereupon fix a day when both the sponsors and the objectors may introduce testimony, and shall at that time hear and determine the issue on its merits. Any person aggrieved by the determination of the county judge/executive may bring an original action in circuit court to contest such determination.

(3) [~~In considering whether to permit the requested improvement, the fiscal court and the county engineer shall follow the same procedures provided for in KRS 184.040 and 184.050, and the same appellate rights provided for in these sections are available to the petitioners.~~] When the county engineer receives from the fiscal court an application for approval of plans or specifications for the private improvement of publicly dedicated roads by some individual or corporation, or a combination thereof, the county engineer shall be authorized [~~and empowered to examine, inspect and investigate, as seems to be advisable, the sufficiency of the improvements which the application seeks to serve the purposes intended, and~~] to establish and make reasonable charges for such services on the basis of a schedule adjusted according to the services required to make such investigation or on any other reasonable method.

(4)[~~(3)~~] When it appears to the county engineer that the completion of the improvement by or on behalf of any such individual or corporation requires inspection and supervision in order to assure the protection of the public safety and the proper subsequent completion of such work for the purposes intended, the county engineer shall include such findings in his recommendation to the fiscal court approving, modifying or disapproving the particular plans and projects, and shall charge such person or corporation for such inspection and supervision on the basis of the actual cost of inspection plus a reasonable additional cost of supervision.

Section 49. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage use or other consumption of which, this state is prohibited from taxing under the constitution or laws of the United States, or under the constitution of this state;

(2) Gross receipts from sales of, and the storage, use or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container;

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property used for the performance of a lump sum, fixed fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property made in one cent (1¢) portions through vending machines;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities or special districts [~~as defined in KRS 65.005~~]. This exemption applies only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit is not entitled to the exemption even though such purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke and wood. Determinations of eligibility for the exemption shall be made by the department of revenue.

(b) In making such determinations of eligibility, the department may use a utility company's classification of "residential" customers. Where the service is classified as residential, use other than for "residential" purposes by the customer will not negate the exemption.

(c) The exemption does not apply where charges for sewer service, water and fuel are billed to an owner or operator of a multi-unit residential rental facility or trailer park other than residential classification.

(d) The exemption applies also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years.

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill.

Section 50. KRS 353.651 is amended to read as follows:

The following provisions of this section shall apply to any deep well:

(1) Drilling units:

(a) The commission shall, after notice and a hearing, regulate the drilling and location of wells in any pool and the production therefrom so as to prevent reasonably avoidable net drainage from each developed unit (that is, drainage which is not equalized by counterdrainage) so that each owner in a pool shall have the right and opportunity to recover his fair and equitable share of the recoverable oil and gas in such pool.

(b) For the prevention of waste, to protect and enforce the correlative rights of the owners in a pool, and to avoid the augmenting and accumulation of risks arising from the drilling of an excessive number of wells, the commission shall, after notice and a hearing, establish drilling units for each pool. The spacing of wells in proved oil and gas fields shall be governed by special rules for that particular field adopted after notice and hearing. Wells drilled in areas not covered by special field rules shall be governed by statewide rules adopted by the commission after notice and hearing. Notice for hearings prescribed herein shall be given pursuant to KRS 353.680 and notice for hearings governing drilling units for a particular pool or special field rules shall be given to all persons reasonably known to the Commission to own an interest in the oil and gas therein.

(c) Each well permitted to be drilled upon any drilling unit shall be drilled in accordance with the rules and regulations promulgated by the commission and in accordance with a spacing pattern fixed by the commission for the pool in which the well is located, with such exceptions as may be reasonably necessary where it is shown, in accordance with regulations adopted by the commission, that the unit is partly outside the pool or for some other reason a well otherwise located on the unit would not be likely to produce in paying quantities, or topographical conditions are such as to make the drilling at such location unduly burdensome. Whenever an exception is granted, the commission shall take such action as will offset any advantage which the person securing the exception may have over other owners by reason of the drilling of the well as an exception.

(d) No drilling unit established by the commission shall be smaller than the maximum area which can be drained efficiently by one deep well so as to produce the reasonable maximum recoverable oil or gas in such area, unless an exception is granted in accordance with regulations adopted by the commission.

(e) An order establishing drilling units may be modified, altered, extended, amended or vacated by the commission after notice and hearing as prescribed above.

(2) Pooling of interests in drilling units:

(a) When two or more separately owned tracts are embraced within a drilling unit, or when there are separately owned interests in all or a part of a drilling unit, the interested persons may pool their tracts or interests for the development and operation of the drilling unit. In the absence of voluntary pooling and upon application of any operator having an interest in the drilling unit, and after the commission has given notice to all persons reasonably known to own an interest in the oil or gas in the drilling unit, and after a hearing, the commission shall enter an order pooling all tracts or interests in the drilling unit for the development and operation thereof and for the sharing production therefrom. Each such pooling order shall be upon terms and conditions which are just and reasonable.

(b) All operations, including, but not limited to, the commencement, drilling or operation of a deep well, upon any portion of a drilling unit for which a pooling order has been entered, shall be deemed for all purposes the conduct of such operations upon each separately owned tract in the drilling unit by the several owners thereof. That portion of the production allocated to a separately owned tract included in a drilling unit shall, when produced, be deemed for all purposes to have been actually produced from such tract by a deep well drilled thereon.

(c) Any pooling order under the provisions of subsection (2) of this section shall authorize the drilling and operation of a deep well for the production of oil or gas from the pooled acreage; shall designate the operator to drill and operate such deep well; shall prescribe the time and manner in which all owners of operating interests in the pooled tracts or portions of tracts may elect to participate therein; shall provide that all reasonable costs and expenses of drilling, completing, equipping, operating, plugging and abandoning such deep well shall be borne, and all production therefrom shared, by all owners of operating interests in proportion to the acreage in the pooled tracts owned or under lease to each owner; and shall make provision for payment of all reasonable costs thereof, including reasonable charge for supervision and for interest on past due accounts, by all those who elect to participate therein. Upon the application of any operator having an interest in the drilling unit, the person or persons selected to drill and operate said deep well shall be determined by competitive bids [~~under the procedure set out in KRS 74.260~~].

(d) Upon request, any such pooling order shall provide just and equitable alternatives whereby an owner of an operating interest who does not elect to participate in the risk and cost of the drilling of a deep well may elect to surrender his interest or a portion thereof to the participating owners on a reasonable basis and for a reasonable consideration, which, if not agreed upon, shall be determined by the commission; or to participate in the drilling of the deep well on a limited or carried basis on terms and conditions which, if not agreed upon, shall be determined by the commission to be just and reasonable.

(e) If an operator owning an interest in a pooled drilling unit elects not to participate in the risk and cost of drilling of a deep well thereon, and another operator owning an interest therein, shall drill and operate, or pay the costs of drilling and operating a deep well as provided in the Commission order, then such operating owner shall be entitled to the share of production from the tracts or portions thereof accruing to the interest of such nonparticipating owner, exclusive of any royalty or overriding royalty reserved in any leases, assignments thereof or agreements relating thereto, of such tracts or portions thereof, or exclusive of one-eighth (1/8) of the production attributable to all unleased tracts or portions thereof, until the market value of such nonparticipating owner's share of the production, exclusive of such royalty, overriding royalty or one-eighth (1/8) of production, equals one and one-fourth (1 1/4) times the share of such costs payable by or charged to the interest of such nonparticipating owner.

(f) If a dispute shall arise as to the costs of drilling and operating a deep well, the commission shall determine and apportion the costs, within ninety (90) days from the date of written notification to the commission of the existence of such dispute.

(3) This section shall not apply to wells drilled, deepened or reopened for the injection of water, gas or other fluids into any sub-surface formation.

Section 51. KRS 76.242 is amended to read as follows:

Section 59. KRS 262.748 is amended to read as follows:

(1) Upon determination by the board of directors of a watershed conservancy district that the improvement, continuing operation, or maintenance of a watershed project is necessary, the board of directors may adopt a resolution which shall set out: (a) a list of the benefited lands located in the flood plain, as determined by the board of directors, giving the acreage of such lands and the names of the owners thereof as defined by KRS 262.010(6) with a classification of such lands or parts thereof into classes in order that assessments may be made according to direct benefits, and (b) the annual assessments to be levied upon the lands set out in the resolution on the basis of a certain amount per acre according to benefits received, not to exceed in any one year a sum per acre specified in the resolution.

(2) The board of directors shall cause due notice of the resolution to be given to all the owners of benefited lands, as determined by the board. Said notice shall set out the time and place of a meeting of the board of directors of the watershed conservancy district at which owners of benefited lands who may be liable for the annual assessments may be heard.

(3) At the hearing upon the resolution, owners of benefited lands may voice their views concerning the proposal as to whether it should be undertaken, and the scope thereof, or the degree of benefit received by their lands. The board shall prepare a record summarizing the proceedings. If the board of directors determines as a result of the hearing that the proposal should be carried out as planned, it may make such changes or revisions in the resolution as it deems proper and shall give due notice of an election to be held at which benefited landowners may vote on the question of annual special assessments to defray the cost. The notice of the election shall include the text of the resolution of the board in its final form. The board of directors may give due notice as provided in KRS 262.010(4).

(4) The board of directors shall prepare official ballots to be used in the electon which shall state the question: "Should the assessment for improvement, continuing operation, or maintenance proposed by resolution of the __________ watershed conservancy district be adopted?" Squares indicating a yes or no answer should follow the question with a direction to insert an "X" mark in the square favored. Only owners of benefited land as set out in the resolution shall be eligible to vote. The board of directors may provide for a meeting of the landowners at which the vote may be cast, in which case qualified voters may vote by absentee ballot. The board shall appoint a polling superintendent and other necessary election officers, giving representation to the opponents of the question as well as to proponents.

(5) If a majority of those voting upon the proposition favor the assessment the board shall give due notice of the vote. Any owner of property to be benefited by the project may, within forty days after publication of such notice, file an action in the circuit court of the county in which his lands are located seeking relief by declaratory judgment or injunction. If a suit is filed, the county attorney shall represent the board of directors in upholding the validity of the proposed assessment. After the lapse of time specified herein all actions by owners of properties to be benefited shall be forever barred.

(6) If no suit is filed and no injunction issued within the time allowed in subsection (5) of this section, the board of directors shall levy annual assessments effective only upon the benefited properties and based on the acreage thereof. The annual assessment shall be made by the board of directors at the same time and in the same manner as provided [~~in KRS 262.765~~] for taxes generally and shall be collected as *state and county taxes are collected* [~~provided in KRS 262.770~~]. The assessments shall constitute liens against the land benefited and shall attach to the land, taking precedence over all other liens except state, county and municipal taxes and prior improvement assessments.

In the case of trucks of gross weight in excess of ten thousand pounds (10,000 lbs.) the tax shall be levied upon ninety percent of the retail price of the vehicle.

(2) The tax shall be collected by the county clerk or other officer with whom the vehicle is required to be registered:

(a) When he collects the registration fee for registering and licensing a motor vehicle the first time it is offered for registration in this state,

(b) Or upon the transfer of ownership of any motor vehicle previously registered in this state.

(3) The tax collected by the county clerk under this section shall be reported and remitted to the department of revenue on forms provided by the department and on such forms as the department may prescribe. The county clerk shall for his services in collecting the tax be entitled to retain an amount equal to *three* [~~two~~] and one-half percent *(3 ½%)* [~~2 ½%)~~] of the tax collected and accounted for.

(4) No county clerk or other officer shall register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, or transfer the ownership of any motor vehicle previously registered in this state, unless the owner or his agent pays the tax levied under this section in addition to the transfer, registration and license fees.

(5) When a resident of this state offers a motor vehicle for registration for the first time in this state which was registered in another state that levied a tax substantially identical to the tax levied under this section, such person shall be entitled to receive a credit against the tax imposed by this section equal to the amount of tax paid to the other state. No credit shall be given under this subsection for taxes paid in another state if that state does not grant similar credit for substantially identical taxes paid in this state.

(6) No county clerk or other officer shall register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, unless the seller or his agent delivers to the county clerk or other officer a certified or photostat copy of the manufacturer's price label for passenger cars or a certified or photostat copy of the itemized billing to the customer in the case of all other motor vehicles; and the clerk shall attach the certified or photostat copy to the copy of the certificate of registration and ownership mailed to the department.

The registration of the returned vehicle shall be cancelled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

(9) When a manufacturer refunds the retail purchase price or replaces a new motor vehicle for the original purchaser within ninety (90) days because of malfunction or defect, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the department of revenue as a result of the first registration. (1) Upon receiving the application and fee, the county clerk shall issue to the owner a certificate of registration and ownership containing the information required by subsection (2) and a registration plate. If the department finds that there is a shortage of materials suitable for making plates, or that a substantial saving will result, it may require by regulation with the approval of the governor that previously issued plates continue to be used for a designated period. For services performed the owner shall pay the county clerk the sum of *two dollars ($2.00)* [~~one dollar ($1.00)~~] for each registration.

(2) The certificate of registration and ownership shall contain the registration number, the names and post office addresses of the owner and the secured party as shown by the financing statement on file in the office of the county clerk and such other information as the department may require. (2) The tax imposed by this section shall be collected by each county clerk as a prerequisite to the filing of an instrument subject to the tax or the issuance of a marriage license. This section shall not be construed to require any tax upon a deed of release of a lien retained in a deed or mortgage.

(3) Taxes imposed under this section [~~and vehicle lienholder penalties imposed by KRS 186.045(3)~~] shall be reported and paid to the department of revenue by each county clerk within ten (10) days following the end of the calendar month in which instruments subject to tax are filed or marriage licenses issued. Each remittance shall be accompanied by a summary report on a form prescribed by the department.

(4) Any county clerk liable for the taxes imposed by this section who fails to file a report and pay the tax to the department on or before the due date shall, unless it is shown to the satisfaction of the department that the failure is due to reasonable cause, pay a penalty equal to ten percent (10%) of the tax due. In every case, any tax not paid on or before the due date shall bear interest at the rate of eight percent (8%) per annum from the date due until the date of payment.

When a certificate is paid to an owner other than the state, county or taxing district the certified copy of the certificate shall be surrendered to the person making payment, and if he is the person primarily liable on the certificate he may, by exhibiting it to the county clerk, have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the department of revenue may require. Payment in such instance by one (1) other than the person primarily liable on the certificate will amount to an assignment thereof. Anyone (1) other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county and taxing district may, by paying a fee of fifty cents (50¢), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents (50¢) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county and taxing districts, and he shall give a receipt to the payor and make a report to the department of revenue, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. He shall pay to the department of revenue for deposit with the state treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions and penalties to the persons, agencies or parties entitled thereto. He shall retain *twelve and one-half percent (12.5%)* [~~five per cent (5%)~~] of the amount due each taxing unit for his services.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the federal deposit insurance corporation. The clerk may deduct the sum of fifty cents (50¢) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty per cent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and 134.480, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

(1) Within fifty (50) days after the issuance of a certificate of tax delinquency to the state, county and taxing district, the county attorney shall cause a notice of the purchase to be served by the sheriff on the person in whose name the property was assessed, and advise him that the certificate is a lien of record against his land that bears interest at twelve per cent (12%) per annum, and if not paid the county attorney will proceed as provided by law to collect same. A copy of the return of the sheriff shall be filed in the office of the county clerk in the manner prescribed by the department of revenue. Failure to prepare such notice shall not affect the validity of the claim of the state, county and taxing district.

(2) The county attorney shall prosecute the remedy or remedies provided in this chapter that are most likely to effect collection of the amount due on the certificate of delinquency. Upon the failure of the county attorney to give the notices provided in this section, or to prosecute the remedies for collection of certificates within twelve (12) months after the right to collect accrued, or to duly complete the performance of any other duties necessary to collect the claims of the state, county and taxing districts for taxes, the department of revenue may perform such duties.

(3) The county attorney who prepares the notice and has it filed, as provided in subsection (1) of this section, and performs his other duties in respect to the certificate of delinquency, shall be entitled to *twelve and one-half percent (12.5%)* [~~twenty percent (20%)~~] of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and such commission shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the commission on the amount collected for each taxing unit. When the department performs the duties of the county attorney without his assistance or cooperation, the fee which would otherwise be paid the county attorney shall be paid to the department for deposit in the delinquent tax fund provided for under KRS 134.400.

(4) Any action on behalf of the state, county and taxing districts authorized by this section or by KRS 134.470, 134.490 or 134.540 must be filed on relation of the commissioner of revenue, and the petition shall be sent to the department, which may require revision thereof in instances where it deems revision or amendment necessary. The department shall advise the county attorney in all such actions, and may send him special assistance when the commissioner deems such assistance necessary. A copy of the judgment shall also be sent to the department. If the department sends assistance to a county attorney who cooperates in prosecuting the suits or proceedings, the county attorney shall be entitled to his full fee. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 325.330 is amended to read as follows:

(1) Permits to engage in the practice of public accounting in this state shall be issued by the board to individuals, partnerships and corporations qualifying under KRS 325.261 to 325.321 after the payment

by each such certificate holder, individual, partnership or corporation of an annual permit fee to be fixed by the board not to exceed fifty dollars ($50). All permits shall expire on the first day of July of each year, but may, annually, be renewed for a period of one (1) year by permit holders in good standing upon the payment of a fee for renewal as herein provided. The renewal fee is due on or before the expiration date of the holder's permit, but failure to renew a permit before expiration thereof, except as provided in subsection (10) of KRS 325.340, shall not deprive a permit holder of the right to renewal; in such cases a permit holder in good standing may renew his permit by payment of any and all annual fees unpaid by him since the expiration of his permit and by payment of a penalty of ten dollars ($10.00) in addition thereto.

(2) Effective for the year ending June 30, 1983, every application by a certified public accountant for renewal of a permit to practice shall be accompanied or supported by such evidence as the board shall prescribe of satisfactory completion of twenty (20) hours of continuing professional education courses, which are professionally enhancing, during the twelve (12) month period prior to permit renewal. The board may provide for lesser, prorated education requirements for applicants whose initial permit was issued substantially less than one (1) year prior to the renewal date.

(3) The board may, in its discretion, waive or lower the annual continuing education requirement for reasons of age, disability or individual hardship.

HB 562, AN ACT relating to real estate errors and omissions insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created and established a special fund in the state treasury known as the "real estate errors and omissions insurance fund" (hereinafter referred to as the "fund") which shall be maintained by the Kentucky Real Estate Commission. The fund shall be used in the manner provided under this chapter for the payment of judgments where the aggrieved person has suffered a direct monetary loss by reason of certain negligent acts committed by any person licensed under this chapter while acting in the capacity of a licensee under this chapter.

(2) On original licensure and again on renewal of every broker's or sales associate's license, the commission shall charge each of the licensees an amount not to exceed fifty dollars ($50.00) per year, after the fund is established, to be included in the fund. Failure to pay this fee will lead to suspension of the license of the licensee until the fee is paid.

(3) The commission shall maintain a minimum level of one million dollars ($1,000,000) for purposes of this fund. The commission shall charge the smallest amount necessary from each licensee in order to achieve the minimum level within the first year of operation. The commission may invest and reinvest the monies in the fund in the same manner as funds of the state employes' retirement system. The interest from said investments shall be deposited to the credit of the fund. Sufficient liquidity shall be maintained so that there will be money available to satisfy any and all claims which may be processed through the commission by the means outlined in this chapter. If at any time the money on deposit in the fund is insufficient to satisfy any authorized claim, the commission shall, when sufficient money has been deposited in the fund, satisfy the unpaid claim including accumulated interest at the rate of ten percent (10%) per annum.

SECTION 2. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

The purpose of the real estate errors and omissions insurance fund is to provide a base insurance coverage per incident of an amount not to exceed fifty thousand dollars ($50,000) for a licensee or licensees found guilty in a court of law of negligence in the duties of a licensee causing the aggrieved party to suffer a direct monetary loss due to that negligence. The first twenty-five hundred dollars ($2,500) shall be paid by each licensee against whom determination of damages has been made.

SECTION 3. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

The following procedures shall be used in order to recover from the fund:

(1) The licensee shall, as a condition precedent to their right to protection afforded by this Act, give the commission immediate notice of any claim made against them or the receipt of notice from any person of an intention to hold the licensee responsible for any act, error, or omission likely to give rise to a claim under this Act.

(2) A licensee against whom a suit is filed must make a good faith defense unless written permission is received from the commission to admit guilt and agree to settlement.

(3) The commission in its discretion may use monies from the fund to pay reasonable costs incurred in the defense of a licensee.

(4) The commission may promulgate administrative regulations governing the procedures for filing a claim under this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

No aggrieved party shall be entitled to compensation from the fund unless:

(1) The cause of action against the licensee occurred on or after the effective date of this Act;

(2) The action against the licensee is commenced within two (2) years from actual knowledge of the cause of action or from such time as circumstances should reasonably have put the aggrieved party on notice of such cause of action; and

(3) The act, error, or omission occurred within the state of Kentucky.

SECTION 5. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

When a final order has been entered by a court of law, finding that a licensee is guilty of negligence in the performance of the duties of a licensee, that such negligence caused a direct monetary loss to the aggrieved party, and that a determination of damages has been made, then on certification to the commission the aggrieved party or parties shall be paid such amount in full up to, but not to exceed the fifty thousand dollar ($50,000) limit, with the first twenty-five hundred dollars ($2,500) paid by the licensee.

SECTION 6. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

When a settlement offer is made, the licensee shall forward a statement of the offer to the commission. The commission may make such inquiry into the settlement offer as it deems expedient. If the commission determines the offer is reasonable it may recommend to the licensee to accept it. The decision to settle or proceed in court is solely that of the licensee; however, the commission may limit the fund's liability by sending a written statement to the aggrieved party and the licensee stating the amount of the settlement offer and that the fund will provide coverage only up to that amount. Any court costs or damages above that limiting amount are to be paid by the licensee. If the commission determines the settlement offer is unreasonable, it may require the licensee to fight the claim in court after agreeing to pay any additional expenses.

SECTION 7. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

The interest of the licensee under this Act shall not be assignable to any other person. In the event of death or incompetency of the licensee, this Act shall cover the licensee's legal representative as respects any liability previously incurred by the licensee and covered by this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

In the event of any payment by the commission under the provisions of this Act, the commission shall be subrogated to all the licensee's rights of recovery therefor against any person or organization and the licensee shall execute and deliver instruments, papers, and whatever else is necessary to secure such rights. The licensee shall do nothing to prejudice these rights to which the commission is subrogated as such action may prevent coverage by this Act after a full hearing by the commission.

SECTION 9. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

Coverage under this Act shall be as excess insurance over any other valid and collectible insurance carried by and held by the licensee and in force at the time of the filing of the claim, unless such other insurance specifically applies as excess insurance over the limit of base insurance coverage provided by this Act.

SECTION 10. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

The commission is authorized to bring an action attacking a judgment against a licensee on the grounds of fraud on the part of the claimant and to seek recovery of any monies wrongfully paid out of the fund to satisfy such a judgment.

SECTION 11. A NEW SECTION OF KRS CHAPTER 324 IS CREATED TO READ AS FOLLOWS:

Recovery under this Act will not be allowed for:

(1) Libel or slander claims;

(2) Any punitive or exemplary damages;

(3) Any fraudulent, criminal, malicious, collusive or intentional act by a licensee;

(4) Any activities arising out of a licensee's activities as a mortgage banker, escrow agent or construction manager. A licensee will not be considered an escrow agent merely for holding earnest money [illegible] deposits, rental deposits, or similar items;

(5) Injury, sickness or death of a person or injury to, destruction or loss of use of any tangible property;

(6) Any claim made by or on behalf of an investor, shareholder or partner in any corporation, partnership, real estate trust or joint venture in which the licensee against whom the claim is made has at least a ten percent (10%) ownership or direct or indirect participating interest in the profits or losses thereof; or

(7) Any collusive or fraudulent act between the claimant and the licensee or by the claimant himself that results in a claim against the fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 143.035 is amended to read as follows:

(1) Notwithstanding any other provisions of this chapter to the contrary, where the department *determines that the collection of the taxes due under this chapter would be accomplished in a more efficient and effective manner through the processor, and to prevent the evasion of the tax, any person who purchases coal for the purpose of processing or purchases coal for further processing, after it has been severed in Kentucky, shall be liable for the collection of the taxes imposed under this chapter when required by the department. In such cases, he shall collect the taxes from the person from whom he has purchased the coal on behalf of the person who severed or severed and processed the coal. The processor shall remit the taxes collected to the department at the same time he is required to remit the tax on processing of the coal in accordance with the provisions of this chapter. In order to facilitate the administration of this subsection, no deduction for the cost of purchased coal shall be allowed to the processor who under this subsection is liable for both the severance and processing taxes.*

(2) In those cases under subsection (1) of this section where the department determines that the collection of the taxes due under this chapter from the severance or severance and processing of coal would be accomplished in a more efficient and effective manner through the processor collecting and remitting the taxes, the department shall set out its determination in writing, stating its reasons for so finding, and so advise the processor at least fifteen (15) days in advance of the first reporting period for which such action would be effective.

(3) The provisions of subsections (1) and (2) of this section shall not apply to the purchases of coal from taxpayers who hold valid certificates of registration issued under the provisions of KRS 143.030 and who are otherwise in compliance with the requirements of this chapter.

(4) Notwithstanding the provisions of KRS 131.190 and for the purpose of administering this section, the department may make known to any person determined to be liable under the provisions of subsection (1) of this section the names of taxpayers from whom he is purchasing coal who are in compliance with the requirements of this chapter and such other information necessary to inform him of the identity of taxpayers from whom he is required to collect the taxes imposed under the provisions of subsection (1) of this section. [~~finds that it would facilitate and expedite the collection of the tax imposed by this chapter, the department may authorize the taxpayer processing the coal to report and pay the tax which would be due from the taxpayer severing the coal. Authorization from the department shall be in the form of an agreement executed by the taxpayer processing the coal, the taxpayer severing the coal and the department. The agreement shall be in such form as the department may prescribe. The agreement must be signed by the owners if the taxpayers are natural persons; in the case of a partnership or association by a partner or member; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application. The director of the sales and severance tax division shall sign for the department. The agreement may be terminated by any party to the agreement upon giving thirty (30) days written notice to the other parties to the agreement; however, the department may terminate the agreement immediately upon written notice to the other parties when either the taxpayer processing the coal or the taxpayer severing the coal fails to comply with the terms of the agreement.~~]

Section 1. KRS 138.210 is amended to read as follows:
As used in KRS 138.220 to 138.340, unless the context requires otherwise:
(1) "Accountable loss" of gasoline means loss or destruction of "received" gasoline through wrecking of transportation conveyance, explosion, fire, flood or other casualty loss, or "received" gasoline contaminated and returned to storage; Provided That any such loss shall have been reported within ten (10) days after discovery of such loss to the department in a manner and form prescribed by the department, supported by proper evidence which in the sole judgment of the department substantiates the alleged loss or contamination and which is confirmed in writing to the reporting dealer by the department. The department may make any investigation deemed necessary to establish the bona fide claim of the loss.

(2) "Dealer" means any person who:

(a) Imports into this state and stores, or causes to be imported into and stored in this state, gasoline for use, distribution or sale and delivery in this state after it has been stored in this state; Provided That the term "dealer" as used in KRS 138.220 to 138.340 shall not include any person who imports gasoline acquired from a refiner or other supplier who, at the time of such importation, is a duly licensed dealer in this state, except as may otherwise be provided under regulations of the department.

(b) Receives or accepts delivery of gasoline within this state into bulk storage facilities owned or operated for the storage of gasoline for transhipment within or without this state.

For the purpose of the proper administration of this chapter and to prevent the evasion of the tax and to enforce the duty of the dealer to collect the tax, it shall be presumed that all gasoline loaded by any licensed dealer within this state into tank cars or tank trucks is consigned to destinations within this state unless the contrary is established by the dealer pursuant to rules and regulations prescribed by the department.

(b) Gasoline acquired by any dealer in this state, and not delivered into refinery, marine or pipeline terminal storage facilities, shall be deemed to be received when it has been placed into storage tanks or other containers for use or subject to withdrawal for use, delivery, sale or other distribution. Dealers may sell gasoline to licensed bonded dealers in this state in transport truckload, carload or cargo lots, withdrawing such gasoline from refinery, marine, pipeline terminal or bulk storage tanks, without paying the tax on such gasoline. In such instances the licensed bonded dealer purchasing such gasoline shall be deemed to have received such gasoline at the time of withdrawal from the seller's storage facility and shall be responsible to the state for the payment of the tax thereon and shall report and pay the tax on such gasoline purchased and received.

(6) "Refinery" means any place where gasoline is refined, manufactured, compounded or otherwise prepared for use.

Dealers shall furnish within twenty (20) days following the end of the first month of each calendar quarter, such information regarding wholesale selling prices for the previous month as may be reasonably required by the department.

(b) Notwithstanding the provisions of paragraph (a) above, for purposes of the taxes levied in KRS 138.220, 138.565, 138.660 and 234.320, in no case shall "average wholesale price" be deemed to be less than one dollar ($1.00) per gallon, and in no case shall "average wholesale price" be deemed to be more than one dollar and fifty cents ($1.50) per gallon on or before June 30, 1982. (2) Any dealer in gasoline shall receive a credit on each gallon of gasoline-alcohol blend which is blended or purchased by the dealer and on which the tax imposed by KRS 138.220 is due and payable. The credit shall be thirty-five cents (35¢) for every gallon of fuel-grade alcohol blended or purchased in a gasoline-alcohol blend in the time period beginning July 1, 1982 to June 30, 1986.

The department may make any investigation deemed necessary to establish the bona fide claim of the loss.

(2) "Dealer" means any person who:

(a) Imports into this state and stores, or causes to be imported into and stored in this state, gasoline for use, distribution or sale and delivery in this state after it has been stored in this state; Provided That the term "dealer" as used in KRS 138.220 to 138.340 shall not include any person who imports gasoline acquired from a refiner or other supplier who, at the time of such importation, is a duly licensed dealer in this state, except as may otherwise be provided under regulations of the department.

This credit shall be applicable to the following month's tax liability.

(7) The gasoline-alcohol blend eligible for the credit set forth under subsection (1) of this section, shall not contain alcohol distilled outside the Commonwealth of Kentucky except as provided by paragraphs (a) and (b) of this subsection.

(a) If the department of revenue certifies that another state provides an exemption, credit, or refund from that state's motor fuel excise tax or sales tax that is applicable to a gasoline-alcohol blend which contains fuel-grade alcohol distilled in Kentucky, and if the alcohol produced in the other state meets the specifications provided by subsections (11) and (12) of KRS 138.210, then the alcohol distilled in the other state shall be eligible for the credit provided in this section to the extent that this credit would be allowed by such other state.

For purposes of this subsection the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(13) Notwithstanding the provisions of subsection (1) of this section, any property valuation administrator whose county classification would be reduced from that existing as of June 17, 1978 shall not have his compensation reduced but shall continue to be compensated at his then current salary until such time as an increase in points earned by his county or a departmental adjustment, under subsection (4) of this section, qualify him for an increase in compensation.

Personnel authorized to assist in making property identification maps under this section may be given the same authority as a deputy property valuation administrator. In addition to the state allowance provided to the property valuation administrator's office by KRS 132.590(6), the department may allocate sufficient additional funds from the legislative appropriation for mapping projects to compensate the additional local personnel employed for the mapping project. There hereby is created a retirement plan for the members of the general assembly (hereinafter "legislators"). Each legislator in office on the July 1, 1980, and each legislator thereafter taking office, may acquire membership in the plan in accordance with the provisions of KRS 6.505. In the event that a legislator in office during the 1980 regular session of the general assembly should die prior to July 1, 1980, then the person who would have been eligible for survivor benefits, had the legislator elected membership in the legislators' retirement plan, may elect such membership pursuant to KRS 6.505 and be eligible for survivor benefits of the *legislators'* [~~legislative~~] retirement plan.

Section 4. KRS 6.505 is amended to read as follows:

(1) Each legislator in office on July 1, 1980 may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the *legislators'* [~~legislators~~] retirement plan, in an amount equal to five (5) percent of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980 or as of the date from which the thirty (30)-day period is measured, as the case may be. Provided, however, that any legislator in office on July 1, 1980 may, after the expiration of the thirty (30) day period and until February 1, 1981, make the election, in which event he shall pay to the *legislators'* [~~legislators~~] retirement plan, for the months between July 1, 1980 and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. The election shall be addressed to and filed with the secretary of the department of finance and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five (5) percent thereof, as a voluntarily elected contribution by the member towards the funding of the *legislators'* [~~legislators~~] retirement plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530.

(2) When any legislator elects membership in the *legislators'* [~~legislators~~] retirement plan in accordance with this section, his active membership in the Kentucky employes retirement system, county employes retirement system, or teachers retirement system shall terminate, as of the date his membership in the legislators' retirement plan becomes effective, to the extent that service as a legislator is concerned, and any credit that he then has in such other system or systems, earned for service as a legislator, shall be transferred to and counted as service credit in the *legislators'* [~~legislators~~] retirement plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected.

Section 5. KRS 6.530 is amended to read as follows:

There is hereby established, within the *legislators'* [~~legislators~~] retirement plan, a state fund to be known as the legislators' retirement fund, which shall consist of the plan members' contributions, state appropriations to the fund, transfers of money as provided in KRS 6.535 and Section 25 of Acts 1980, Chapter 407, and earnings from investment of the fund. The members of the board shall serve for terms of four (4) years, commencing as of July 1, 1980, and until their successors are chosen and have qualified; provided that if a member of the board who was a member of one of the plans in the system when he was appointed ceases to be a member of that plan, a vacancy shall thereupon be deemed to exist in his position on the board; and provided further, that the members of the judicial retirement board in office on July 1, 1980 shall serve for the remainder of the terms for which they were appointed, as the members of the board created by this section, in the positions appointable by the Supreme Court and the governor. The committee provided for by this section may, with the concurrence of the investment committee for the judicial retirement plan, arrange for the *legislators'* [~~legislative~~] retirement fund and the judicial retirement fund to constitute a common fund for investment purposes only, to be under the management of the investment committee for the judicial retirement plan, each fund sharing in the common fund in proportion to the value of its assets contributed to the common fund.

(3) No ordinance shall be amended by reference to its title only, and ordinances to amend shall set out in full the amended ordinance or section indicating any words being added by a single solid line drawn underneath them, and any words being deleted by a single broken line drawn through them.

(4) Except as provided in subsection (7) of this section, no ordinance shall be enacted until it has been read on two (2) separate days. The reading of an ordinance may be satisfied by stating the title and reading a summary rather than the full text.

(5) A city legislative body may adopt the provisions of any local, statewide or nationally recognized standard code and codifications of entire bodies of local legislation by an ordinance which identifies the subject matter by title, source and date and incorporates the adopted provisions by reference without setting them out in full, provided a copy accompanies the adopting ordinance and is made a part of the permanent records of the city.

(6) Unless otherwise provided by statute, a majority of a legislative body shall constitute a quorum and a vote of a majority of a quorum shall be sufficient to take action.

Ordinances that include descriptions of real property may include a sketch, drawing, or map, including common landmarks, such as streets or roads in lieu of metes and bounds descriptions.

(10) A city may by ordinance specify additional requirements for adoption of ordinances in greater detail than contained herein, but a city shall not lessen or reduce the substantial requirements of this section or any other statute relating to adoption of ordinances.

(11) Not less than once every five (5) years each city shall cause all ordinances in the composite index or code of ordinances to be examined for consistency with state law and with one another and to be revised to eliminate redundant, obsolete, inconsistent and invalid provisions.

The resolution or petition shall set out in full the matter to be considered. The proposal shall be drafted in such a way that a vote in favor of adoption shall be a vote in favor of the effect or impact of the proposal.

(2) Any five (5) qualified voters of the city may commence petition proceedings by filing with the county clerk an affidavit stating they constitute the petition committee and will be responsible for circulating the petition and filing it in proper form. The affidavit shall state their names and addresses and specify the address to which all notices to the committee are to be sent. It shall set out in full the proposal to be considered by the voters. Promptly after the affidavit of the petition committee is filed, the county clerk shall notify the petition committee of all statutory requirements for petitions under this section and shall deliver a copy of the affidavit to the legislative body of the city.

(3) All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be executed in ink or indelible pencil and shall be followed by the address

of the person signing. Petitions shall be signed by registered voters of the city equal in number to at least twenty percent (20%) of the total number of votes cast in the city in the last presidential election. When it is filed, each sheet of a petition shall have an affidavit executed by the circulator stating that he personally circulated the sheet, the number of signatures thereon, that all signatures were affixed in his presence, that he believes them to be the genuine signatures of registered voters in the city and that each signer had an opportunity before signing to read the full text of the proposal. Petitions shall contain or have attached throughout their circulation the full text of the proposal.

(4) Within thirty (30) days after the petition is filed, the county clerk shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars wherein it is defective and shall send a copy to the petition committee and to the city legislative body by registered mail. A petition certified insufficient for lack of the required number of valid signatures may be amended once if the petition committee files a notice of intention to amend it with the county clerk within five (5) days after receiving the copy of his certificate and files a supplemental petition upon additional sheets within thirty (30) days after receiving the certificate. The supplemental petition shall comply with the requirements of subsection (3) and within ten (10) days after it is filed the county clerk shall complete a certificate as to the sufficiency of the petition as amended and promptly send a copy of the certificate to the petition committee and to the city legislative body by *certified* [~~registered~~] mail.

(5) A final determination as to the sufficiency of a petition shall be subject to review in the circuit court of the county and shall be limited to the validity of the county clerk's determination. A final determination of insufficiency shall not prejudice the filing in accordance with this section of a new petition for the same purpose.

(6) Upon receipt of a resolution requesting that the question be submitted to the voters or upon certification of a petition as sufficient, the county clerk shall place upon the city ballot for the next regular election that is held not earlier than ninety (90) days after receipt of the resolution or the certification of the petition the question to be submitted to the voters, which question shall be "Are you in favor of the proposal entitled__________? Yes________ No______." The county clerk shall cause to be published in accordance with KRS Chapter 424, at the same time as the sample ballot, the full text of the proposal. The county clerk shall cause to be posted in each polling place one (1) copy of the full text of the proposal.

(7) The provisions of general election law shall apply to public questions submitted to voters under this section. The certificate of the body authorized by law to canvass election returns shall be delivered to the mayor and the certificate shall be entered upon the records of the city at the next regular meeting of the city legislative body.

Section 49. KRS 92.340 is amended to read as follows:

If, in any city of the second to sixth class, any city tax revenue is expended for a purpose other than that for which the tax was levied or the license fee imposed, each officer, agent or employe who, by a refusal to act, could have prevented the expenditure, and the members of the city legislative body who voted for the expenditure, shall be jointly and severally liable to the city for the amount so expended. The amount may be recovered of them in an action upon their bonds, or personally. The city attorney shall prosecute to recovery all such actions. If he fails to do so for six (6) months after the money has been expended, any taxpayer may prosecute such action for the use and benefit of the city. A recovery under this subsection shall not bar a criminal prosecution [~~under subsection (5) of KRS 92.990~~]. Any indebtedness contracted by a city of the second to sixth class in violation of this subsection or of KRS 92.330 or *91A.030(13)* [~~92.360~~] shall be void, the contract shall not be enforceable by the person with whom made, the city shall never assume the same, and money paid under any such contract may be recovered back by the city.

Section 50. KRS 92.440 is amended to read as follows:

(1) The board of equalization of each city of the second class shall meet at a suitable place provided by the city on any date during the year in which property is listed by owners for taxation purposes, or on the first day of January in the next succeeding year, but not later than the last mentioned date. If the board shall meet prior to the first Monday in January, the meeting date shall be fixed by ordinance. After taking office and electing a chairman and a clerk the board shall notify the auditor that it is ready to receive the assessment books, and the auditor shall then deliver them and take the receipt of the board therefor.

(2) The board shall compare the real estate assessments with the plat books in the auditor's office and see that every parcel of real estate in the city has been assessed. If it finds that any real estate has been omitted, it shall certify that fact to the city solicitor, giving the number of parcels omitted[~~, and the city solicitor shall enforce against the assessor the penalty provided for in subsection (2) of KRS 92.990~~]. The board shall assess the parcels omitted.

(3) The board shall hear and determine all complaints made against assessments. It shall increase or decrease assessments on like property in order to make all assessments uniform, or to place a true value on the property. It may, by a resolution or order signed by at least two (2) members, increase or decrease all assessments of real estate uniformly by adding or subtracting a percentage of the assessments, and need not give notice of such an increase except by publication pursuant to KRS chapter 424. No increase of an

assessment shall be made except a uniform increase as above provided, without notice to the person whose assessment is to be increased.

(4) Where an assessment has been made against the property of a person who had actual notice to appear and list his property or make statements thereof but failed to do so, the board of equalization shall not decrease, but may increase, the assessment.

The clerk of the board shall furnish the taxpayer, on demand, with such a certified copy of the action of the board as is necessary for the appeal. Appeals to the circuit court shall be tried without the intervention of a jury, and in case of appeals by the taxpayer the burden shall be upon the taxpayer to show that his property has been inequitably assessed. A member shall hold office until his successor has been appointed and qualified.

(4) The agency shall elect a chairman from among its members. The term of office as chairman of the agency, unless otherwise prescribed by the council shall be for the calendar year, or for that portion thereof remaining after each such chairman is designated or elected.

(5) The powers of each agency shall be vested in the members thereof then in office. Members of an agency or their staff shall receive their actual and necessary expenses, including traveling expenses, provided, however, that such other compensation, if prescribed, shall be paid exclusively from community funds.

(6) For inefficiency or neglect of duty or misconduct in office, a member of an agency may be removed by the council but the member may be removed only after he shall have been given a copy of the charges at least ten (10) days prior to a public hearing thereon and has had an opportunity to be heard in person or by counsel.

(7) No officer or employe of the community, or of the agency, who in the course of his duties is required to participate in the formulation of plans or policies for the redevelopment of a development area, or to approve such plans or policies, shall acquire any interest in any property included within a development area within the community. If any such officer or employe owns or has financial interest, direct or indirect, in any property included within such a development area he shall immediately disclose, in writing, such interest to the agency and to the council and such disclosure shall be entered in the minutes of the agency and of the council. Failure to so disclose such interest shall constitute misconduct in office. No payment shall be made to any member or officer of an agency for any property or interest therein acquired by the agency from such member or officer unless the amount of such payment is fixed by court order in eminent domain proceedings, or unless such payment is unanimously approved by the council.

(8) When an agency is created for any community, the council may at that time, and from time to time thereafter, appropriate such amounts of money to the agency as it deems necessary for the administrative purposes of the agency. The administrative purposes of the agency may include staff and consultants for research, studies and surveys, designation of development areas, preparation of development plans, estimates of the cost of acquisition, clearance and conditioning of land for redevelopment, estimates of the fair use value of the land and any other administrative expenses considered necessary by the council.

SECTION 67. KRS 100.341 IS REPEALED AND REENACTED AS KRS 100.292:

When it has been discovered that land has been sold or transferred, or that a contract has been entered into for the sale or transfer of land in violation of the provisions of this chapter pertaining to the regulation of subdivisions, the owner or owners of record shall file plats of the land in accordance with this chapter. Section 71. KRS 103.246 is amended to read as follows:

(1) (a) The term "pollution control facilities" means any land, building, structure, machinery, equipment, device, system or facility functionally related thereto designed for the control, containment, reduction, prevention or abatement of atmospheric pollutants or contaminants, solid waste, noise, radiation, or water pollution produced by industrial concerns and utility companies, including, but not by way of limitation, any such facilities used in whole or in part to control, contain, reduce, prevent or abate atmospheric, solid waste, noise, radiation, or water pollution by removing, altering, containing, disposing or storing pollutants, contaminants, wastes, whether gaseous, solid or liquid, thermal or radioactive. Said term includes all pollution control facilities whenever constructed, reconstructed, purchased, leased or otherwise acquired and placed in use, which may legally be financed by issuance of bonds determined to be tax-exempt pursuant to the provisions of Section 103*(b)*[~~(c)~~] of the Internal Revenue Code of 1954, as amended, and regulations promulgated thereunder. Pollution control facilities may be constructed as part of, and may include, facilities also designed for the recovery of chemicals or other by-products or to serve other purposes which also contribute to the control of or abatement of atmospheric, solid waste and water pollution.

(b) The term "industrial concern" means any domestic or foreign corporation, company, partnership, association, rural electric cooperative corporation, or any other legal entity.

(2) It is hereby determined and declared that the acquisition and financing of pollution control facilities for utilization by industrial concerns and utility companies by the issuance of bonds of cities and counties amortized by payments made by such industrial concerns and utility companies inures to the public interest, and constitutes the performance of a proper governmental purpose. It is the intent of this section to afford to cities and counties alternative methods of financing pollution control facilities to the end that atmospheric, solid waste and water pollution in the Commonwealth may be abated and controlled to the maximum possible extent.

(3) As an alternative to the procedure set forth in KRS 103.200 to 103.285, inclusive, any city or county, for the purpose of financing the acquisition of pollution control facilities for any industrial concern or utility company, may issue negotiable bonds pursuant to KRS 103.200 to 103.285, inclusive, and either (a) loan the proceeds from the sale of such bonds to an industrial concern or utility company to finance the acquisition of such pollution control facilities, (b) sell such pollution control facilities to an industrial concern or utility company pursuant to agreement, or (c) lease such pollution control facilities from an industrial concern or utility company and sublease same to such industrial concern or utility company. In the event of use of such alternative financing procedure, such bonds shall not constitute an indebtedness of such city or county within the meaning of the Constitution of Kentucky, but shall be payable as to principal and interest solely from the revenues derived from payments, repayments, or sublease payments made by such industrial concern or utility company to such city or county in respect of such loan, sale or sublease.

(4) In the event that an alternate procedure authorized by this section is to be utilized in the financing of pollution control facilities, (i) the provisions of KRS 103.200 to 103.285, inclusive, shall apply, except that the proceedings and procedures therein described shall contemplate and authorize a transaction in the form of (a) a loan of the proceeds from the sale of such bonds by such city or county to an industrial concern or utility company for the acquisition of such pollution control facilities, (b) a sale of such pollution control facilities to an industrial concern or utility company pursuant to agreement, or (c) a lease of such pollution control facilities from an industrial concern or utility company and sublease of same to such industrial concern or utility company; and (ii) the loan, sale lease and sublease and any agreement or contract with respect thereto may include such provisions as such city or county shall deem appropriate to effect the securing of the financing undertaken in respect of such pollution control facilities, including, but not by way of limitation, (a) the pledge of the general credit of any such industrial concern or utility company, (b) the making of guarantees to an indenture trustee or to such city or county in respect of amortization of such bonds by any such industrial concern or utility company, (c) the creation of liens of security interests on any property or portion thereof of any such industrial concern or utility company, either senior or junior to, or ranking equally with, any other lien, security interest or rights of others, including any party or parties to any agreement in connection with such financing and/or its or their respective security holders and indenture trustees or

mortgage trustees, and (d) the pledge of other direct securities of such industrial concern or utility company in respect of such bonds.

(5) In the event any city or county shall finance pollution control facilities pursuant to the express authority contained in this section, title to such pollution control facilities shall not be acquired by such city or county in the case of a loan or lease transaction, and, in the case of a sale transaction, title may pass at any time, and the statutory mortgage lien for which provision is made in KRS 103.250 shall not apply to any such pollution control facilities.

(6) Bonds issued by cities and counties pursuant to the authority contained in this section may be caused to mature as to principal in term or serial maturities not to exceed thirty (30) years from date of issue.

Section 72. KRS 107.020 is amended to read as follows:

(1) The term "governing body," as used in this chapter, means and includes the legislative body of any city, whether the same be designated by applicable statutes as a general council, a common council, a city council, a board of trustees, a board of commissioners, or otherwise.

(2) The term "ordinance" means and includes any ordinance enacted in accordance with the general laws applicable to ordinances of the class of city in question, and the form of government thereof, and in accordance with the provisions of this chapter.

(1) (a) In the case of improvements of public ways, the benefited property shall consist of all real property abutting upon both sides of the improvement project, and the cost of improving intersections shall be included in the total costs to be assessed and apportioned, unless and to the extent the city shall appropriate, within constitutional limitations, from available funds, *a* definite and specified sum as a contribution thereto, or a portion of the aggregate cost, or the cost of specified portions of the improvement; provided, however, that if provisions shall be made for sidewalk improvements, as an integral part of the improvement of a "public way," as defined in subsection (3) of KRS 107.020, upon only one side of the project, the costs

of the sidewalk improvement shall be ascertained and assessed separately against the property abutting upon that side only, but the governing body may provide that such assessment shall include a fair share of the over-all costs as herein defined, other than the amounts of the actual construction contracts.

(b) In the case of improvements for draining sewage, storm water, or a combination thereof, the benefited properties shall consist of all properties which are thereby afforded a means of drainage, including not only the properties which may be contiguous to the improvements, but also adjacent properties within a reasonable distance therefrom as the governing body may in the proceedings set forth.

(c) In the case of an improvement project consisting in whole or in part of a sewage treatment plant, or enlargement or substantial reconstruction of an existing sewage treatment plant, the benefited properties shall be all those properties the sewage from which is treated in such plant, including properties already provided with sewer drainage facilities as well as those properties which the improvement project will provide with such drainage facilities, but the governing body may classify properties according to the extent of benefits to be afforded to them, and may establish one (1) rate of assessment applicable to all properties participating in the benefits of the sewage treatment installations, and an additional rate of assessment applicable to properties for which the improvement project will also provide sewer drainage facilities. In relation to wastewater collection projects constructed by metropolitan sewer districts, benefited property shall consist of all property whether improved or unimproved to which the project affords a means of discharging wastewater.

(d) The governing body may, either in the proceedings initiating an improvement project, or in subsequent proceedings, recognize the necessity or desirability in the interest of the public health, safety and general welfare, that properties other than the properties originally benefited by an improvement under paragraphs (b) or (c) of this subsection, be permitted to connect to such sewer drainage and/or treatment facilities, and may make equitable provisions which may be adjustable from year to year as bonds are retired, whereby the owners of such later-connecting properties, may, by paying charges for the privilege of connecting, and/or by assuming a share of improvement assessments, or otherwise, be placed as nearly as practicable on a basis of financial equity with the owners of properties initially provided to be assessed.

(e) The governing body may, either in the proceedings initiating an improvement project, or in subsequent proceedings, recognize the necessity or desirability in the interest of the public health, safety and general welfare that residential properties within one thousand feet (1000'), measured along paved roads, of a fire hydrant in cities of the third through sixth classes may be assessed on the same basis as property abutting upon a street where a fire hydrant is to be installed.

(2) (a) Benefited property owned by the city or county, or owned by the United States government or any of its agencies, if such property is subject to assessment by act of congress, shall be assessed annually the same as private property, and the amount of the annual assessment shall be paid by the city, county, or United States government, as the case may be. The same right of action shall lie against the county as against a private owner.

(b) Benefited property owned by the state, except property the title to which is vested in the Commonwealth for the benefit of a district board of education pursuant to KRS 162.010, shall be assessed as follows: Before assessing the state, the governing body shall serve written notice on the secretary of the department of finance setting forth specific details including the estimated total amount of any improvement assessment proposed to be levied against any state property relative to any proposed improvement project. Said written notice shall be served prior to the next regular session of the general assembly so that the amount of any specific improvement assessment may be included in the biennial budget report to be submitted to the general assembly. Payment of any assessment shall be made only from funds specifically appropriated for that assessment. If an amount sufficient to pay the total amount of any assessment has been appropriated, then the total amount shall be paid; if an amount sufficient only to pay annual assessments has been appropriated, then only the amount of the annual assessment shall be paid. The amount of the assessment shall be certified by the city treasurer to the department of finance, which shall thereupon draw a warrant upon the state treasurer, payable to the city treasurer, and the state treasurer shall pay the same.

(c) In the case of property the title to which is vested in the Commonwealth for the benefit of a district board of education, the amount of the annual assessment shall be paid by the city or other local governmental agency or authority which undertook the improvement project.

(3) No benefited property shall be exempt from assessment.

SECTION 74. KRS 109.020 IS REPEALED AND REENACTED AS KRS 109.082:

When the governing bodies of two (2) or more counties, and the most populous city of each such county join with each other in the management or solely in the collection or solely in the disposal of solid waste in accordance with the state solid waste management plan they may cause a contract to be prepared and executed which shall set forth:

(1) Whether and to what extent cities and counties shall render services to the area and receive services from the area or from each other.

(2) Whether cities and counties will contract with a private party or parties for the management of solid waste.

(3) The financial responsibilities and contributions of the respective cities and counties in the joint undertaking.

(4) The extent to which the cities and counties will furnish personnel and administrative services to the area.

(5) The terms of the contract or agreement: Provided That such contract may be modified from time to time as conditions may warrant and provided one or more additional counties desiring to participate in the joint undertaking may be permitted to become parties to the contract.

(6) Such other provisions as may be necessary to execute a workable system for solid waste management or solely of collection or solely of disposal of solid waste.

SECTION 75. KRS 109.061 IS REPEALED AND REENACTED AS KRS 109.072:

Where it is consistent with the policy set forth in this chapter and approved by the department one (1) county may be designated as a solid waste management area.

SECTION 76. KRS 109.071 IS REPEALED AND REENACTED AS KRS 109.115:

Whenever two (2) or more counties elect to join together for the purposes of solid waste management they may establish and maintain a district. Districts shall have all powers and authority set forth in KRS 109.041.

The district shall be controlled and managed by a board of directors consisting of the county judges/executive of every county, or portion of a county, within that district and the mayor of the most populous city in each county. In the instance that a city is incorporated into a district, and the remainder of the county lies within another district, the mayor of said city shall be represented on the board of that district.

SECTION 77. KRS 109.180 IS REPEALED AND REENACTED AS KRS 109.056:

(1) Any county or district may levy an annual tax of not to exceed ten cents (10¢) on each one hundred dollars ($100) of assessed valuation of real property within the area subject to taxation for county purposes. The proceeds of such tax shall be used for expenses of the area and for redemption of any bonds issued.

(2) The county or district may in lieu of the tax provided in subsection (1) or in addition thereto finance the maintenance, operation and capital acquisition costs of the area by fees to be collected from all persons receiving services from the area. Such charges shall be fixed in such amounts as can be reasonably expected to yield revenues not in excess of the cost of operation and maintenance of the system and for an adequate depreciation fund and amortization of capital acquisition costs.

(3) The service charges authorized by subsections (1) and (2) of this section may be collected by the area directly or the area may enter into an agreement with other utilities either public or private to collect such charges.

SECTION 78. KRS 109.250 IS REPEALED AND REENACTED AS KRS 109.059:

Any county or solid waste district may require the use of any solid waste management facility or other facility meeting the standards of the department under KRS Chapter 109 by all persons, firms and governmental entities situated within the geographical boundaries thereof; provided, however, that such mandatory use of any solid waste management facility shall not be applicable to any city situated within the geographical boundaries of any such county which owns and operates a municipal solid waste management facility, and which complies with the intent and purposes herein provided, other than a sanitary landfill upon June 17, 1978.

Section 79. KRS 132.027 is amended to read as follows:

(1) (a) Notwithstanding any statutory provisions to the contrary, no city or urban-county government shall levy a tax rate for 1979-80 which will produce more revenue, exclusive of revenue from net assessment growth, than would be produced by application of the maximum tax rate that could have been levied in 1978-79 to the 1978-79 assessment.

(b) In succeeding years, no city or urban-county government shall levy a tax rate which will produce more revenue, exclusive of revenue from net assessment growth, than would be produced by application of the tax rate that was levied in the preceding year to the preceding year's assessment.

(2) No city or urban-county government shall levy a tax rate within the limits imposed in subsection (1) of this section which exceeds the compensating tax rate defined in KRS 132.010 until the city or urban-county government has complied with the provisions of subsection (3) of this section.

(3) (a) Cities or urban-county governments proposing to levy a tax rate [~~within the limits of subsection (1) of this section~~] which exceeds the compensating tax rate defined in KRS 132.010 shall hold a public hearing to hear comments from the public regarding the proposed tax rate. The hearing shall be held in the principal office of the taxing district, or, in the event the taxing district has no office, or the office is not suitable for such a hearing, the hearing shall be held in a suitable facility as near as possible to the geographic center of the district.

(b) The city or urban-county government shall advertise the hearing by causing to be published at least twice in two (2) consecutive weeks, in the newspaper of largest circulation in the county, a display type advertisement of not less than twelve (12) column inches, the following:

1. The tax rate levied in the preceding year, and the revenue produced by that rate;
2. The tax rate proposed for the current year and the revenue expected to be produced by that rate;
3. The compensating tax rate and the revenue expected from it;
4. The revenue expected from new property and personal property;
5. The general areas to which revenue in excess of the revenue produced in the preceding year is to be allocated;
6. A time and place for the public hearing which shall be held not less than seven (7) days nor more than ten (10) days after the day the second advertisement is published;
7. The purpose of the hearing; and
8. A statement to the effect that the general assembly has required publication of the advertisement and the information contained therein.

(c) In lieu of the two (2) published notices, a single notice containing the required information may be sent by first-class mail to each person owning real property in the taxing district, addressed to the property owner at his residence or principal place of business as shown on the current year property tax roll.

(d) The hearing shall be open to the public. All persons desiring to be heard shall be given an opportunity to present oral testimony. The taxing district may set reasonable time limits for such testimony.

(4) (a) That portion of a tax rate levied by an action of a city or urban-county government which will produce revenue from real property, exclusive of revenue from new property, more than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010 shall be subject to a recall vote or reconsideration by the taxing district, such as the case may be, as provided for in KRS 132.017, and shall be advertised as provided for in paragraph (b) of this subsection.

(b) The city or urban-county government shall, within seven (7) days following adoption of an ordinance, order, resolution, or motion to levy a tax rate which will produce revenue from real property, exclusive of revenue from new property as defined in KRS 132.010, more than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010, cause to be published, in the newspaper of largest circulation in the county, a display type advertisement of not less than twelve (12) column inches the following:

1. The fact that the city or urban-county government has adopted such a rate;
2. The fact that the part of the rate which will produce revenue from real property, exclusive of new property as defined in KRS 132.010, in excess of four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010 is subject to recall, and
3. The name, address and telephone number of the county clerk of the county or urban-county in which the taxing district is located, with a notation to the effect that that official can provide the necessary information about the petition required to initiate recall of the tax rate.

Section 80. KRS 132.203 is amended to read as follows:

KRS 132.200*(11)*[~~(9)~~] prohibiting the taxation of unmined coal by local taxing districts does not apply to any special voted levies for the purpose of retiring bonds existing prior to January 1, 1977.

Section 81. KRS 132.660 is amended to read as follows:

(1) The department of revenue shall have authority to order an emergency assessment of all or any part of the taxable property in any taxing district to be made by one or more persons appointed for that purpose by the department, whenever: there has been no regular assessment; the records of an assessment have been destroyed, mutilated or lost; complaint is made by the owners of not less than ten percent (10%) in value of the taxable property in the taxing district; or investigation of the department discloses that the assessment of property in such taxing district is so grossly inequitable or fiscally infeasible that an emergency exists. The order directing such emergency assessments shall state the reasons therefor and a copy shall be filed in the office of the county clerk where the property lies. Such order, when filed, shall void any assessment for the assessment year for which the emergency assessment is made. Any person appointed to make such an emergency assessment shall have the same powers and duties as the property valuation administrator. Whenever the tax roll has been completed under an emergency assessment and the tentative valuations have been determined, the department shall cause to be published pursuant to KRS chapter 424, a notice as to the date when the tax roll will be ready for inspection and the time available for such purpose; also a copy of the notice shall be posted at the courthouse door. If any property is assessed at a greater value than that listed by the taxpayer or unlisted property is assessed, the taxpayer shall be charged with notice of such action by reason of the inspection period, and no further notice need be given of such action taken before the beginning of the inspection period. At the close of the inspection period, the tax roll shall be delivered to the county clerk and the county judge/executive shall immediately convene the board of assessment appeals to hear and determine any appeals from such emergency assessment. The board shall remain in session for the time and shall receive the compensation as provided in KRS 133.030*(3)*[~~(2)~~]. Appeals shall be taken and heard from such emergency assessments in the same manner as appeals from regular assessments.

(2) The department may appoint the property valuation administrator to make an emergency assessment provided he was not at fault, and if the property valuation administrator is so appointed he shall receive

reasonable compensation for his services in making this assessment, which shall not affect in any manner the payment to him of any compensation that he has received for himself or on behalf of a deputy or that may be due him, for services in making the regular assessment. Whenever through the property valuation administrator's fault an emergency assessment is ordered, the property valuation administrator shall become liable for the cost thereof as provided in KRS 132.620, such cost to be limited to the amount due or paid him in accordance with the provisions of KRS 132.590.

Section 82. KRS 133.120 is amended to read as follows:

(1) Any taxpayer aggrieved by an assessment made by the property valuation administrator may appeal to the board of assessment appeals. The taxpayer shall appeal his assessment by filing in person or sending a letter or other written petition stating the reasons for appeal, identifying the property for which the appeal is filed and stating *to the county clerk* the taxpayer's opinion of the fair cash value of the property [~~with or to the county clerk~~] within the twelve-day period in which the inspection *is held* [~~period~~]. The board of assessment appeals may review and change any assessment made by the property valuation administrator upon recommendation of the department of revenue, county judge/executive, mayor of any city using the county assessment or the superintendent of any school district in which the property is located, provided, such recommendation is made to the board in writing specifying the individual properties recommended for review. If the board of assessment appeals determines that any such assessment should be increased, then it shall give the taxpayer notice in the manner required by subsection (4) of KRS 132.450, specifying a date when the board will hear the taxpayer, if he so desires, in protest of such increase. Any property owner who has listed his property with the property valuation administrator at its fair cash value, likewise may ask the county board of assessment appeals to review the assessments of properties he believes to be assessed at less than fair cash value, providing, he specifies, in writing the individual properties for which the review is sought and factual information upon which his request is based; such as, comparable sales or cost data. Nothing in this section shall be construed as granting any property owner the right to request a blanket review of properties or the board the power to conduct such a review.

(2) The board of assessment appeals shall hold a public hearing for each individual taxpayer appeal in protest of the assessment by the property valuation administrator filed in accordance with the provisions of subsection (1) of this section, and after hearing all the evidence, shall fix the assessment of the property at its fair cash value. The board shall report to the property valuation administrator any property omitted from the tax roll. The property valuation administrator shall assess such property and immediately give notice to the taxpayer in the manner required by KRS 132.450(4), specifying a date when the board of assessment appeals will hear the taxpayer, if he so desires, in protest of the action of the property valuation administrator.

(3) The board of assessment appeals shall have power to issue subpoenas, compel the attendance of witnesses, and adopt rules and regulations concerning the conduct of its business. Any member of the board shall have power to administer oaths to any witness in proceedings before the board.

(4) The powers of the board of assessment appeals shall be limited to those specifically granted by this section.

(5) No appeal under this section shall delay the collection or payment of any taxes based upon the assessment in controversy. The taxpayer shall pay all state, county and district taxes due on the valuation which he claims as true value and stated in the petition of appeal filed in accordance with the provisions of subsection (1) of this section. When the valuation is finally determined upon appeal, the court or the Kentucky board of tax appeals shall certify the valuation to the county clerk and the taxpayer shall be billed for any additional tax and six percent (6%) interest from the date when the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to such tax bill.

(6) Any member of the county board of assessment appeals may be required to give evidence in support of the board's findings in any appeal from its actions to the Kentucky board of tax appeals.

(7) It shall be the duty of the county attorney to represent the interest of the state and county in all hearings before the board of assessment appeals and on all appeals prosecuted from its decision. In the event the county attorney is unable to represent the state and county, he or the fiscal court shall arrange for substitute representation.

Section 83. KRS 133.170 is amended to read as follows:

(1) When the department of revenue has completed its equalization of the assessment of the property in any county, it shall certify its action to the county judge/executive, with a copy of the certification for the county clerk, to be laid before the fiscal court of the county.

(2) If the fiscal court deems it proper to ask for a review of the aggregate equalization of any class or subclass of property, it shall direct the county attorney to prosecute an appeal of the aggregate increase to the Kentucky board of tax appeals within ten (10) days from the date of the certification.

(3) Within ten (10) days from the date that the department's aggregate equalization of any or all classes or subclasses of property becomes final by failure of the fiscal court to prosecute an appeal or by order of the Kentucky board of tax appeals or the courts, the fiscal court shall cause to be published, at least one (1) time, in the newspaper having the largest circulation within the county, a public notice of the department's action.

(4) Within ten (10) days from the date of the publication of the notice required in subsection (3) of this section, any individual taxpayer whose property assessment is increased above its fair cash value by the equalization action may file with the county clerk an application for exoneration of his property assessment from the increase. The application shall be filed in duplicate and shall include the name and address of the person in whose name the property is assessed; the assessment of the property before the increase; the description and location of the property including the description shown on the tax roll; the property owner's reason for appeal and all other pertinent facts having a bearing upon its value. The county clerk shall forward one (1) copy, of each application for exoneration to the department of revenue and shall exclude the amount of the equalization increase from the assessment in the preparation of the property tax bill for each property for which an application for exoneration has been filed.

(5) The county judge/executive shall reconvene the board of supervisors immediately following the close of the period for filing applications for exoneration from the increase. The board shall schedule and conduct hearings on all applications in the manner prescribed for hearing appeals by KRS 133.120; however, the board shall not have authority to reduce any assessment to an amount less than that listed for the property at the time of adjournment of the regular board session.

(6) The county clerk shall act as clerk of the reconvened board and shall keep an accurate record of the proceedings in the same manner as provided by KRS 133.125. Within five (5) days of the adjournment of the reconvened board, he shall notify each property owner in writing of the final action of the board with relation to the equalization increase and shall forward a copy of the proceedings certified by the chairman of the board and attested by him to the department of revenue and to the other taxing districts participating in the tax.

(7) Any taxpayer whose application has been denied, in whole or in part, may appeal to the Kentucky board of tax appeals as provided in KRS 131.340, and appeals thereafter may be taken to the courts as provided in KRS 131.370.

(8) The provisions of KRS 133.120*(5)*[~~(4)~~] shall apply to the payment of taxes upon any property assessment for which an application for exoneration has been filed.

(9) The provisions of subsections (4), (5), (6), (7), and (8) of this section shall only apply to appeals growing out of equalization action by the department of revenue under the provisions of KRS 133.150.

Section 84. KRS 137.010 is amended to read as follows:

(1) It is hereby declared that in counties containing a city of the first class a system of county through roads over which traffic can be routed or which can serve as major connecting links to state highways is a necessary and integral part of a unified system of highways, roads and streets needed for the movement of traffic in such a metropolitan area and that the construction, reconstruction, widening, relocation, repair, maintenance and improvement of such a system of county through roads is a proper and legitimate public function as an alternative to other authorizations or requirements.

(2) The fiscal court of a county containing a city of the first class, acting upon the basis of an engineering and traffic investigation by the county road engineer, may designate for purposes of construction, reconstruction, widening, relocation, repair, maintenance and improvement from among the public roads within the county certain roads proposed to constitute the "county through road system." County through roads may include (a) main traveled roads, (b) roads in unincorporated areas necessary for the circulation of traffic within the county, (c) streets and roads through, within, or adjacent to cities of any class necessary for the circulation of traffic within the county, or (d) major roads connecting two (2) primary roads maintained by the state. County through roads shall not include roads on the state highway system.

(3) As soon as the proposed county through roads are designated as provided in subsection (2) of this section, the fiscal court shall cause such county through roads to be marked on a map to be deposited with the county road engineer and to be open to public inspection. Upon the filing of the map, the clerk of the fiscal court shall, in conformance with KRS 424.130 (1) (b), have published in a newspaper of bona fide general circulation within the county (a) a notice of the proposed adoption of a county through road system, (b) a description of roads or portions thereof proposed to be included, (c) notice of the date upon which the fiscal court will consider the adoption of the county through road system, and (d) notice that the map of the proposed county through road system is open to inspection in the office of the county road engineer.

(4) At any time before the adoption of the county through road system, any freeholder of the county may file a petition with the county road engineer asking for any change in the designated county through roads, setting forth the reason for the proposed change. Such petition shall be accompanied by a plat showing such proposed change. Any such petition shall be considered by the fiscal court at its meeting held on the date advertised in accordance with subsection (3) of this section. The fiscal court may accept or reject any such suggested changes in the proposed county through road system. The fiscal court may continue the consideration to a later meeting which must be advertised as provided in subsection (3) of this section. The roads which the fiscal court so designated by official resolution shall be conclusively established as the county through road system.

(5) Classifications or designations of a county through road system established by this section shall not affect or change classifications or designations made by other sections of the Kentucky Revised Statutes such as "county roads," "main county roads," "rural and secondary roads," "turnpikes," "city streets" or similar terms; except that when there is an irreconcilable conflict arising from the actual application of this section in a given instance and a designation or classification made in other sections of the Kentucky Revised Statutes, this section shall prevail. The department may accept liquid or semi-liquid assets deposited in an escrow account for the operating life of the landfill plus not less than two (2) additional years as an alternative guarantee of adequate financial responsibility for closure of the facility.

(2) An operator may at any time during the term of the permit apply to the department for an amendment of the permit so as to increase or reduce the acreage affected by it. The operator shall file an application and map in the same form and with the same content as required for an original application under this chapter and shall pay a basic fee set by regulation bearing a reasonable relationship to the cost of processing the permit application and shall file with the department a supplemental bond for each acre or fraction of an acre of the increase approved. (6) Where one (1) operator succeeds another at any solid waste disposal site or facility prior to final closure, either by sale, assignment, lease or otherwise, the department may release the first operator from all liability under this section, provided that the successor operator meets the requirements of this section and assumes, as part of his obligation under this chapter, all liability for the reclamation and final closure of the area of land affected by the former operation.

(7) In the reclamation of land affected by incomplete or improper closure of a solid waste disposal site or facility for which it has the funds available, the department may avail itself of any services which may be provided by other state agencies or by agencies of the federal government, and may compensate them for such services. The department may cause the reclamation work to be done by its own employes, or by employes of other governmental agencies or through contracts with qualified persons.

If it approves such permit it may attach necessary conditions such as time limitations, requirements that one or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.

If the board of adjustments finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustments may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.

(5) Once the board of adjustments has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the

Said notice shall contain a statement that operators or passengers are subject to injury by its continued use, a description of the alteration or other change necessary to be made in order to secure safety of operation, date of such notice, name and signature of the department or inspector issuing the notice.

(2) If any inspector of elevators finds a passenger elevator to be so unsafe as can be reasonably expected to offer imminent danger of death or physical injury, that unit shall be sealed out of service, a hazard notice posted thereon, and the department shall be notified immediately as to the location and condition of the unit.

(3) Any passenger elevator, once sealed, shall not be operated except for the purpose of effecting repairs and in such a manner as prescribed by the department, until all defects are corrected and the unit has been inspected and certified as safe by the department.

(4) Sealing shall consist of rendering a passenger elevator unit inoperable by disconnecting power and/or by placing a sealing device on the operation switch and ordering such additional measures to be effected by the owner, such as erection of barricades, as may be required to prevent use of or public access to the unit.

(5) No seal, notice or barricade placed on or around an elevator in accordance with the provisions of this chapter shall be removed, obstructed or in any way altered without the written consent of the department.

[~~(5) Any person who violates any provision of KRS 336.520 to 336.680 or regulation issued thereunder shall be fined a sum of $500 for each offense.~~]

Section 197. KRS 341.310 is amended to read as follows:

(1) A lien on a parity with state, county, and municipal ad valorem tax liens, and superior to the lien of any mortgage or other encumbrance heretofore or hereafter created is hereby created in favor of the department upon all property of any subject employer from whom contributions, interest or penalties are or may hereafter become due. This lien shall be for a sum equal to the amount at any time due from each subject employer to the department on account of contributions, interest and penalties thereon. The lien shall commence from such time as the contributions, interest or penalties become due.

(2) The secretary may file notice of this lien with the county clerk of any county where the subject employer has property, giving the name of the subject employer, his address, and the amount of the lien. The clerk shall file same in the same manner as lis pendens are filed. The files shall be designated "Miscellaneous State Tax Liens." The notice, when so filed, shall be conclusive notice to all persons of the lien on the property having legal situs in that county, except that nothing in this chapter shall be construed to alter or change in any way the law relative to the rights and duties of a holder in due course as provided in KRS Chapter 355 Art. 3, or affect the rights of any person taking the property *or* [~~for~~] a lien thereon for value without actual or constructive notice. The clerk shall be entitled to a fee of $1.25 for filing the lien, and said fee shall become a part of the lien as an added cost of the delinquent subject employer to be paid by him as a part of the amount necessary to release the lien, and in no event shall the Commonwealth, or the department be required to pay same.

(3) In addition and as an alternative to any other remedy, the secretary may enforce the lien by petition in the name of this state to the Franklin Circuit Court, if the ministerial acts necessary to enforce the lien by the sale of the liened property or any part of it are performed by the appropriate officers of the circuit court of the county in which the property is situated under the direction of and reporting to the Franklin Circuit Court. The manner of enforcement shall be the same as that provided for the enforcement of other tax liens.

(4) (a) The secretary may issue a certificate of release of lien upon the furnishing of a corporate surety bond satisfactory to the secretary by such employing unit in the amount of one hundred and twenty-five percent (125%) of the sum of such contributions, interest and penalty, for which lien is claimed, conditioned upon the prompt payment of such contribution, together with interest and penalty thereon, by such employing unit to the department in accordance with the provisions set forth in such bond.

(b) The secretary may issue a certificate of partial release of any part of the property subject to the lien if he finds that the fair market value of that part of such property remaining subject to the lien is at least equal to the amount of all other liens upon such property plus double the amount of the liability for contributions, interest and penalties thereon remaining unsatisfied.

(c) The secretary may issue a certificate of partial release of any part of the property or individual piece of property subject to the lien if he finds that the interest of the Commonwealth in the property to be so released has no value.

Section 198. KRS 341.710 is amended to read as follows:

A worker shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the commissioner finds that with respect to such week:

(1) He is an "exhaustee" as defined in subsection *(6)*[~~(5)~~] of KRS 341.096, and

(2) He has satisfied the requirements of this chapter for the receipt of regular benefits that are applicable to workers claiming extended benefits, including not being subject to a disqualification for the receipt of benefits.

Section 199. KRS 342.122 is amended to read as follows:

(1) "Adjusted cost" as used in this section and in KRS 42.475 means all compensation, hospital and medical benefits paid thereunder, plus an additional factor of twelve percent (12%) of such total payments, to cover the administrative cost of the employer. However in no event shall "adjusted cost" be less than twenty percent (20%) of the basic insurance premium computed by applying current manual rates for workmen's compensation insurance to the payroll of every employer carrying his own risk and for this purpose each such employer shall annually furnish payroll data to the department of revenue. "Adjusted cost" shall not include amounts paid for injuries occurring prior to March 22, 1962.

(2) In addition to the taxes and assessments imposed by KRS 342.450 and 342.475, a special fund tax at the rate of three-fourths (¾) of one percent (1%) of the amount of premiums received shall be paid by every insurance carrier as defined in KRS 342.445, subject to the credits therein set out, and the department of revenue shall assess against the "adjusted cost" of every employer carrying his own risk a special fund tax computed by taking three-fourths (¾) of one percent (1%) of the "adjusted cost" determined as provided in KRS 342.475. The provisions of KRS 342.450, 342.455, 342.460, 342.465 and 342.470 shall, so far as applicable, also apply to the levy and collection of such additional tax of three-fourths (¾) of one percent (1%) of such premiums of insurance carriers.

(3) All taxes and assessments imposed by subsection (2) of this section shall be paid into the state treasury and shall be credited to the special fund for the board, which fund shall be used only for the payment of awards of compensation made by the board and chargeable against said fund, expenses of legal representation thereof, fees and expenses of the physicians in connection therewith, and shall be withdrawn for that purpose under the supervision of the commissioner of labor.

(4) Any sum remaining in the special fund at the end of any fiscal year shall be set up by the executive department for finance and administration to the credit of such fund for the next ensuing fiscal year.

(5) If the commissioner of labor finds that the special fund tax levied pursuant to this section is insufficient to pay such claims awarded under the special fund provisions, he shall advise the commissioner of revenue in writing of such fact. The commissioner of revenue may then levy additional assessments against all insurance companies writing *workers'* [~~workmen's~~] compensation insurance in Kentucky, including every employer carrying his own risk. The amount of each insurance company's assessment shall be in the proportion that each company's annual *workers'* [~~workmen's~~] compensation premium writings in Kentucky bears to the total of all annual *workers'* [~~workmen's~~] compensation premiums written in Kentucky. Such assessment will be based upon information contained in the insurance company's last filed annual statement with the department of insurance. Such assessments against every employer carrying his own risk will be based upon that proportion which the "adjusted cost" of such own risk carrier bears to the total "adjusted cost" of all such own risk carriers. "Adjusted cost" reports filed with the board in accordance with KRS 342.475 will be the basis of such determination. Such additional assessment against insurance companies and employers carrying their own risk shall be apportioned between the two (2) classes as the total of premiums and the total of "adjusted cost" each bears to the combined total.

(6) Except for a two percent (2%) collection fee allowance, all moneys charged the insured for assessments and taxes under this chapter and KRS Chapter 136 shall be paid into the state treasury and credited to the appropriate fund for which said assessment or tax is charged. In no case shall the moneys turned over be less than ninety-eight percent (98%) of the moneys charged.

(7) The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as herein set out and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

Section 211. KRS 422.300 is amended to read as follows:

Medical charts or records of any hospital licensed under KRS *216B.105* [~~216.405 to 216.485~~] that are susceptible to photostatic reproduction may be proved as to foundation, identity and authenticity without any preliminary testimony, by use of legible and durable copies, certified in the manner provided herein by the employe of the hospital charged with the responsibility of being custodian of the originals thereof. Said copies may be used in any trial, hearing, deposition or any other judicial or administrative action or proceeding, whether civil or criminal, in lieu of the original charts or records which, however, the hospital shall hold available during the pendency of the action or proceeding for inspection and comparison by the court, tribunal or hearing officer and by the parties and their attorneys of record.

Section 212. KRS 425.012 is amended to read as follows:

(1) Before a writ of possession shall *be issued* [~~issue~~] by the clerk, the person seeking the writ must first make a demand in writing at or after the time the suit is filed, by delivering such demand and a copy of the complaint, motion and summons to the defendant or by sending them to him by registered or certified mail, return receipt requested, to the last known place of residence, at least seven (7) and not more than sixty (60) days before such order is sought. The demand shall contain a statement in substance that the defendant has seven (7) days in which to petition the court for a hearing or in which to pay the amount claimed in the complaint in full, and that unless a hearing is set or the amount paid, a writ of possession will issue. The statement shall identify the court in which the suit has been filed, the grounds therefor, the date of the demand, the amount claimed, and the name and address of the plaintiff and his attorney. An affidavit of the plaintiff or his attorney evidencing compliance with this subsection shall be filed before a writ shall be issued.

(2) The writ of possession shall be issued by the clerk upon compliance with subsection (1) of this section unless the defendant has requested a hearing, in which case a hearing shall be conducted pursuant to KRS 425.031.

Section 213. KRS 425.086 is amended to read as follows:

(1) In any case where the plaintiff has made a motion for a writ of possession under KRS 425.076 the court may in its discretion deny the motion for the writ and issue instead a temporary restraining order under this chapter if it determines that the requirements of subsection (3) of KRS 425.076 are satisfied but that the issuance of the temporary restraining order instead of the writ of possession would be in the interest of justice and equity to the parties, taking into account the effect on the defendant of issuing a writ of possession ex parte, the effect on the plaintiff of issuing the temporary restraining order instead of the writ and other factors that bear on equity and justice under the circumstances of the particular case.

(2) If the court issues a temporary restraining order under this section, the plaintiff's motion for a writ of possession shall be treated as a motion for a writ of possession under KRS 425.011 [~~and the plaintiff shall comply with the requirements of service provided in KRS 425.021~~].

Section 226. KRS 109.011 is amended to read as follows:

The general assembly of the Commonwealth of Kentucky hereby finds, determines and declares, as follows:

(1) That an ever-increasing volume of solid waste within the Commonwealth is being generated as a result of increasing economic and commercial activity, continuing technological progress and changes in methods of manufacturing, packaging and marketing of consumer products, which results in additional solid wastes discarded by the users of such products;

(2) That the continued economic and population growth of the Commonwealth has required increased industrial and commercial expansion and has made necessary the demolition of obsolete structures, the construction of new structures, the provision of highways and other avenues of transportation and the construction and installation of public works which, together with pre-existing commercial, industrial and agricultural operations, have resulted in the generation of further volumes of solid wastes;

(3) That the handling of solid wastes has been primarily carried out through the dumping of such wastes on open soil and in landfills, which in some cases are inimical to the public health, safety and welfare;

(4) That by the enactment by the Congress of the United States of the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), the collection, sanitary disposal and recovery of solid wastes has been determined to be a matter of nationwide importance, recognizing that the management of solid wastes should continue to be primarily the function of state, regional and local agencies; and that pursuant to such federal law, the Commonwealth has taken and will take certain actions in respect to the planning and implementation of solid waste plans within the guidelines of time requirements set forth in such federal law;

(5) That as a result of the conditions described in the foregoing findings, problems of solid waste collection, management and treatment and resource recovery activities in connection therewith have become a matter of state-wide concern necessitating action by the general assembly to (a) enable responsible planning and management agencies to be created to define solid waste management requirements, with all of the foregoing subject to regulation by the department for natural resources and environmental protection, and (b) assist those units of government primarily responsible for the management of solid waste and the acquisition, financing and operation of facilities to dispose of same to fulfill their functions in a responsible and proper manner with primary emphasis on the regionalization of such functions; and

(6) That it is the intent of the general assembly of the Commonwealth of Kentucky that the primary responsibility for adequate solid waste collection, management, treatment, disposal and resource recovery shall rest with counties, or combinations of cities and counties, subject to rules, regulations, criteria and requirements promulgated by the department for natural resources and environmental protection and subject to approval by such department of the implementation of solid waste collection, treatment, disposal, and resource recovery plans, all for the purpose of effectuating the safe and sanitary management, use and handling of

solid waste, the protection of the health, welfare and safety of the citizens and inhabitants of the Commonwealth and for making the most efficient use of all resources for the benefit of the citizens and inhabitants of the Commonwealth.
